Journal of Proceedings

FIRST DAY

Charlotte, N. C., May 11, 1948

The 132nd Annual Convention of the Diocese of North Carolina, met in St. Peter's Church, Charlotte, at 2:30 P.M., May the eleventh. The convention opened with prayers by the Bishop. The Secretary, pro tem, certified that a constitutional quorum was present in both orders. The Bishop declared the convention was duly organized and ready for business.

The Rev. Alfred S. Lawrence was re-elected secretary. In his absence, the Bishop appointed the Rev. David W. Yates, secretary pro tem. The Rev. Ralph H. Kimball was appointed as assistant secretary.

The convention was welcomed by the Rev. Robert L. Crandall, rector of St. Peter's Church. On motion, the schedule of hours on the printed program was adopted.

The Rev. F. Craighill Brown moved that the report of the Special Committee on Increased Episcopal Supervision be made the special order of business at the beginning of the session following the evening service. Carried.

The Bishop requested the Rev. J. M. Dick, Chairman of the Standing Committee, to take the chair. The Bishop then gave his Annual Address. (p 47). Appendix A.

The Bishop resumed the chair. The Rev. David W. Yates moved that a special committee be appointed to consider the Bishop's address, except such part as was suggested by the Bishop to be referred to the Committee on Canons. Carried. The Rev. Iveson B. Noland, Mr. Hugh Campbell and Mr. Francis Jenkins were named as such committee.

The Chancellor. Mr. Francis O. Clarkson, asked for information as to how the communication that he had received from the Chancellor of the Diocese of East Carolina, referring to diocesan boundaries, should be

presented. The Bishop ruled that it should be presented directly to the convention, but at a later hour.

The Bishop then introduced to the convention the Rev. Churchhill J. Gibson, Rector of St. James' Church, Richmond. Mr. Gibson spoke briefly on the Building Fund Campaign for the Virginia Theological Seminary.

The Rev. J. S. Cox presented the following report for the Committee on Canons, in regard to that portion of the Bishop's Address referred to this committee.

"Proposed amendment to Canon XVII Executive Council:

Section 1. There shall be an Executive Council of the Diocese, to consist of the Bishop, the Bishop Coadjutor, and the Bishop Suffragan, if there be such; nine clergymen, and nine laymen, to be elected by the convention; three lay women to be elected by the convention upon nomination by the Woman's Auxiliary.

Section 2. The Convention shall annually elect three clergymen and three laymen as members of the Executive Council, whose term of office shall be three years. It shall annually elect from those nominated by the Woman's Auxiliary, one woman whose term of office shall be three years. And no elective member of the Council shall be eligible for re-election until a period of two years shall have elapsed."

Mr. Kemp D. Battle then presented a Minority Report, favouring the adoption of the amended Canon as proposed in the Majority Report, but inserting the following additional sentence in Section 2: "The Negro race shall at all times be represented on the Executive Council, both in the clerical and lay order." The Rev. J. S. Cox moved the Majority report. After much discussion, it was defeated. The Rev. M. George Henry moved the Minority report. This was adopted by a two thirds majority.

Mr. M. D. Whisnant, Superintendent, submitted the report of the Thompson Orphanage by title and then spoke informally of the work at the orphanage. (p 131).

The Rev. F. Craighill Brown proposed certain amendments to Canon XXVIII and asked that they be referred to the Committee on Canons. So referred. (p 41).

The Committee on Canons presented an amendment to Canon XXI, sec. 3, as follows; being an addition to

section 3. This proposed amendment contains no new material, but gathers together data scattered through the constitution and canons. The amendment was adopted by a two thirds majority and the canon now reads as follows:

AMENDMENT TO CANON XXI

 - (d) It must employ and support a regular minister at a salary meeting the minimum diocesan requirements.
 - (e) It must not fail for two consecutive years to be represented at the Diocesan Convention.
 - (f) It must be subject to the constitution and canons of the Protestant Episcopal Church in the United States, and of the Diocese of North Carolina.
- (a) Article IX, sect. 1
 - (b) Canon XXI, Sect. 1, sub-section "Fourth"
 - (c) Ibid.
 - (d) Ibid.
 - (e) Article IX, Sect. 4
 - (f) Canon XXI, Sect. 1, Sub-section "Fourth"

This Amendment to become effective May 1, 1950.

The Report of the Standing Committee was read by Mr. Joseph B. Cheshire. A supplementary report, dealing with the Status of Parishes and Missions, was submitted by title. (pp 115-118).

The Report of the Executive Council was read by the Rev. Ray Holder, (p 120). On motion, a consideration of the budgets for 1949 was made a special order of business for ten o'clock on Wednesday.

Mr. A. L. Purrington submitted the Report of the Trustees. (p 125). This report was referred to a special committee, appointed by the chair, consisting of Mr. Frank Winslow. Mr. A. H. London and Mr. J. A. Mackie.

The Chancellor, Mr. Francis O. Clarkson, made his report. (p 149).

The Bishop presented to the Convention the clergy who had come into the diocese since the Convention of 1947. They are the Rev. George A. Workman, the Rev. Harvey W. Glazier, the Rev. Lloyd M. Alexander, the Rev. Treadwell Davison.

Nominations were then made, as in Rules of Order.

The Rev. Iveson B. Noland made the report for the Special Committee on the Bishop's Address.

This Committee, to which has been referred the address of the Bishop, has considered the address with reference to (1) Diocesan Boundaries, (2) Laymen's Association, (3) Evangelism.

(1) In the matter of proposed changes in diocesan boundaries, this committee proposes the following resolution: Whereas, the Bishop of the Diocese has called attention to existing discussion relative to change in diocesan boundaries, be it resolved that the Bishop appoint a special committee to study the question, and to confer with similar committees from the other North Carolina dioceses, if such be appointed, and to report to the convention of this diocese of 1949.

(2) Whereas the Layman's Association has opened to this church such imposing vistas of Christian missionary opportunity, and whereas its work among men has upheld the hands of our leaders, clerical and lay, Wherefore be it resolved that the Convention recognizes the significance of this movement, and commends the work of the Layman's Association to the co-operative interest of the clergy and the parishes and missions of the diocese. Be it further resolved that this convention recommend to the Executive Council of the Diocese, that a proper appropriation be included in the diocesan budget for the furtherance of the work of the Layman's Association.

(3) Whereas the National Church has, as its major project, EVANGELISM, and whereas this subject is of highest importance to every segment of the church today, be it resolved: that the Bishop create a Commission on Evangelism to organize and execute a program in this diocese in 1949, on a scale commensurate with our need for newness of life.

The convention considered these resolutions and action was taken as follows:

(1) The Chair suggested deferring action on this resolution until a communication from the Chancellor of the Diocese of East Carolina is presented. So deferred.

(2) Adopted, except that part dealing with finance which was referred to the Department of Finance.

(3) Adopted.

The Rev. William M. Latta presented the report from the Committee on the State of the Church.

The Diocese had a large increase last year in the number of confirmations over the average for the last four years. This forward trend should continue. It is disquieting to note, however, that in the four year period 461 persons were confirmed and apparently disappeared. If we take the communicant strength for 1943, add the total number confirmed, deduct the number who died, and compare the result with the number of communicants reported in 1946—the loss is 461. There is no figure to show how many were transferred in or out. And it may be presumed these balance each other. Such loss (461) should make us pause and consider what kind of pre-confirmation instruction is being given. More thorough initial instruction would make more loyal, active, and lasting church people.

The Church Schools have shown growth in numbers. And we feel will show rapid expansion as the ideas gained in the splendid conferences held by the Department of Religious Education, under the able leadership of the Rev. Henry Johnston, are put into use in parish and mission.

In 1946 the Diocese reported 70 clergymen and 46 rectories. Seventeen of these clergymen are listed as non-parochial. So there seem to be nine places where rectories are needed. At least one parish has corrected this deficiency in the past year and others should do so as soon as they are able. How many of these existing rectories are in need of major repairs or new equipment? Each parish should survey periodically its facilities and make long range plans to replace inadequate and wornout equipment in rectory, parish house, and church. Vestrymen as a rule do not have any idea of the physical condition of their plant, rectories especially. It is true that this is an expensive time for building or replacing. But it is the experience of those who wait beyond

a certain point that waiting may turn out to be even more expensive.

The publication of the Church Pension Fund: "Protection Points" for April, 1948 shows that the normal parish paying our minimum salary for married clergy (\$2,400) has 200 communicants and an income of \$7,000. We have ten or more parishes smaller than the norm given by Protection Points with married clergy. In some of these places inadequate salaries and uncomfortable housing has caused short tenure of clergy and long periods of vacancy. In times of shortage of clergy this naturally intensifies, since 1942 we have been in such a condition. Small and weak places cannot seem to draw or keep able or seasoned ministers long enough for plans to mature and /or be carried to fruition. As the clergy shortage grows more and more acute, the mission and small parish will have an even harder time carrying on. A larger percentage of the smaller parishes' income must go into current expense than in the large parish. Raising salaries means raising the quota. Since they often cannot afford both, the salary remains the same, and they are soon left vacant. Surely so rich a diocese as this can evolve some plan to lighten the load on small parishes and missions so that they can pay adequate salaries and construct useful plants, and thereby attract and keep able and experienced men.

The church needs *more*—active, working, praying, and giving, communicants to support its work, to progress, and to take its proper place in the life of this geographical area.

The Committee proposes the following corrective measures:

- I. A program of *lay* evangelism in every parish and mission in the diocese to bring in the unchurched.
- II. More pre-confirmation instruction.
- III. Parochial surveys of existing facilities coordinated with long range planning for expansion, extension, and improvement.
- IV. Lightening the quota load of small parishes where necessary so as to make possible the payment of adequate salaries, repair, and improvement of existing facilities, and extension to new fields.

For the Committee

Rev. W. M. Latta, Chairman

Item I. was referred to the Commission on Evangelism.

Item II. On motion, this was referred back to the Committee on the State of the Church.

Item III. On motion by the Rev. Gray Temple, this item was referred to the annual Clérgy Conference.

Item IV. This was referred to the Department of Finance of the Executive Council.

The whole report was then adopted.

The Rev. James R. Fortune, our Missionary to the Deaf, presented his report. It was read by the Bishop and signed by Mr. Fortune. (p 148).

The Convention then took a recess until 8:00 P.M. Evening Prayer was read by the Bishop and the Rector of the Parish. Dr. Richard L. Stone spoke on St. Mary's School and Junior College. An offering was received for the New York Bible and Common Prayer Book Society.

At 9:30 P.M., the convention reassembled for business.

The Committee on New Parishes reported that they had received the petition of St. Saviour's Mission, Raleigh, to be admitted as a parish. As the papers were all in order, the committee recommended that the petition be granted. The convention approved and the delegates from St. Saviour's Parish took their places in the convention. The delegates were Mr. J. A. Trowbridge, Mr. W. S. Dupree, Mr. E. L. Perry, Mr. Harvey Jones. The committee reported that they had received a similar petition from Trinity Church, Statesville and recommended that petition also be granted. This was done and the chair recognized as delegates Mr. J. J. Kiser, Mr. A. W. Fanjoy, Mr. J. A. Price, Mr. G. L. Corpening. The petitions of these two churches are on file with the Secretary.

The Chancellor, Mr. Francis O. Clarkson, presented to the convention a letter from Junius D. Grimes, Chancellor of the Diocese of East Carolina, concerning possible changes in diocesan boundaries. Mr. Clarkson offered the following resolution:

RESOLVED: THAT WHEREAS, there has for some time been discussion among the members of the Episcopal Church in the three Dioceses of North Carolina as to whether a change in the territorial limits of the three Dioceses would promote the best interest of the church and whether it would advance the work of the church to have two Dioceses instead of three Dioceses and whether if three Dioceses are retained it would be better to change the dividing line between the Diocese of East Carolina and the

Diocese of North Carolina and change the dividing line between the Diocese of North Carolina and the Diocese of Western North Carolina with the view of making the three Dioceses more nearly equal:

NOW THEREFORE, BE IT RESOLVED that a committee of six male members from this Diocese composed of three clergymen and three laymen be appointed by the Bishop of this Diocese during this convention to meet with like committees from the other two Dioceses in this state at a convenient place in the Diocese of North Carolina at a time within the next ensuing four months, the time and place of said meeting to be fixed by the secretary of the Diocese of North Carolina and each member of the respective committee shall be given not less than two weeks written notice of the time and place of meeting. Said committee shall jointly discuss carefully all phases of this matter and shall severally make recommendations to their respective Dioceses for such action as they think will best promote the interest of the Church in this State. Said recommendations to be sent promptly to the Bishop or other ecclesiastical authority of the three Dioceses, to be considered by the Dioceses respectively at their next annual conventions.

RESOLVED FURTHER that copies of this resolution be immediately sent to the Secretary of the other two Dioceses.

SECRETARY, *Diocese of North Carolina*

He moved the above resolution be a substitute for the first resolution, offered by the Special Committee on the address of the Bishop (p 30). After considerable discussion, the motion carried. Mr. Clarkson agreed to notify the respective secretaries of East Carolina and Western North Carolina.

At ten P.M., the convention took a recess until the following day.

SECOND DAY

At 7:30 AM, the Holy Communion was celebrated at St. Peter's Church, the Bishop being celebrant, assisted by the Rector, the Rev. Robert L. Crandall.

Breakfast was served in the parish house by the women of the parish.

At 9:30 AM, the convention reconvened. The reports of the Historiographer (p 134), Camp Delaney (p 154), St. Agnes' Hospital (p 150), were submitted by title.

The Report of the Special Committee on Increased Episcopal Supervision was then presented by the Rev. F. Craighill Brown.

The special committee which was ordered by the Convention of 1947 to "study the whole matter of the need for increased episcopal supervision and to report to the Convention of 1948" has made careful study of this question and begs to report as follows:

There is now, and there has been for some time, need for assistance to the bishop of this diocese. For too long there has been laid upon him the burden and responsibility of more work than should be required of one man or than can be borne by one man without grave strain. We are deeply sensible of the fact, and grateful to Almighty God for it, that He has blessed our bishop with such strength and vigor, such wisdom and tact and vision that he has been able to bear in a remarkable manner this burden of responsibility and labor which is beyond the capacities of most men. For fifteen years he has, with notable success, carried on a work which is greater and more exacting in its demands than that which was jointly shared by him and his predecessor in the office of diocesan. But it is not wise and it is not right that he should have to go on longer alone. For his own sake and for ours, that we may be assured of many more years of his devoted and effective ministry, the bishop should be relieved of some of "the care of all the churches."

Since the diocese in its present size and extent, not to speak of the many other claims upon the episcopal office that come from the Province and the National Church, now requires of its bishop the maximum of what can be expected of one man, the want of assistance to him is a handicap to advance work in the diocese. For any work beyond what is now being done must naturally involve yet more demands upon the bishop in the way of administrative and pastoral labors. Yet the time is now ripe for the Church in this diocese to reach out and take more vigorous action to exploit the opportunities before it. It is our solemn obligation before God to go forward with a well-conceived and aggressively executed program of expansion to reach more people and into more communities as well as to strengthen the Church where it now is at work. If we are to discharge that obligation we must provide assistance to the bishop so as to set him free from many of the details of episcopal supervision in order that he may be able to give of his time and his unique talents to larger matters of planning and policy and the spiritual building up of the diocese.

Such relief can be provided only by specifically *episcopal* assistance; for, while the office of a bishop of necessity parallels in many ways that of an executive in any large organization it transcends it in many more ways. A bishop is more than an administrator. He is the spiritual leader of a portion of the Household of God. Nothing less than a bishop can do the work of a bishop.

Therefore there ought to be aid given to the diocesan bishop in the form of an assistant bishop. In order that such an assistant may not be one more person to be directed, thus adding to the administrative problems of the diocesan bishop, but may rather genuinely and effectively lighten the burden by sharing it, he should be a coadjutor bishop to whom can be assigned definite areas of supervision and so, definite responsibilities.

The sooner such assistance can be provided, the sooner this diocese can be assured, as it earnestly wants to be, that, under the Providence of God, it can confidently look forward to many more years of the wise and effective episcopate of our present diocesan, and can boldly set forth on a more aggressive campaign for the extension of the Kingdom of God.

Your committee therefore presents the following resolution in the earnest hope that it will be favorably acted upon by this Convention.

Whereas, Because of the now increased extent of diocesan work and because of the opportunities before us for yet further increase and expansion there is now need for increased episcopal supervision in the Diocese of North Carolina; therefore,

Resolved, That a bishop coadjutor for this diocese should be elected as expeditiously as possible; and

That this Convention does hereby respectfully petition our Diocesan to give his consent to the election of a bishop coadjutor, and to seek the consent of the Bishops and Standing Committees of the several dioceses to such an election for the reason of the "extent of diocesan work" as provided for in the canons.

Respectfully submitted,

F. Craighill Brown, Chairman

Mr. Brown, in behalf of the committee moved that the attached resolution be adopted. The Rev. Clarence R. Haden, Jr., moved as a substitute, that the question of Episcopal assistance be deferred until the next conven-

tion, until after the report on Diocesan Boundaries has been received. After considerable discussion, the substitute was defeated. In further discussion of the resolution of the Special Committee, the question was asked if a Suffragan Bishop instead of a Coadjutor had been considered. The Chairman of the Committee explained that a Suffragan Bishop would not meet the need of the diocese. The resolution was then carried. The Bishop then made a statement expressing his gratitude to the committee for its thorough work and also to the convention for its apparently unanimous resolution. In compliance with the convention's resolution, the Bishop said that his best judgement as to the time element was that he was willing to give his consent to the election of a Bishop Coadjutor for reason of extent of work; and that assuming the consent of the Bishops and Standing Committees, the Bishop Coadjutor be elected at the regular diocesan convention of 1949. The reasons for not proceeding faster are (1) No provision is included in the proposed budget for 1949; (2) The uncertainty of economic conditions; (3) The possibility of realignment of diocesan boundaries.

Budgets were then considered. Mr. George L. Irvin, Chairman of the Department of Finance, asked that Mr. E. B. Dixon first be called upon to give the report of the Treasurer of the Diocese, the Security National Bank, for the year 1947, before he presented the proposed budgets for 1949.

The Rev. David W. Yates moved that the \$2,588.36 which was transferred from the Program Fund to the Church's Program Reserve Fund, be withdrawn from that fund and given to help meet the deficit in the 1947 budget to the National Council. After much discussion, the resolution was lost by a vote of 96 to 65.

Mr. Irvin then presented the budget for 1949, of the Episcopal Maintenance fund amounting to \$20,633.93. Budget adopted. Mr. Irvin then presented the budget for 1949 of the Church's Program Fund, amounting to \$97,778.30. Mr. Purrington moved that the Missions item in the Church's Program Budget be increased by \$20,000. It

was resolved that further discussion of the budget be postponed until a report of the Special Missionary committee could be considered. Mr. Purrington withdrew his motion until that time (p 39).

The Bishop appointed the following committees. *On Pension Fund*; Mr. Allen Langston, Mr. Francis E. Winslow, Mr. Armistead Maupin.

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

Brethren of the Clergy and Laity:

I welcome you to the 132nd Annual Convention of the Diocese of North Carolina.

It is impossible to meet in this venerable parish without being conscious of the remarkable record of achievement which gives almost unique distinction to the history of St. Peter's Church. Since the Convention last met here, eight years ago, this parish has observed its one hundredth anniversary. It was a century of almost unparalleled programs in Missionary expansion and institutional development. It is a tale that needs to be frequently retold lest we forget the noble deeds that succeeding generations of loyal Churchmen have wrought in this place. There is and has been here an inexhaustible spiritual vitality out of which have sprung parish after parish, mission after mission, hospital after hospital, a boy's school that became the Orphanage.

In the Old Testament story, the cruse of oil was poured out again and again, but never failed. Such has been the experience of this parish. Repeatedly, through the years, St. Peter's has given her strength, not to be weakened, but to become stronger than ever before. Continuously St. Peter's has given liberally of her wealth to speed the Church's work and, in consequence, is not impoverished, but rather is operating with the largest budget in her history. We could not ask for a more impressive illustration of the fact that the resources of God are not a reservoir, but a well spring from on high. We are happy to meet, and mingle with people who, despite an honorable record, enough to give them distinction in any diocese, are never content with what they are, nor satisfied with what they are doing. In such an environment, we hope to extend our horizons to include all nations and kindreds and tongues, and deepen our vision of Him who is enthroned above the nations of the earth.

NECROLOGY

You will recall that in our Convention last year, at the Church of the Good Shepherd, Rocky Mount, we stood for a moment in prayerful silence and thanked God for the good examples of his faithful servants, William Jones Gordon and Josiah Tidball Carter, Priests of the Diocese, who were called to the higher life only a few weeks before our annual gathering. Although they died within the period covered by this report, we shall not again attempt to estimate the value of their ministries or the rich influence of their lives. It must suffice to say that their names are inscribed affectionately in our scroll of memories and enrolled forever in God's book of life.

SUMMARY OF OFFICIAL ACTS

During the year, within the Diocese, I have made 113 visitations, celebrated the Holy Communion 30 times, confirmed 772 persons who, together with the two additional confirmed by Bishop Darst and Bishop Wright, make a total of 774 confirmations. Of this number, 65

were Negroes and four were from the Deaf congregations. I officiated at eight baptisms, 12 funerals, 10 weddings and 14 other services. I ordained to the Diaconate 2 Candidates for Holy Orders and advanced four Deacons to the Priesthood. I issued 59 Lay Reader's Licenses, preached 86 times and delivered 47 lectures and addresses. I held 157 conferences with individuals and groups and attended 72 meetings of committees, Departments and Boards of Trustees. I consecrated two church buildings, St. Titus', Durham, and St. Mary's, High Point.

Outside the Diocese, I preached nine times and made three addresses, held ten conferences and attended nine committee and commission meetings. I also attended the Installation of the Presiding Bishop in the Washington Cathedral.

THE HOUSE OF BISHOPS

I cannot refrain from referring to one event of extraordinary historical importance that occurred last year. The House of Bishops met in this diocese for the first time. The host parish was St. Paul's, Winston-Salem. The meeting lasted four days, November 4-7. The perfection of every arrangement for the entertainment of this distinguished body, the completeness of all appointments and facilities, the warm spirit of friendliness and gracious hospitality extended by the Rector, the Rev. James S. Cox, and his congregation, not only made this a memorable meeting in the opinion of the House of Bishops but also secured for this Diocese a good name and a favorable esteem on the part of the whole Church.

DIOCESAN BOUNDARIES

During the past year, I have occasionally had reason to think that some discussion was going on concerning the boundary lines on our eastern and western borders. So far as my knowledge extended, this discussion was limited to a few localities and to a small number of individuals. It may have been more general than I was a-

ware. The three or four communications on the subject that I received were of a personal nature, entirely informal and reflected only the opinion of individuals. They afforded excellent examples of our belief in the untrammelled freedom of speech and press. I have made no official utterance on this subject out of deference to this body, for any action that might contemplate even the slightest shift in our diocesan territory is of so serious a nature that it should originate, not with me, but with this Convention. The last time the question of realigning our diocesan boundaries received the official attention of this body was in 1935, when the Convention adopted the report of its Special Committee to the effect that the boundaries of this diocese should remain unchanged.

I see no reason why this subject should be reopened. In saying this, I do not mean to influence the judgment of this Convention if you should decide it is desirable to revive the discussion. If, in the opinion of this body, there are good and sufficient reasons why this whole issue should be re-examined, I would, of course, acquiesce in your wishes. In such case, however, I would want it to be understood that this acquiescence has reference only to any new study of the subject that may be undertaken by a Special Committee, and does not apply to any findings or recommendations that such a committee may offer a year from now. My consent to the reconsideration of this subject now must not be construed as my canonical approval, at any future time, of any readjustment of diocesan territory that may be proposed. The clearly delineated responsibility of the Bishop in such matters has prompted me to speak frankly.

DIOCESAN EXECUTIVE COUNCIL

In the administration of the business of the Diocese, the Executive Council is becoming an increasingly important and responsible body. It was formed by the action of this Convention in 1921. The pattern of its organization was that of the National Council that had been creat-

ed by action of the General Convention in 1919. The Canon under which our own Council operates has been changed in a few minor details only since it was originally adopted 27 years ago. In the meantime, the work of the Church has expanded, and many new activities have been started to an extent that now warrants, it seems to me, the enlargement of the Executive Council. From the beginning, the Council has had 16 members: 6 clergymen; 8 laymen, with the provision that one of them shall be a Negro; 3 women and 1 representative of the Young People's Service League. These members are elected by this body on a rotating system, and are annually assigned by the Bishop to the several departments. Since the number of Departments has increased in recent years from five to seven, while the membership of the Council has remained stationary, it now becomes necessary for some members to serve on two departments. This is practically impossible for anyone to do with the degree of efficiency that the work requires. To meet this condition, I would suggest an amendment to the Canon that would increase the membership of the Council to a point that would enable this body to function to the highest degree of efficiency.

I would also like to see this same Canon (No. 17) further amended by the deletion of the present provision that one member shall be a Negro. This is, in my opinion, an arbitrary and unnecessary clause, and does not properly belong anywhere in the Canons. It is a limitation upon the free action of this Convention. I am sure that this body, as I have come to know its mind and spirit from year to year, can be trusted to elect to membership on our Council those clergymen and laymen who are best qualified to serve the Church in its administrative responsibilities. The deletion of this clause would inject into this Canon a new element of sincerity, and would also certify to the spirit of unity and cooperation that now prevails in this Diocese.

I request that these suggestions be referred to the Committee on Constitution and Canons, with a view to

action by this Convention on these points before nominations are in order.

LAYMEN'S ASSOCIATION

This is the time when we should attempt to survey the many phases of an active diocesan program and try to appraise, in all sincerity, its points of weakness and of strength. I wish it were possible to give due praise to all the devoted and successful endeavors now going on in North Carolina. If I might select one phase of our Church's life for special comment, it would be the Laymen's Association. Here, in my judgment, is the great potential in the Church today. There are between four and five thousand men in this diocese whose relationship with the Church is not as significant and vital as they would like it to be. In most parishes, only a handful of men in official positions like vestrymen, or those with special talents like music and teaching, are even measurably engaged in the life of the Church. The great, silent majority contribute their money to the Church and attend its services. They regret this remote and occasional affiliation with those spiritual intangibles that make life more than eating and sleeping and endless toil. Superior capabilities such as earnestness, intelligence, loyalty, conviction, have not found a satisfactory channel of expression in the Church comparable with the initiative and achievements of men in other fields of endeavor. The most incalculable extravagance that can be charged against the Church today is the continuous waste of the average layman's abilities. The most significant effort to release and direct this reservoir of spiritual energy is the Laymen's Association. Its development during the past year has been, I think, the most encouraging single event in this Diocese. The leadership of the President, Mr. William H. Ruffin, has been superior in every way. The continued cooperation of Mr. Ted Gannaway, Provincial Keyman, has been invaluable. The effort of the Association during the past year has been largely structural. In

many localities, the laymen have become permanently organized. A sense of fellowship has been experienced. The vastness of the work that the Church might undertake has been envisioned. Local and diocesan objectives are being more clearly defined. This stirring of the Spirit of God in a great multitude of intelligent, earnest Churchmen, not only in this Diocese, but elsewhere generally, may be the beginning of a new movement, on an unprecedented scale, engaging spiritual energies hitherto untried, but equal to the task that must be done if the Church is to "be the Church" in a decisive hour of human history. I hope this Convention will recognize the significance of this movement that is going on all around us, and will take such action as its judgment may direct, to commend the Laymen's Association to the cooperating interest of all the Churches of this Diocese.

EVANGELISM

The major project to which our Church is devoting its most earnest effort today is Evangelism. The term, at first thought, does not greatly stir our enthusiasm. It is said that "a word is known by the company it keeps", and this word troops along in our minds with unimpressive associations. We think of occasions overheated with sentimental music, emotional haranguing from the pulpit, and serious decisions made superficially under the pressure of mass psychology. We do not mean to speak disparagingly of the evangelists of bygone days. They made a needed and helpful contribution to their generation. They were sincere men with an earnest message for their day. They changed the lives of countless people. They did immeasurable good. But the methods they used are now obsolete. The techniques of yesterday's evangelism are good weapons grown blunt with honorable use. The Gospel is always modern. Christ is always a contemporary. Evangelism, therefore, is forever relevant to up-to-the-minute problems. For it is a re-affirmation of the basic truths of the Christian Gospel, intelligently applied to

modern conditions, with a simple faith in Christ's transforming power and in the creative influence of the Holy Spirit. To "do the work of an evangelist" is to tell the old, old story of God's love with a new accent, that is, with the intelligence of reverent Biblical scholarship, with the subtle insights of modern psychology, with the assurance that truth is applicable to every phase of individual and corporate life, and, this above all, with the sure confidence that through the Gospel implanted in the hearts of men, God is reconciling the world unto Himself.

In view of the importance and timeliness of this Church-wide endeavor to re-proclaim the basic doctrines of the Christian faith, I ask that this Convention create a Commission on Evangelism to organize and execute a program in this Diocese in 1949 on a scale commensurate with our need for newness of spiritual life.

The Executive Council of the Diocese of North Carolina has met four times at the Bishop's residence, in Raleigh, during the past year.

At the June 19 meeting, Members of the Council were appointed to serve on the departments, which were organized immediately.

\$250.00 was authorized as a donation from this diocese toward the purchase of property in Greenwich, Connecticut, for the establishment of the Presiding Bishop's residence and national headquarters of the Church.

Tribute was paid to a former member of the Council, Mr. Richard H. Lewis, of Oxford, for "prominent and conspicuous" life as a churchman of this diocese.

At the September 17 meeting, plans for the Every Member Canvass, including four regional "vestry-suppers," were outlined by the Chairman of the Department of Promotion.

Approval was granted (1) For the building of a rectory for the missionary to the deaf, in Durham; (2) Solicitation in the

diocese for a church building in Thomasville; and (3) A church building in Kannapolis.

The Bishop was asked to appoint a Diocesan Committee on Evangelism.

The Council recommended that the Diocesan Convention approve a "Commission on Art and Architecture" to be appointed.

The Council took no action on the Presiding Bishop's Plan for Evangelism involving nationwide publicity and an "Episcopal (Radio) Hour."

The Department of Missions was instructed to fix amounts of travel needs of clergy serving diocesan missions.

At the January 13 meeting, the Diocesan quota of \$26,500 in the National Church's 1948 budget was accepted.

The Council requested all mission and parish treasurers to remit funds for all objects approved by the Executive Council or Diocesan Convention through the Diocesan Treasurer.

Permission was granted for solicitation of funds for building Chaplain's home at Saint Augustine's College.

\$2,715.50 balance in Department of Christian Education was allocated for improvements at Camp Delaney.

The Council was notified that Miss Eleanor Snyder had accepted the position of Diocesan Director of Religious Education.

The Council expressed the unanimous hope that the Bishop would attend Lambeth Conference in the summer.

At the April 21 meeting, Dr. Richard G. Stone, President of Saint Mary's School, spoke to the Council regarding financial conditions at the institution.

The Department of Finance's request that insurance premiums on closed or dormant churches be met from any surplus in the Episcopal Maintenance Fund, was approved.

I move that the Convention's consideration of the budget for 1949, as presented by the chairman of the Department of Finance, be made the special order of business for Wednesday (tomorrow) at 10 o'clock.

ON MISSIONARY STRATEGY AND POLICY

The special committee appointed by the Bishop at the Diocesan Convention of 1947 to make a full survey of the present missions of our diocese and the possibilities of expansion in urban and rural areas was made up of the following, appointed by the Bishop: The Rev. M. George Henry, chairman; the Rev. Gray Temple, the Rev. Othello D. Stanley, Mr. Clary Holt, and Mr. J. E. Simmons, Jr. The committee in its several meetings considered the diocesan program under the following headings: present work; expansion work.

I. Present work—the present work might for convenience sake be divided into several specific types of work, but in the main we feel that the problems faced in all types of work are the same.

A. THE WORK AMONG THE DEAF—under the Rev. James R. Fortune.

Mr. Fortune's work is very extensive and involves a great deal of travel. It is a highly specialized type of work and should be recognized as such. In view of the extensive travel required by this work, we feel that a definite travel allowance from the diocese should be allowed Mr. Fortune. We further urge that all efforts be made to complete the proposed rectory for our diocesan missionary to the deaf.

B. NEGRO WORK.

There are twenty churches for Negro congregations listed in our diocesan journal for 1947 (St. Matthias, Louisburg, is listed both as an organized and unorganized mission). Apart from these congregations there are three institutions: St. Augustine's College, the Good Samaritan Hospital of Charlotte, and St. Agnes Hospital of Raleigh. In our diocese there are seven clergymen. Of the seven clergy, three of them have charge of only one church; one serves a parish and two missions; one serves two missions; and one serves three missions. It is obvious, then, that nine of our Negro congregations have no priest assigned to them. Good Hope, Mecklenburg County no longer exists and should be marked out of the Journal. There have been no reports from it in years. This leaves eight actual congregations who may have services periodically or who are served only in part by Negro priests. They are: St. Titus, Durham, vacant since 1945; St. Matthias, Louisburg and Resurrection, Henderson, in charge of a layman. St. Luke's, Warren Co. All Saints', Warrenton, and St. Anne's, Littleton, vacant since August 28, 1943; St. Philip's, Salisbury (served as a necessary sideline by the Rector of St. Luke's, Salisbury).

The needs of this phase of the diocesan work are fairly obvious:

1. Clergy: There are needed at least four colored priests to be placed as follows: a priest at Warrenton to serve All Saints',

Warrenton, St. Luke's, Warren Co., and St. Anne's, Littleton. A priest to serve in Durham and Pittsboro. Assign Henderson and Louisburg to Mr. Stanley and have him live in Oxford. Assign St. Philip's, Salisbury and Holy Cross, Statesville, to a priest.

2. Travel Allowance: In every case the present clergy felt that the travel allowance was insufficient. A definite mileage basis for travel allowance should be made and a request for travel allowance placed with the Department of Missions each year. The missionaries receive pitifully small salaries and should not be forced to carry their travel expenses.

3. Buildings: In every field it was felt that there should be improvements to the physical plant. We feel that the time has come when the diocese might well set up a Building Fund to be administered by a special commission of the diocese under the direction of the Department of Missions. Missions might borrow at little or no interest up to one-third the cost of their buildings for improvements.

C. WHITE WORK

This work might be broken down into such headings as farm communities or industrial communities, but the problems are the same. There are fifty-five missions listed in the Diocesan Journal of 1947. One, Holy Trinity, Townesville, was a parish in 1944 but has since 1946 been listed as an unorganized mission. This does not include those churches which are not listed in the 1947 Journal but were listed in the 1944 Journal: All Souls, Ansonville; Emmanuel, Stoneville; Ascension, China Grove; St. Saviour's, Macclesfield; St. John's, Madison; Heavenly Rest, Middleburg; St. John's, Salisbury; St. Joseph's, Spencer; St. Gabriel's, Selma.

It is a condemnation upon our Church that within a short space of time we mark off nine churches and fail even to list them among the Churches of the diocese. In some cases the property has been sold. In some cases we still have the property but in not one of these cases have the Methodists, Baptists and other groups failed to put up substantial Churches. As we view it, unless something drastic is done to our whole missionary policy, we can find some ten years hence that we have marked off as closed a good number of Churches. We are saying to the world that our Church has nothing to offer in certain areas of our State.

The vacancies as of April 1st are as follows: Eight parishes are vacant and there are twelve missions with no assigned priest. The vacant parishes are: Advent, Enfield; St. Clement's, Ringwood; St. Luke's, Spray; Calvary, Wadesboro; Grace Church, Weldon; Church of our Saviour, Jackson; St. Mark's, Halifax; St. Mary's, High Point.

The twelve missions with no assigned priest are: Calvary, Burlington; St. Andrew's, Trollingwood; St. Joseph's, Durham; Messiah, Mayodan; Trinity, Mt. Airy; Good Shepherd, Ridgeway; St. Mary's, Rockingham Co.; St. Andrew's, Rockingham Co., St. Mark's, Roxboro; St. Andrew's, Durham; Galloway Memorial, Elkin; St. Martin's, Knollhurst.

This gives the following picture: Eight vacant parishes and twelve missions with no assigned clergy. The need for clergy is quite evident, but it is even more desperate when we consider another side of the picture. There are one hundred white parishes and missions in the diocese that are still considered active. There are forty-six clergymen to serve these hundred places. Of the forty-six white clergymen, twenty-two serve only one Church, leaving twenty-four clergymen to try to serve seventy-eight Churches. Many of those serving more than one Church are doing so even though at present they have a full time opportunity in a parish. Some are serving as many as three Churches over too wide an area and in these cases the division of a man's time makes it impossible for him to do a constructive piece of work in any one of the Churches assigned to his care.

In other cases we are failing to meet tremendous challenges. For example, Kannapolis by a recent census had 35,000 people with 15,000 people having no Church connections. The man in Kannapolis serves not only Kannapolis but another parish and mission in Salisbury, so that we are making an impression upon Kannapolis with one-third of a man's time.

The work in Kannapolis might be compared to allowing one-third of a man's time for a town the size of Rocky Mount, North Carolina. While we are failing to meet the opportunity in this growing community, the other Christian groups are putting up large Churches and have memberships in their congregations larger than any of our city parishes. We can hardly see why some of our missions have survived at all. It is due to the loyal support of our mission people in the face of indifference so far as expressed in diocesan policy. In the past four years we have marked off as failures nine Churches and ten years hence, unless we change our policies and begin to actually meet the missionary challenge in our own State, we will mark off a goodly number which we now consider active. We will sell our property to the Methodists and Baptists and they will build flourishing Churches.

1. Clergy: To meet the clerical need the following is suggested: A priest at Mt. Airy to serve also at Galloway Memorial, Elkin; a priest to serve Christ Church, Walnut Cove and German-ton, a priest to serve Mayodan and Knollhurst; a Rector for St. Luke's, Spray; a Rector for Calvary Church, Wadesboro; a priest to serve the parochial missions of Burlington; a priest to live in

Thomasville and serve Fork; a priest to serve St. Joseph's, Durham and St. Andrew's; a priest of St. Mark's, Roxboro to serve Milton and investigate possibilities at Yanceyville; a priest to serve Townesville, Ridgeway, and supervise the re-building of the Church at Williamsburg; a Rector at Enfield to serve Ringwood; One man for the Tarboro field; a priest to serve St. Mark's, Mecklenburg Co. and continue the work in Davidson. A priest for the Weldon, Halifax and Jackson area. A Rector for the Church at High Point. This means fifteen priests are needed to carry on our present work with possibilities for work in two new areas: Randleman and Yanceyville.

2. Travel Allowance: The travel allowance was felt inadequate by our present missionary clergy and as in our other work, we feel it necessary to set up some definite travel allowances to be asked for by the missionary clergy and assigned by the Department of Missions each year.

3. Buildings: In certain of our congregations there will be a need for a building fund to which congregations can go to borrow money for improvements. The same rules of not over one-third the cost of the building should apply.

4. Supervision: a. Personnel: Many of our missions are served by men recently graduated from the seminary. Young men enter these fields with no experience and have been given very sketchy supervision either by the Bishop or by some priest to whom the deacon is assigned. This assignment amounts to little or nothing in most cases. The inexperienced minister knows nothing about diocesan organization, program, finance. He knows nothing about parochial or mission organization, planning, program. He is, at a loss as to how to bring people to confirmation or baptism. We feel that there should be much closer supervision of all of the missionary clergy. Some of the older clergy have been so long in the mission field that they are discouraged; their initiative is blunted and so our missions go along in about the same old way. In many cases a few suggestions, a little encouragement and a friendly supervisor could make all the difference in the world.

5. FINANCIAL: A much more thorough supervision of missionary finances we feel should be made by the Department of Missions. The minimum salaries as set up in the past should be much more closely adhered to for all clergymen under the retirement age. Many of our missions have been pauperized because they felt sure the diocese would support their own minister. The Department of Missions should during the year visit each mission and sit down with the leading members of that mission to determine their part in the support of the missionary. In those fields where there is a nominal parish, that is, one whose Rector receives part of his support from diocesan funds, the Churches should be treated

by the Department of Missions as missions and their budgets should be carefully scrutinized by the Department of Missions. Some gradual plan for the full assumption of the clergyman's salary by the local congregation should be worked out where possible. We feel an outsider should assume this responsibility rather than the missionary clergyman. It is not fair to force any clergymen to beg for his salary. He is a diocesan missionary and it is the responsibility of the diocese to solve these financial problems.

RECOMMENDATIONS.

- I. We recommend that the Diocesan Department of Missions be strengthened in the following manner:

That 5 men be appointed annually as associate members of the Department of Missions, these men to be selected as far as is feasible from various sections of the diocese.

The Department of Missions shall report annually to the Diocesan Convention on the following items:

Expenditure of diocesan funds for missionary purposes.

Any and all vacancies in missionary fields existing at the time of the report.

Any and all personnel changes among missionary clergy during the year.

Growth or decline of any mission, with specific reference to any significant changes.

Plans for the missionary program for the ensuing year, to include but not to be restricted to finances, personnel, physical property, new work, etc.

Request the Bishop of the diocese to prescribe the form to be used for the quarterly reports from mission clergy to the chairman of the Department of Missions, as required in Canon 19, Sec. I.

In accordance with Canon 19, Sec. II, before any diocesan funds are assigned to the support of a mission clergyman, the Department of Missions shall meet with representatives from the mission or missions under the said clergyman's care and work out a financial plan for the ensuing year.

Consult with the Bishop on the possible rotation of mission clergy in the diocese.

- II. We recommend that the Department of Missions be empowered, after conference with a mission clergyman, to award allowance of 5c per mile up to and not to exceed \$50.00 per month to missionary clergymen.
- III. We recommend that the Bishop appoint a committee to investigate the advisability of setting up a Diocesan

Building Fund; to be available for use by the missions of the diocese under the direction of the Department of Missions.

- IV. We recommend the establishment of 2 archdeaconries in the diocese of North Carolina and recommend the appointment of 2 archdeacons to supervise the missionary work in these respective districts, under the direction of the Bishop.
- V. We recommend that the Department of Missions complete the investigations commenced by this committee, and take action in promoting the establishment of new work in the following places where our study leads us to believe this work should be undertaken:

Charlotte: There is a possible need for another new parish.

Durham: An expressed need for a suburban mission.

Raleigh: Steps have been taken in the direction of the establishment of a new parish.

Rocky Mount: There has been a need expressed for a new parish in this city, and the Church of the Good Shepherd is considering this need.

Salisbury: There is a real need for a local Rector in St. Paul's, Salisbury, who might serve St. Peter's Church and reopen the work in Spencer.

Greensboro: There has been suggested that a survey be taken of the mill communities of this city to ascertain the possibility of some work in these communities.

It has been suggested that missions be placed in both Yanceyville and Randleman.

REPORT OF THE BOARD OF MANAGERS OF THE THOMPSON ORPHANAGE

I am sure that the primary interest of all of you is to know about our work with the children who live here at the Thompson Orphanage. The past year has been an eventful one—a year in which the Orphanage has seen many changes. Twelve children were discharged from the Orphanage. One of the twelve was admitted when she was fourteen months old and knew no other home for eighteen years. After completing her education she secured a job and a place to live and was discharged from the Orphanage. Another girl who was discharged had lived here for fourteen years, another thirteen. These children are fine examples of the permanent type of care the Orphanage offers to homeless children. At present there are seven boys enrolled in college who were formerly cared for by the Orphanage. Two girls are training in beauty school. Every effort is made to see that each child

decides on his future work and plans his course of study to prepare for that work. This year seventy-nine children are attending the public schools. As a group they rate above the average student and many will achieve the rank of honor student. As in every group, there are some who are slow to learn and to these children the matrons devote more time in nightly study halls.

In addition to their school work, which is given first place during nine months of the year, all of our children have jobs to do in their cottages and in helping to run the Orphanage as a whole. They are usually too busy to get into any mischief and it isn't always work that keeps them busy, either. They have many forms of recreation and pleasure. The girls' work doesn't show concrete results as much as the boys', perhaps because of the nature of their work. They work two afternoons each week in the laundry—doing the weekly laundry for the whole institution. They also work every night and morning in the kitchen and dining room—assisting in every possible way to serve the meals and keep the dining room clean. These are tasks which must be done over and over again and yet are still as important in every way as producing farm products.

During 1947 the boys produced a total of \$16,216.87 worth of farm produce, including 12,234 gallons of milk. At the present time we have a registered Jersey herd consisting of 17 milch cows, 20 heifers, and one male. In 1945 Mr. George Poston gave the Orphanage three registered Hereford beef cattle and later discussed with the Executive Committee the matter of establishing a registered beef herd for the Orphanage. With their consent he contacted interested friends of the Orphanage who supplied us with enough money to bring the herd up to seven cows and one bull. We believe this herd will be sufficient to produce enough meat to take care of the Orphanage needs.

We also have an active 4-H Club composed of both boys and girls. The boys have had projects in dairy calves, chickens, pigs, gardens, and wild life. They entered fourteen calves in the Piedmont Jr. Calf Show and won three second and eleven third prizes. In the chicken show we won first prize and in the pig show third prize. The theme of the 4-H Club booth at the Southern States Fair was "Living at Home" with which the children won a prize of \$30.00. In 1948 we hope to be able to carry out some of the plans for the farm which have been deferred in the past because of lack of equipment and funds. A generous gift from a friend of the Orphanage has made it possible for us to buy farm equipment which will increase the productivity of our farms.

The financial report has been presented in detail in the form of a mimeographed report. I would like to add to it the fact which all of you already know—everything from soap to fuel is steadily

increasing in price. It is impossible to even have plumbing repairs made without paying very high prices. In every instance possible we make our own repairs, such as carpentry work, simple electrical repairs, and as many plumbing repairs as we can. I would also like to comment on the fine increase in the Orphanage income which has enabled us to make extensive improvements to the Orphanage plant.

At the end of 1940 a total of \$24,301.93 had been received and a total of \$33,158.20 had been spent. Every year it was necessary to run the Orphanage on borrowed money until the Thanksgiving Offering was collected. The offering was then used to pay off the loans and the balance was used to pay expenses as far into the following year as possible after which time it would be necessary to borrow again. In 1946 we had a balance to be carried forward of \$15,708.58 and the balance to be brought forward this year was \$27,018.41. In planning for the future our Executive Committee raised a Revolving Fund of \$18,884.31 of which \$10,000.00 is invested in bank certificates. The purpose of this fund is to serve as a backlog if a time should come when the Orphanage needs to borrow money for current expenses.

Every day the Orphanage receives calls for help—in most cases the children applied for have both parents living but are products of broken war marriages. These cases are pathetic and need help, however the fact remains that they do have someone to provide for them while there are hundreds who are destitute with one or both parents dead and no other place to go. The children cared for in 1947 were divided as follows:

Diocese of E. C., Quota	26	Diocese of W. N. C., Quota ...	8
Total cared for	24	Total cared for	10
Discharged	1	Discharged	2
Admitted	7	Admitted	0
Now here	23	Now here	8
Diocese of N. C., Quota	56	Entire State, Capacity	90
Total cared for	63	Total cared for	97
Discharged	9	Discharged	12
Admitted	11	Admitted	18
Now here	54	Now here	85

At the present time we have forty-three girls and forty-two boys, which means that the Orphanage has almost reached its capacity. We consider every case that is brought to us and offer our help to the most needy ones, which we feel is the real purpose of the Orphanage.

The Orphanage is deeply indebted to the St. Peter's Hospital Foundation and the local doctors for keeping the children in good health. The physical condition of our children ranks far above the

average as a result of their care plus the regular routine, good food, and the diligence of our staff.

In closing I would like for all of you to know how pleased I am with our present fine staff which is the best, in my opinion, since I have been at the Orphanage. Much of the credit for the progress and improvement of our children is due to the good work of the staff members.

REPORT OF THE HISTORIOGRAPHER

During the past convention year assistance has been given in the preparation of histories of two parishes in this Diocese. I made an inventory of certain papers and pamphlets belonging to the late Alexander B. Andrews which were subsequently deposited in the libraries of the Church Historical Society, Philadelphia, and the University of North Carolina. Biographical information was furnished Dr. Walter H. Stowe, President of the Church Historical Society. Several other requests for information about the history of the church in North Carolina were given to individuals in the course of the year.

Woman's Auxiliary Conference—August 10-15—Directed by Mrs. H. C. Bourne of Tarboro, N. C., President of the Auxiliary.

Laymen's Conference—August 15, 16, 17—Directed by Mr. Hugh B. Campbell of Charlotte, N. C., retiring President.

Leadership Training Conference—August 18-23—Directed by Rev. Henry Johnston, Jr., of Oxford, N. C., Director of Christian Education for the Diocese.

Youth Conference—August 24-30—Directed by Rev. Robert W. Turner of Warrenton, N. C.

All Camps except Cheshire Senior were well attended, the only vacancies being due to last minute cancellations. Changes have been made in an effort to assure capacity attendance in all camps in the future. All Camps were competently directed and staffed. Faculties and courses were well presented and well received. Extra-curricular activities were good and closely related to the general program. No change seems indicated except for the minor revisions above-mentioned.

The Conferences met with enthusiastic response. Courses and programs were well presented and received. Except for the Laymen's and Auxiliary Conference all were fully attended, and those attending those two Conferences were enthusiastic in their plans to have full attendance in 1948. The Young People's Service League Convention and the Youth Conference met good response. The only suggestion for change was that the young people be given a more active and controlling part in programs, particularly at the Youth Conference. Leadership Training reached an all-time high in attendance and interest.

The Laymen's Conference was expanded to a full week-end with a full program of speakers and recreation and inspirational and devotional services. Those who attended were enthusiastic in their demands for a continuance of the week-end Conference. It opened at 6 P. M. on Friday with an excellent supper followed by the usual preliminaries of welcome and a splendid address by Dr. Clifford Lyon of the University of North Carolina. Saturday morning's program with Mr. Ted Gannaway and Rev. Harding Hughes as speakers was so enthusiastically received that the men unanimously voted to continue the session an extra hour. During the afternoon most of the men took part in the recreation program, hiking about the Camp and up to Moore's Knob, swimming in the pool or fishing at Hanging Rock Lake. After supper Mr. George Laycock made an interesting and worthwhile address. The Conference concluded Sunday after dinner which followed the 11 o'clock service by Bishop Penick. There was an early Celebration that morning.

Many improvements were made in the physical plant. Among these were: Installation of a 500 gallon Essotane tank with two

new heavy-duty gas ranges at a cost of about \$900 paid by the Winston-Salem Foundation; installation of a mechanical bugle and public address system at a cost of \$220 given by Mr. James P. Armstrong of High Point; lobby and hall floors were covered with rubber tile at a cost of \$350 paid by gifts of those who attended the Conferences; all labor of leveling and sanding floors, replacing sills and piers was done by the permanent staff; stone steps were installed at the road and concrete steps at some of the porches; halls were painted and a staff sitting room was fitted out.

Certain changes were made in the distribution and allocation of costs to the end that expenses might be more accurately shared by the various camps and conferences. All departments and groups agreed that the revision was desirable in assuring maximum flexibility and minimum expense to all camps and conferences with an even distribution that will tend to level out attendance differences.

A new bookkeeping system was installed in accordance with the recommendations of Messrs. Wilson and Maddison, Accountants, following a detailed audit and study of the books for the 1947 season. This will eliminate labor and permit accurate analysis in order to keep service and facilities at maximum while holding costs to minimum!

Certified copies of reports of Wilson and Madison have been submitted in detail to interested Departments and the Executive Council. Summarized financial statement follows:

Cash on Deposit March 1, 1947	\$ 448.59
Receipts from Camps and Conferences, scholarships, campers insurance premiums, canteen and book store sales, chapel collections, advances from Vade Mecum Farm Account (Loan) gifts, etc.....	15,376.91
Total	15,825.50
Less-Disbursements—Wages, food, supplies, fuel, equipment, laundry, transportation, telephone, insurance, advertising, etc.	14,258.44

Cash on Deposit, November 2, 1947	\$ 1,567.06
---	-------------

This sum does not represent profit as it will be necessary to take care of certain normal depreciation and maintenance items, and of advertising and travel costs in promotion work for the coming season. Actually the season approaches the ideal of a non-profit institution with neither profit nor loss.

In conclusion I wish to express my appreciation to those who have assisted me in taking over this work. Among these are Bishop Penick; Rev. Thomas J. C. Smyth, my predecessor; the Directors of the various Camps and Conferences; the Permanent Staff for the

year 1947; the members of the Vade Mecum Committee, particularly Mr. Paul Fulton who has given freely of his time and his extensive knowledge of the food market as well as of his resources by way of contribution to various projects; the Department of Christian Education, particularly Rev. Henry Johnston, Jr., its Director; the Winston-Salem Foundation, particularly Mr. Charles E. Norfleet; the Department of Youth and the Executive Council; many individual men and women in the Diocese and this Convention.

REPORT OF THE PRESIDENT OF ST. AUGUSTINE'S COLLEGE

To the Rt. Rev. Edwin A. Penick, D.D., Bishop
and the Diocesan Convention:

St. Augustine's College is nearing the close of its eighty-first academic year since its establishment in 1867.

With the changing times the institution has constantly revised its program to meet the demands for Christian leaders in an increasingly complex society.

This year, for the first time, the offices of President and Chaplain have been separate. The religious tone of the institution, however, has retained its traditional emphasis. The President and Chaplain have cooperated in preserving the rich spiritual heritage of the founders and the line of consecrated souls who have given the College being and direction since its Charter was issued.

Special effort has been made to preserve the ideals and best practices which accrued to the institution during the thirty-five years of notable service of Reverend and Mrs. Edgar H. Goold.

The student body of 465, 181 men and 284 women, have come from 23 States, the District of Columbia, the Virgin Islands and the British West Indies.

Ninety-five of the total have been veterans of World War II.

Three African students have applied for admission next year.

The teaching staff is one of the most stable, from the standpoint of tenure, in the entire State of North Carolina. One member has served over a period of forty-two years.

The alumni are showing an increasing pride and tangible interest in their Alma Mater.

The plant has not yet recovered fully from material scarcities incident to the War, but progress is being made. The Thomas Building, a residence hall for Freshman girls, will be renovated during the summer with an appropriation of \$11,600 from the National Council, through the American Church Institute for Negroes. Valuable equipment and furniture have been received from the Bureau of Community Facilities of the Federal Works

Administration for the use of the veterans enrolled. The General Education Board recently appropriated \$25,000 toward a total of \$140,000, which is to be used to construct a Science Building. The grant is conditioned upon securing a like sum from other sources.

The Building Committee of the Trustee Board has given the property a thorough inspection with a view toward planning immediate and long-term needs.

Scholarship aid for needy and deserving students has been received from the Woman's Auxiliary of the Diocese of North Carolina, as well as those of East Carolina and Western North Carolina.

Other gifts have come from individuals and churches over a wide area.

The needs of the College are as multiple and varied as those of any other institution of its kind in a period of high costs, and the increasing demand of Negro youth for a higher education.

The College is grateful to the Board of Trustees, and its esteemed Chairman, Bishop Edwin A. Penick, for guidance and invaluable aid, and to the Diocese of North Carolina for its generous consideration.

Respectfully submitted,

HAROLD L. TRIGG, *President*

REPORT OF ST. AUGUSTINE'S CHAPEL

This report is effective from September 15, 1947 to date. There are 465 students enrolled at St. Augustine's College; of this number 138 are communicants of the Episcopal Church. The Chapel program aims to serve religious needs of the entire College Family. Religious organizations in the student body are the Brotherhood of St. Andrew, the Girls' Service League and the Girls' Friendly Society. Members of each of these organizations have occasional Corporate Communion.

The number of religious services on Sundays and week days at St. Augustine's College are the same as in previous years. To date, there have been 35 celebrations of the Holy Communion, with a total of 1,980 persons having partaken of the Lord's Supper.

The Lenten Season was duly observed. The Rev. Ray Holder, Rector of Christ Church, Raleigh, and the Rev. I. Harding Hughes, at St. Mary's School, Raleigh, delivered challenging addresses during Lent to the faculty and students at St. Augustine's, Lenten contribution for Missions amounted to \$212.70.

During Holy Week one person (adult) was baptised and eight presented for Confirmation.

Five students attended the annual Interdenominational Interracial Conference on "ADVENTURES IN APPLIED CHRIST-

IANITY," at Chapel Hill last December. Four students attended the Episcopal Student Conference at Christ Church and The Church of the Good Shepherd, Raleigh. Six students from St. Augustine's College attended the Life and Work Conference at the Ft. Valley College Center, Ft. Valley, Ga. in April.

In addition to Lenten speakers and other visiting ministers, three guest preachers have delivered sermons in the Chapel at regular Sunday worship, namely; the Rev. Richard B. Martin, Rector of Grace Church, Norfolk, Va.; the Rev. John W. Herriage, in this Diocese; and the Rev. O. G. Harris, Warden of the Bishop Payne Divinity School, on the occasion of Theological Education Sunday.

The Chaplain of St. Augustine's College finds a challenging opportunity to serve religious needs at St. Agnes Hospital. The Holy Communion is celebrated there in the Hospital Chapel early every first Tuesday in the month. During the school year 322 persons have communed at the hospital. The Chaplain makes occasional visits to the wards to cheer the patients, as well as to conduct bed-side devotions in not a few cases. Two persons in the Confirmation class as of Holy Week are nurses at St. Agnes Hospital.

Respectfully submitted,

LLOYD M. ALEXANDER

College Chaplain

P. S. At present there are twelve (12) who have registered their desire to enter the Christian Ministry.

REPORT OF THE GOOD SAMARITAN HOSPITAL FOR 1947.

The Good Samaritan Hospital, the oldest privately owned Negro hospital in the United States, wishes to make the following report for the year 1947:

REPORT OF THE PRESIDENT OF THE EPISCOPAL LAYMEN'S ASSOCIATION TO THE CONVENTION OF THE DIOCESE OF NORTH CAROLINA Charlotte, N. C. May 12, 1948

It has been a privilege to serve as President of our Laymen's Association for the past year. I hope and believe that we can lay claim to some progress. It was my feeling upon taking office that with our men who served in the Armed Forces back home and our Church life more nearly approaching normal from wartime dislocations that we should try to strongly interest our Laymen in the potentialities that we have for service in our Church. Bishop Penick and the very able men who preceded me in this office seemed to agree with that conclusion. We also agreed that our first objective should be the reactivation of men's organizations where they exist and where that was needed, and the starting of Men's Clubs, Laymen's Leagues, or Chapters of the Brotherhood of St. Andrew where no such organizations existed.

Bishop Penick has been greatly interested in the revitalization of Laymen's work in our Diocese and has been rendering us every assistance. We are most fortunate to have not only his wonderfully fine spiritual leadership but the benefit of his advice with his exceptional administrative ability. We are also fortunate in having as our Provincial Chairman of Laymen's work one of the top lay leaders of our church, W. Ted Gannaway of Charleston,

S. C. He is a member of our church's National Laymen's Committee, known as the Presiding Bishop's Committee for Laymen's Work. We, therefore, certainly have the top leadership. The responsibility is ours.

With the above in mind, it seemed to me that two initial steps were necessary. First, to get the active cooperation and help of our clergy and secondly, to get organized throughout the Diocese. Bishop Penick gave me the privilege of addressing the clergy in their meeting at St. Mary's School in September at which time I asked for their earnest cooperation and help. Secondly, with a great deal of help from many of you, we organized five area Laymen's meetings in November and December, each of which Mr. Gannaway was good enough to address. I feel that those meetings were quite successful, thanks especially to the highly inspirational talks delivered by our Provincial Chairman. The average attendance was approximately 100. In spite of threatening weather with some ice and snow, we had, I felt, a very successful annual meeting of our Association at St. Mary's Parish House, High Point, on February 22nd. There were 132 Laymen in attendance from all over the Diocese. The Rev. Frederick A. McDonald, Associate National Director of Laymen's Work, gave us a most interesting and inspiring address at this meeting, which the St. Mary's Laymen and Woman's Auxiliary handled for us so well. There are fairly numerous reports of the starting of new men's organizations in various parishes and missions, both large and small. That again, I feel is the first essential step.

Our National Committee furnishes us with splendid literature and help on organization and administration of Laymen's work which is available upon request of our Church's headquarters at 281 Fourth Avenue, New York.

I think it would be well to call special attention to the four objectives which our Provincial Chairman, Mr. Gannaway, has listed for 1948 as follows:

"1. EVERY MALE COMMUNICANT AN INSTRUCTED AND ACTIVE LAY WORKER IN HIS PARISH OR MISSION.

Just think what an accomplishment that would be and what it would do for your Church and mine!

"2. AN EFFECTIVE EVANGELICAL PROGRAM AT WORK AND VIGOROUSLY SUPPORTED BY ALL LAYMEN IN EACH PARISH OR MISSION.

"3. THE WHOLEHEARTED SUPPORT BY CONSECRATED LAYMEN OF EVERY PHASE OF CHURCH ACTIVITY AS PLANNED AND CONDUCTED BY THE RECTOR AND VESTRY OF EACH PARISH.

"4. A SPIRITUAL REAWAKENING AND REDEDICATION ON THE PART OF EACH LAYMAN BEGINNING WITH REGULAR CHURCH ATTENDANCE ON THE PART OF ALL LAYMEN IN EVERY PARISH AND MISSION.

"To accomplish these objectives the following schedule is suggested.

"FIRST, An active laymen's organization of whatever form is most practical and acceptable in every parish and mission.

"SECOND, A responsible keyman properly qualified and instructed in every parish and mission in every diocese.

"THIRD, A specific and approved program of lay activity in each parish and mission."

Now that we are getting better organized, I hope that we can stress in our Laymen's work fine objectives like those just specified.

It was my privilege to attend the Provincial Conference at Kanuga in June, presided over by Mr. Gannaway, with a good program and good speakers. We felt that we also had a very successful Diocesan Conference at Vade Mecum the middle of August, effectively planned and presided over by the retiring President, Hugh B. Campbell. Excellent and instructive talks were made by Mr. Gannaway and the Rev. I. Harding Hughes. Mr. Laycock, Manager of the Good Samaritan Hospital, Charlotte, also made a very interesting address, as did Dr. Clifford P. Lyons, of U. N. C. Bishop Penick preached an inspiring sermon at the Sunday morning prayer service, and celebrated Holy Communion at an early morning service. May I take this opportunity to urge largest possible attendance at this year's annual Vade Mecum Conference which will be held on the week-end starting Friday evening, June 25th, and ending Sunday noon, the 27th. We have an outstanding list of speakers including Arthur Crownover, President of the Episcopal Men of Tennessee, Mr. Robert D. Jordan of New York, National Director of Promotion for the Episcopal Church, and W. Ted Gannaway, our Provincial Laymen's Chairman, and, of course, Bishop Penick. I also strongly urge our Laymen's attendance at the Provincial Laymen's Conference to be held at Sewanee, the week-end before, starting Friday, June 18th. I can assure you from my attendance last year that Laymen will find it well worthwhile. Both Mr. Gannaway and Mr. McEachern are here and will gladly furnish full information about these Laymen's Conferences.

In November, I made an informal talk to the Negro Laymen's Diocesan meeting at St. Augustine's College, Raleigh, where I was greatly impressed with their enthusiasm and earnest interest in Church work.

The offering this year at the Men's Advent Corporate Communion was requested for construction of badly needed classrooms at Vade Mecum. There still seems to be some misunderstanding as to where this offering should be sent. Please note that it should be sent to the Diocesan Treasurer, Security National Bank, Raleigh, N. C., attention, Mr. E. B. Dixon.

I agree with Bishop Penick when he said that we have a great potential in the Laymen of our Diocese. He feels that strongly and we should try to capitalize on that potential. I am sure that those of you who have active men's organizations are finding that you are helpful in your Church in many ways. I hope this fact will challenge those who do not have active men's organizations. I would like to urge both the clergy and Laymen to take aggressive action in forming a men's organization if you do not have one or to make the one you have just as active and helpful as possible in your Church. I am confident that you who do not have active Laymen's organizations will find both the clergy and Laymen enthusiastic about their helpfulness in nearly every parish or mission which have such organizations. Those of us who are here from St. Philip's in Durham can certainly testify to that statement. I especially would like to ask the clergy who have not yet appointed a parish or mission keyman to do so sending their names to me at West Durham. He could be, but need not be, the head of the men's organization. He certainly should be aggressive, willing to pass on information that he will receive and to help make it effective.

It has been most encouraging to have Gen. John C. H. Lee, Executive Vice-President of the Brotherhood of St. Andrew, visit us here and to address our Convention on the "Opportunity for the Layman in the Church" and to have Bishop Penick place in his address to the Convention so much emphasis on the importance of and the potentialities in Laymen's work.

It has also been encouraging to find strong interest and willing cooperation throughout the Diocese as was expressed in the five area meetings and at the annual meeting of our Association in High Point. I am confident that such spirit will bring good results and will help us greatly to serve our Church in the way that it so richly deserves.

Respectfully submitted,

WILLIAM H. RUFFIN

REPORT OF THE WOMAN'S AUXILIARY YEAR 1947-48

The theme of the work of the Woman's Auxiliary this year and next is Ye Shall Be Witnesses. We find in this theme a constant reminder of the inescapable obligation of Christians to show forth

the Glory of God and tell the Good News of the Gospel unto the uttermost parts of the earth.

We have a membership of approximately 3500 in the Diocese. At our recent Annual Meeting we presented at a celebration of the Holy Communion the United Thank Offering of the past year amounting to \$14,981.80. We ended the fiscal year January 1 - December 31, 1947 with a surplus in our Diocesan Treasury of \$2,017.37. Because of this large surplus and because of an increase of \$1,003.50, in pledges to the Diocesan Auxiliary budget of 1948, we voted at our recent Annual Meeting to raise the budget from \$8,500.00 to \$9,000.00, in 1949. This figure of \$9,000.00 does not include complete expenditures for administration of the Diocesan work. In addition to their pledges to the Diocesan budget, the branches have expenditures for their local work, they contribute to the support of the Thompson Orphanage and they make Special Gifts as branches to Missionary objectives of the Church.

Since September 1, 1947, the Diocesan Woman's Auxiliary has employed Miss Constance Young of St. Titus Church, Durham, N. C., as a Field Worker in the Negro Parishes of the Diocese. She has visited these Parishes, has helped to reorganize their Auxiliary branches, or has helped in increasing the efficiency of their work. She has in some instances helped them with their work with the young people of the Parish. At the recent Annual Meeting we voted to employ Miss Young for another twelve months, we set aside the sum of \$1,257.27, from our surplus for her salary and travel expenses.

The formation of new branches and new groups of established branches will be a Special objective of the Woman's Auxiliary of this Diocese for the year of study and action 48-49. This is one way of accepting our task as Auxiliary to the Church's program of Evangelism. If women can be brought into the Church by first coming into the Auxiliary, then we will be fulfilling our highest purpose.

Our study programs in the branches will continue in the four areas: The Christian Faith, The Christian Home and Family, The Christian World, and The World Mission of the Christian Church. We plan to emphasize the study of The Christian Faith during the coming year. Our Mission Study will be China In the Asia of Today, and Lenten study material will be on the subject of the Prayer Book.

Our deepest concern must be aroused in our Christian Education by the cuts that the National Council has been forced to make in Expenditures in the Mission fields at home and abroad. We believe that the curtailment of our Missionary effort at a time when the world needs a courageous and aggressive Christianity is indeed tragic. We look to the men of the Church for

leadership, but we are pledged by the very nature of the Woman's Auxiliary to do everything we can to help make the situation known in our Parishes, and as members of the Church to encourage giving from the family budget that we may have some part in remedying the situation.

Plans are taking form to have a Quiet Day of Prayer and Meditation in each one of the nine districts of the Diocese during the coming year. A priest in each district will be asked to lead the devotions of the day in his district, while a member of the Auxiliary will make the necessary arrangements for the day in the chosen place. We hope these Days of Prayer and Meditation will help to make us ever mindful of Christ's words. "I am the vine, Ye are the branches; he that abideth in me and I in him, the same bringeth forth much fruit; for without me Ye can do nothing."

(Signed) MRS. HENRY C. BOURNE.

REPORT OF THE TRUSTEES
UNIVERSITY OF THE SOUTH SEWANEE, TENN. TO
THE DIOCESE OF N. C.

In 1947 the University of the South celebrated the 90th Anniversary of its founding with a record enrollment of 519 in the College, 46 in the Theological Seminary, and 233 in the Se-

wanee Military Academy. College students were drawn from 33 States and two foreign countries. Theological students were drawn from 15 States and 19 Dioceses.

College students comprise 14 different church denominations. 60.5% of the students were Episcopalians.

Diocesan receipts for the year 1947 amounted to \$37,678.91. The Diocese of N. C. contributed \$2,723.55 including \$721.90 received from Parishes.

The Sewanee Endowment Campaign Drive has secured \$978,000.00 exclusive of the grant from the General Education Board of New York. The goal of Five Million Dollars, the most ambitious ever undertaken by a University of this small size, is in the foreseeable future as the approximately \$1,000,000.00 so far secured is in addition to grants from Foundations, and has been accomplished since the opening of the Campaign in 1947.

The *Sewanee Review* published by the University of the South is the oldest literary critical quarterly in America. In March, 1948 the Rockefeller Foundation made a grant of \$28,000.00 to the Sewanee Review for the purpose of making more generous payments over a period of five years to contributors to the Review.

The Rev. Robert F. Gibson, Jr., Dean of the Theological School, has been at Sewanee for almost a year. In the words of Dr. Alexander Guerry, Vice Chancellor, "The Theological School is in fine shape, Dean Gibson has done a remarkable job. Under his leadership, the Theological School will go forward year by year and will become one of the great seminaries of America." More than 500 Episcopal Ministers living today, received training at Sewanee and 30 Episcopal Bishops in America, including our own Bishop Penick, have been students at Sewanee.

The Emerald-Hodgson Hospital, a part of the University of the South, operates the largest charity clinic between Nashville and Chattanooga, treating thousands of mountain people each year.

We invite your attention to a Resolution submitted by Mr. Frank Gillespie, Chairman of the Board of Regents, at the June, 1947 Meeting of the Board of Trustees. "Resolved that the Vice Chancellor's Office keep in touch with all Diocesan Trustees through the Clerical delegates as Chairmen in an effort to have the Diocese, their Parishes and Missions include Sewanee for a greater amount in their budgets."

This Resolution was passed unanimously by the Board of Trustees.

In closing we invite your attention to a portion of the Chancellor's address to the Trustees as submitted by the Right Rev. Frank A. Juhan, D.D., Bishop of Florida:

"The present strength and force, and the future growth and necessary influence of Sewanee rest, not primarily upon friends or even alumni, as such, but upon the Church of the twenty-two owning dioceses that elected you and me—dioceses that elected you and me to see to it that this, their and your university fulfill the purpose and principle of Sewanee's Christian founders.

"And what is that? Well, concisely I would say that its purpose and principle is to become *the* Christian university of the Church in the South, and its chief educational instrument for the dissemination of Truth—spiritual, intellectual, and moral: the Truth that may be found in Him who said, 'I Am The Truth'—the truth about life's pattern and purpose—the truth about all truth—reality itself."

Respectfully submitted,

REPORT OF THE DEAF MISSION WORK IN THE DIOCESE OF NORTH CAROLINA

The past year has been a busy one for your missionary. There were a total of 111 services held for the Deaf with a total attendance of 4,679 persons. These services consisted of 87 Morning and Evening Prayer services, 24 celebrations of the Holy Communion of which 8 were private, 9 chapel services at the Deaf School in Morganton being attended by an average of 275 students, 4 candidates were presented to the Bishop for Confirmation, 5 Baptismal services, the service of Holy Matrimony was performed 2 times, and 3 funerals. In addition to the regular services for the Deaf, your missionary held celebrations of the Holy Communion at Duke University during the time there was not an Episcopal Chaplain there, and also at St. Joseph's Church, Durham, until other arrangements could be made. These services required approximately 20,000 miles of travel.

There have been numerous talks made to Woman's Auxiliary groups, Canterbury Clubs, and similar groups about the work of the Missionary to the Deaf. The pastoral calls have been too numerous to count, consisting of sick calls, counseling, interpreting, and assisting Deaf from all over the state who found it necessary to visit the Duke Hospital for medical treatment.

The work continues to be most beneficial to the Deaf of our Diocese for which the missionary and the Deaf wish to express

their sincerest appreciation to the Bishop, the Parishes, and both the clergy and lay-people for their many courtesies, cooperation, and support.

Respectfully submitted,
JAMES R. FORTUNE,
Missionary to the Deaf

Camp Delaney, a camp for Negro boys and girls is located about 14 miles from Raleigh easily reached by good roads and highways. The site was purchased by the Diocese of North Carolina at a cost of \$2,500. There are 80 acres of valuable timberland in the tract with a fairly large live stream running through it, also any number of springs. There are any number of beautiful large oaks on the site.

Buildings—

There is one large 8-room farmhouse that is used to house the campers. There are also several large outhouses that can be repaired for temporary use. Forty campers can be comfortably accommodated.

Summer Camp—

There were 38 campers in camp. Camp Delaney for boys enrolled 20 boys. Camp Pollard for girls enrolled 18 girls. Both camps had a period of 10 days from July 13th to August 3rd.

Activities for a Day—

Holy Communion every morning at 7:30. Bible Study, Study of the Prayer Book, Class in First Aid, Handicraft, Music, Group Singing, and Camp Fire.

Recreation—

Organized play, Softball, Badminton, Horseshoe Pitching, Ping Pong.

There were two swimming periods for each group. This called for transportation to Chavis Park to Raleigh and was an expensive proposition.

The members of the faculty consisted of two priests and six lay workers, college graduates: several of them in addition to their camp experience had had several years of teaching experience.

The Health Department of Raleigh gave us a very low rating and stated that next year in order to open there must be running water, 100 gal. tank for hot water, toilet facilities and cess pool and the floor in the kitchen braced.

A swimming pool is very necessary. A member of St. Ambrose Church has promised to furnish screens for the second floor. The first floor was screened last summer.

The Executive Council allowed \$3,300.00 from unused funds to be used to make the necessary improvements at Camp Delaney in

accordance with the recommendations of the Wake County Board of Health.

Respectfully submitted,
ROBERT F. JOHNSON

In connection with the report on Vade Mecum, Mr. E. M. McEachern spoke briefly on the present condition of the camps and plans for the summer. (p. 139.)

The report of the Missionary to the Deaf was signed by the Rev. James R. Fortune and read by the Bishop. (p. 132.)

The Rev. J. S. Cox reported for the committee on Canons, as follows:

PROPOSED AMENDMENT TO THE CONSTITUTION
AND CANONS OF THE DIOCESE OF NORTH CAROLINA
SO AS TO ALLOW LAY REPRESENTATIVES
OF ORGANIZED MISSIONS TO VOTE IN CONVENTION
WHEN THE VOTE IS BY ORDERS, AND ALSO
TO VOTE WHEN A BISHOP IS TO BE ELECTED.

Amend ARTICLE VI, Section 1, by rewriting the Section as follows: (additions are in italics)

"SECTION 1. Upon any question before the Convention, when it may be required by any one Clerical member, or by the delegation present of any one Parish, the two orders shall vote separately. And in all cases of a vote by orders, each Clerical member shall be entitled to one vote, and each Parish shall also be entitled to one vote, *and each reg-*

ularly organized mission shall be entitled to one-fourth vote, and a concurrence of majorities of both orders shall be necessary to a decision. When no such division is called for, each member of the Convention shall be entitled to one vote."

Amend ARTICLE XII, Section 1, by adding the sentence which is underscored, so that said section will read as follows:

"SECTION 1. When a Bishop is to be elected, the Convention shall vote by ballot and by orders; and a concurrence of a majority of all the Clergy entitled to vote in the Convention, and of the delegates from at least twenty Parishes in union with the Convention (the said delegates voting by Parishes), shall be necessary to an election. *Each regularly organized mission shall be entitled to one-fourth vote."*

The following suggested Addition to Canon 22, Section 1:
Paragraph 3:

Further note: That any parish having a minimum of 100 male members of the age of 21 may adopt a rotating system whereby any member having served on the Vestry is not eligible for re-election until a lapse of three years.

The amendments to the Articles were adopted on first reading, to be voted on at the next convention. The amendment to Canon 22 was adopted.

A resolution was offered to the effect that institutions be exempt from assessments. After some discussion the proposal was referred to the committee on Canons.

In accordance with a resolution, the secretary was instructed to send greetings to the absent clergy the Rev. Messrs. Owens, Wheeler, Shannonhouse and Bethea.

Invitations for the convention of 1950 were extended by St. Martin's Church, Charlotte, and by St. Paul's Church, Winston-Salem. The invitation from St. Paul's, Winston-Salem, was accepted.

EVENING SESSION

At 8 P.M., Evening Prayer was said by the Bishop and the Rev. C. R. Haden, Jr.

The convention then reassembled at 8:40 and took up the consideration of the special order,—the report of the Special Committee on the Study of Diocesan Boundaries.

The Special Committee appointed by the Bishop, acting in accordance with the 1948 Diocesan Convention, to meet with similar committees of the other two dioceses in this State to "jointly discuss carefully all phases" of the matter of possible changes in existing diocesan boundaries, wishes to report that during the past year two meetings were held jointly with the committees of East Carolina and Western North Carolina. In addition, three meetings of our own committee were held. Numerous of the clergy and laity of the border counties of this diocese were consulted and invited to give their views and opinions pertaining to the subject under study.

Inasmuch as our study has not revealed evidence indicating the necessity or advisability of changing diocesan boundaries in this State, and in view of the decision of this Diocese to elect a bishop coadjutor at this Convention, thus giving the largest of the three North Carolina dioceses (where the population of the state is concentrated) greatly increased episcopal leadership and supervision, your committee recommends that the existing boundary lines between the three dioceses in the State of North Carolina remain unchanged. We believe that it will be for the best interests of the Church as a whole in this state to have the Church concentrate her greatest missionary effort in that part of the State where the population is concentrated and where the needs and opportunities for the Church appear to be the greatest.

Respectfully submitted,

Chairman,

After considerable discussion, the report was adopted.

The Rev. Iveson B. Noland, for the committee on the Consideration of Miscellaneous reports, stated at this

time, that the committee had examined the following reports and found no matter calling for action by this convention.

1. The Report of the Executive Council
2. The Report of the Chairman of the Lenten Offerings
3. The Report of the North Carolina Churchman
4. The Report of the Pension Fund
5. The Report of the Trustees of the Diocese
6. The Report of the Murdoch Memorial Society
7. The Report of the Laymen's Association
8. The Report of the Standing Committee

The Committee to consider reports of Diocesan Institutions made their report as follows:

Your Committee is pleased to note the splendid records and accomplishments achieved during the year since the last Diocesan Convention of the Institutions of the Diocese.

It is apparent to the Committee that the credit for these accomplishments is due in large part to the exceptionally capable and consecrated leadership provided by the heads of the Institutions, all of whom, with one exception, are Laymen of the Church.

We take special note of the strong and healthy condition of our two hospitals for Negroes; we are gratified with the report from St. Augustine's College to the effect that fourteen young men have chosen the ministry as a vocation and are receiving special attention from the College Chaplain.

We note with interest the forward-looking yet practical plans for improvements in the physical equipment of St. Mary's School and Junior College; and we take special pride in the continuing growth and development of the work being accomplished at Vade Mecum and the Thompson Orphanage.

Your Committee recommends that the request for additional funds from the University of the South be referred to the Finance Department for such action as they may deem wise.

Respectfully submitted,
ROBERT L. CRANDALL, *Chairman*

The report with its recommendations was adopted.

The special committee to consider the Bishop's address reported as follows:

Your committee to which the Bishop's address was referred wishes to cordially commend the Bishop's desire for an OLD FOLKS HOME in the Diocese and his sensible suggestion that a committee be appointed to make a thorough study of similar institutions elsewhere and a survey of needs to be served in this diocese and a realistic estimate of initial cost and maintenance at a standard that would be worthy of the church. We realize the cost of such an undertaking but we also realize the vital need for such an institution.

We congratulate our Bishop on his 27 years of service, first as Bishop Coadjutor and then as Bishop and we particularly stress his genius in moulding and bringing about the unity and spiritual strength of the Diocese. We believe that this Diocese stands out as one of the top leaders in the whole church in loyalty and devoted service to the church and the blessed absence of parties and divisions.

We thank God for the peace and harmony that prevails in this Diocese.

THADDEUS A. CHEATHAM, *Chairman.*

At 10 PM the convention took a recess until Wednesday morning.

WEDNESDAY

At 7:30 AM in St. Philip's Church the Holy Communion was celebrated with the Bishop as celebrant assisted by the Rev. C. R. Haden, rector of the parish. The offering was received for the New York Bible and Prayer Book Society. At this service, a window presented by the laymen of St. Philip's Parish, as a Thank Offering, was dedicated.

At 9:30 AM the convention reconvened for business.

The Bishop announced that 51 clergymen were present, entitled to vote for Bishop Coadjutor, with 26 needed for a majority. There were 44 parishes present en-

titled to vote, with 23 needed for a majority. In response to a request for information, the Chancellor, Mr. F. O. Clarkson, stated that each clergyman was entitled to one vote, and each parish through its delegates as a whole was entitled to one vote. Rule 10, of the rules of order, was interpreted as if a delegation from a parish should be equally split on its vote, then one half of its vote could be cast for each candidate. If one delegate should dissent from the majority vote of the parish delegation, his vote should be recorded on request but would not count on the vote of the parish.

The Bishop then read his consent to the election of a Bishop Coadjutor.

I hereby give my consent to the election of a Bishop Coadjutor for the Diocese, and I assign to the Bishop Coadjutor, when ordained and consecrated equal share with me in the visitations of all the parishes and Missions in the Diocese. This assignment is made with the understanding that the duties and responsibilities of the Bishop Coadjutor may be extended from time to time as the need of the Church may require, or as necessity may direct.

A special committee, appointed to secure and supply information concerning those nominated for Bishop Coadjutor, made a careful report through its chairman, the Rev. I. H. Hughes.

Ballot boxes, made by Mr. William C. Slater of Durham, were presented by the Rev. Clarence R. Haden, Jr. On motion of the Rev. C. A. Cole, the thanks of the convention were extended to Mr. Slater.

Mr. J. B. Cheshire moved that every parish be identified on every ballot and every clergyman sign every ballot. Carried by a vote of 89 to 65.

The Bishop gave specific wording in which the clergy and laity should cast their ballots.

The chair appointed as tellers the Rev. Messrs. R. C. Patton and C. P. Wiles for the clerical order, and Mr. Isaac H. Huske and Mr. Peter W. Hairston for the lay order.

Mr. Francis Murdoch moved that the four clergymen and three laymen receiving the highest number of votes be declared elected to the Standing Committee, and that the same method be followed for other officers. Carried.

Where there was no contest, the Rev. J. O'Brien moved that the rules be suspended, and that the candidates be declared elected by the chair.

As tellers for the regular election, the Chair appointed the Rev. J. P. Carter, Mr. Martin N. Shaw, the Rev. W. P. Price and Mr. Alex Fraser.

The regular election of diocesan officers etc., resulted as follows:

The balloting for a Bishop Coadjutor continued all day. While the voting took place, other items of business were transacted.

The Chairman of the Special committee appointed to consider the Report of the Trustees of the Diocese, stated that they had carefully considered the report of the Trus-

tees of the Diocese and the Report of Audits attached thereto and recommended that the same be approved. Adopted.

The Bishop nominated and the convention confirmed as Examining Chaplains, the Rev. F. Craighill Brown, the Rev. I. H. Hughes, the Rev. Iveson B. Noland, the Rev. Clarence R. Haden, the Rev. David W. Yates.

The Rev. David W. Yates moved that the Executive Council be authorized to change the amount in the 1950 Church's Program Fund Budget for the National Church's program if the amount asked of this diocese is greater than that put in the budget. Carried.

The Rev. I. H. Hughes called attention to the fact that there were two men in the diocese who were present at the election of Bishop Cheshire in 1893—the Rev. R. Bruce Owens and Mr. W. Frank Thompson. Mr. Owens was unable to attend this convention but Mr. Thompson was present. The convention rose in recognition of his faithful attendance and service to the diocese.

The Rev. C. R. Haden, chairman of the Department of Education introduced to the convention Miss Eleanor Snyder, diocesan director of Religious Education and the Rev. Carl Herman introduced Miss Joy Pickard our College Worker at Greensboro.

Dr. Harold L. Trigg spoke briefly on the work at St. Augustine's College.

Be it resolved that the 133rd Annual Convention of the Diocese of North Carolina express its sincere thanks and grateful appreciation to the Rector, Vestry and Congregation of St. Philip's Church, Durham and St. Titus' Church, Durham, for their cordial welcome, gracious hospitality, beautiful facilities and careful attention to all matters which enabled us to conduct our business in a most satisfactory and enjoyable manner.

Adopted by a rising vote.

The chair nominated as members of the Murdoch Memorial Society the Rev. C. R. Haden, the Rev. W. M. Moore, Mr. Ogburn Yates, which the convention confirmed.

Mr. R. E. Clements spoke on the Diocesan project of the restoration of St. John's Church, at Williamsboro, this being the only colonial church in the diocese.

The balloting for Bishop Coadjutor continued all the afternoon. The table shows the result of each ballot. A recess was taken at six o'clock and the convention met again at seven. At the end of the 24th ballot, the Rev. Iveson B. Noland moved adjournment to reconvene at the call of the Standing committee. Mr. Pembroke Nash, moved as a substitute that the convention adjourn Sine Die. The substitute was adopted by a vote of 120 to 55. The Tabular Statement of the voting will be found at the end of the reports on page 143. After the singing of the Gloria in Excelsis, and benediction by the Bishop, the convention so adjourned.

Carolina*

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

Brethren of the Clergy and Laity:

I welcome you to the 133rd Annual Convention of the Diocese of North Carolina.

We have come together under happy and fortunate circumstances, as the guests of this hospitable parish that has often been the host to diocesan gatherings. It helps us to reflect, as we assemble here, that we are the beneficiaries today of the missionary vision and enterprise of a young clergyman named Joseph Blount Cheshire, who, in 1878, was Deacon in Charge of the Chapel of the Cross at Chapel Hill. By horse-drawn vehicle, over unimproved dirt roads, and, I suspect, occasionally on foot, he traversed the intervening miles between Chapel Hill and Durham, and planted here the seeds of the church that, under God's blessing, has grown into this magnificent parish. The spirit of its founder has never departed from St. Philip's congregation. In fact, it has accelerated through the years, as evidenced by the establishment of missions in East Durham and West Durham, by the pioneering work among the Deaf, which was started by the Reverend Sidney S. Bost during his Rectorship here, by the extensive college student work associated with Duke University, and by a sympathetic ministry to the many patients who come to the medical centers of Durham for treatment. These are some of the achievements of the past and activities of the present, the most recent accomplishment of which is the completion of a modern and commodious parish house.

In view of the unusually important business that will occupy our serious attention during the sessions of this Convention, we are grateful for the stimulation and incentive that St. Philip's Parish affords.

NECROLOGY

During the year just past, two clerical members of our diocesan family were called to the higher life. The Reverend Lewis Page Spencer, Priest in Charge of certain Edgecombe County missions, died in the Rectory of Grace Church, Lawrence, May 16, 1948.

The Reverend Reuben Meredith, retired Priest of this diocese since 1940, died at his home in Cleveland, August 5, 1948. His wife had preceded him by only ten days, into that rest which God has prepared for those who unfeignedly love him.

Lewis Page Spencer was born at Maidstone, Kent, England. As a boy he attended the King's School of Canterbury. He migrated to this country as a young man and became an American citizen. He engaged in business well beyond the age when most men are willing to venture upon a new profession. The desire to study for the ministry had long been a lingering ambition in his heart. This found fulfilment in 1929, when he was ordained to the Diaconate by Bishop Cheshire, who advanced him to the Priesthood in 1931. His entire ministry was spent in this diocese. His impulse to serve his fellow-man found satisfaction in the needs of country churches in Vance and Edgecombe Counties. His congregations were always small. His flock was widely scattered. His mission would have been disheartening to a less determined soul. He ministered unfalteringly to quiet and humble people who till the soil. He often shared their frugal store. Like those who waited patiently for the glad ingathering of the fruits of the ground, he also looked faithfully to another and never-failing harvest that increaseth more and more unto a perfect day.

Reuben Meredith was born in Stafford County, Virginia, in 1870. He attended the preparatory department of the Virginia Theological Seminary, and later the Seminary itself. He was ordained Deacon by Bishop Randolph in 1894, and advanced to the Priesthood in 1896. He served a number of Virginia parishes and moved to

this diocese in 1914, when he became Rector of Trinity Church, Scotland Neck. Later he moved to St. Stephen's Church, Oxford. His last charge was at Christ Church, Cleveland, and St. Matthew's, Rowan County, where he gave himself with loving devotion to these two congregations, until his retirement from the active ministry in 1940. After that, he continued his residence in Cleveland, among the people he had served and loved.

He was a priest of an old-fashioned school, fervently evangelical, with the faith of a little child. He had a hearty, out-going love of people, with a pastor's sincere regard for every human concern. He knew how to rejoice with laughter, and how to weep with tears. He had a rare understanding of nature and her ways and wonders. His life was made beautiful by

"a sense sublime

Of something far more deeply interfused,
Whose dwelling is the light of setting suns,
And the round ocean and the living air,
And the blue sky, and in the mind of man;"

SUMMARY OF OFFICIAL ACTS

Within the Diocese I made 116 visitations, celebrated the Holy Communion 30 times and confirmed 833 persons. Bishop Henry confirmed 28 persons, and Bishop Gordon 3, making a total of 864 Confirmations, an all-time record for this diocese. Of this number 80 were Negroes. I baptized 8 infants and 11 adults, officiated at 5 funerals and 2 weddings, and at 22 other services. I ordained 2 Candidates to the Diaconate, and advanced 2 Deacons to the Priesthood, one upon the request of the Bishop of Md. I licensed 85 Lay Readers, preached 92 times and made 50 addresses. I met with 60 committees, trustees of institutions and diocesan departments, and held 175 conferences with individuals or groups such as vestries.

I dedicated the Parish House of St. Matthew's Mission, Rowan County, and laid two cornerstones: (1) that of the John Long Jackson Memorial Parish House of St. Martin's Church, Charlotte, and (2) that of the Parish House and Chapel of St. Andrew's Church, Greensboro.

Outside the diocese, I celebrated the Holy Communion 3 times, baptized 1 infant, conducted 1 funeral and officiated at 4 other services. I preached 14 times and delivered 4 addresses. I met 17 times for conference with certain provincial or National Church bodies. I presided at the Synod of the Fourth Province and took part in the Consecration of Bishop Gunn, Coadjutor of Virginia; Bishop Melcher, Coadjutor of Southern Brazil; and Bishop Henry of Western North Carolina. I also assisted at the funeral of Bishop Darst in Wilmington last September.

One comment on these statistics might be appropriate.

The number of Confirmations established a new record for this Diocese. I attribute this to the energy and aggressiveness of the clergy, who, in a number of cases, met a serious clerical shortage by doubling their labors, with ministrations to neighboring vacant churches.

Another influence should be noted with gratitude, and that is the growing effectiveness of our laymen, who in several localities have supplied regular services for Churches whose doors would otherwise be closed. As evidence of real lay evangelism, I am proud to record that 56 candidates for confirmation were presented by our faithful laymen.

OLD FOLK'S HOME

From time to time it has been forcefully brought to my attention that the Church should undertake the institutional care of aged people. For some unaccountable reason, this has not been regarded as one of the Church's most serious obligations. The provision of homes for children, especially orphaned children, has been a popular cause in which most dioceses participate. We have schools and colleges that are an accepted part of our modern educational pattern. We have hospitals for the sick, that render an immense amount of charitable service. These ministries of healing and of education and of child care have found a familiar place in our Church's program, and are generally regarded now as a matter of course. But somehow the Church in most dioceses, including our own, has looked at dependent old age, and passed by on the other side. The benefits of social security give much relief, but there are many cases where this governmental aid is not enough. Some of us know individuals who in their sunset years have fallen on hard times, with loss of property and loved ones, who are forced by their reduced circumstances to accept any kind of makeshift shelter with a minimum of gentle care, while they wait in loneliness and with patience for the evening bell. Does not the Church have a responsibility to care for un-

fortunate old people, especially those of refined sensibilities, who shrink from the charity of tax-supported institutions, and who look to the Church, of which they have been faithful members, to supply the simple needs of their declining years?

Even if such a project should be approved, it would probably be many years before it could be operated on a sound financial basis. The approach to such an undertaking should not be made without the most thorough study of similar institutions elsewhere, and a survey of needs to be served in this diocese, and a realistic estimate of initial cost and maintenance at a standard that would be worthy of the Church.

I suggest that this Convention create a committee to make preliminary studies looking to the possible establishment of a diocesan home for old people, and to report to this Convention one year from now.

In conclusion, I wish to record my sincere gratitude for the privilege of having served this Diocese as Coadjutor for ten years, from 1922 until Bishop Cheshire's death in 1932, and then as Diocesan for nearly seventeen years more. No Bishop ever enjoyed a more loyal or united following by clergy and laity alike. I consider the unity of this Diocese its most vital source of spiritual strength, and that unity I attribute chiefly to the fact that there have been no divisions of churchmanship among us, with a limited number of partisans, and almost no extremists. Through the years, our clergy and their congregations have been conscious of their trusteeship as inheritors of a North Carolina tradition of churchmanship which is characterized as simple loyalty first, last and always, to the doctrine, discipline and worship of the American branch of the Anglican Communion. In our reasonable conservatism we have experienced a mystical unity, and in that unity we have discovered the secret of strength. I pray that we may always prove ourselves faithful stewards of this trust.

EDWIN A. PENICK,
Bishop of North Carolina

REPORT FOR THE YEAR 1948 OF THE STANDING COMMITTEE

The Standing Committee of the Diocese of North Carolina held eight meetings during the year 1948 as follows:

On *March 2, 1948* at Raleigh, N. C., in the office of the Secretary, when the following action was taken.

Request of the Church of the Good Shepherd, Rocky Mount, for the consent of the Bishop with the advice and approval of this committee, for conveyance of realty was declined on the ground of insufficient information.

Consent of the Committee was given to the election by the Diocese of Florida of a Bishop Coadjutor for the extent of Diocesan work.

Consent of the Committee was given to the Diocese of Tennessee for the election of a Bishop Coadjutor for the extent of Diocesan work.

The Committee declined its consent to the Diocese of Michigan for the election of its Suffragan Bishop to be Bishop Coadjutor of the Diocese in the absence of the Bishop of Michigan's consent; and likewise the Committee refused the Diocese of Michigan consent to elect another Suffragan Bishop, there being no evidence that the present Suffragan Bishop has ceased to be such.

The Committee refused the request of the Bishop of South Florida for consent to the election of a Bishop Coadjutor of said Diocese, no information having been furnished this Committee of the action of the Diocesan Convention of South Florida on the subject.

The consent of the Committee was given to the Diocese of Los Angeles for the ordination and consecration of The Very Reverend Francis Eric Bloy, D.D. as Bishop of the Diocese of Los Angeles.

On *March 30, 1948* at Raleigh, N. C., in the office of the Secretary, when the following action was taken.

The consent of the Committee was given to the Diocese of Western New York for the ordination and consecration of The Reverend Lauriston L. Scaife, S.T.D. as Bishop of the Diocese of Western New York.

The Committee gave its advice and approval to the Bishop for the conveyance by the Church of the Good Shepherd, Rocky Mount, for a consideration of \$2,000.00, of a certain lot owned by said Church in the West Haven Section of Rocky Mount, being 80 feet by 75 feet on LaFayette and Glenn Avenues.

The Committee decided to take up at a special meeting the report and findings of the Special Committee of the Diocesan Convention on Missionary Planning and Policy.

On *April 7, 1948* at Raleigh, N. C., in the office of the Secretary, when the following action was taken.

The Report of the Special Committee of the Diocesan Convention on Missionary Planning and Policy, pursuant to Canon XXV, Section 1, was fully considered at a meeting on this date called for that purpose. The full report of this Committee to the last Convention and its action thereon is set out in the Journal of the Convention of 1948 at page 118 et seq. and need not again be set out here.

On *April 27, 1948* at Raleigh, N. C., in the office of the Secretary, when the following action was taken.

The Reverend John Paul Carter, Deacon, was recommended to the Bishop for ordination to the Priesthood.

Mr. Hendry Thompson Rodman, a Candidate for Holy Orders, was recommended to the Bishop for ordination to the Diaconate.

The Committee gave its consent to the ordination and consecration of The Reverend Russell Sturgis Hubbard to be Suffragan Bishop of the Diocese of Michigan.

The Committee gave its advice and approval, upon the request of the Bishop, for the Trustees of the Diocese representing the Church of the Good Shepherd, Cooleemee, to give a mortgage on its Rectory lot, securing a note for \$2,000.00 to the American Church Building Fund Commission, payable \$200.00 a year for ten years at 3-1/2%, the proceeds to be used for the renovation of the Rectory and for installing a heating plant.

The Committee instructed the Secretary to make a supplemental report to the Convention on May 11-12 at Charlotte of the action of the Committee on the report of the Special Committee on Missionary Planning and Policy, which was done.

On *May 27, 1948*. The new Standing Committee was organized by the election of officers as follows: The Reverend James McDowell Dick, President; Mr. Joseph B. Cheshire, Secretary.

Mr. Tom Turney Edwards, Candidate for Holy Orders, was recommended to the Bishop for ordination to the Diaconate and his time shortened for cause.

The Committee gave its advice and approval, upon the request of the Bishop of the Diocese, for the Church of the Ephiphany, Leaksville, to place a mortgage or deed of trust, to secure a \$5,000.00 debt to the American Church Building Fund Commission, on its Rectory property, payable in ten years at 3-1/2% per cent interest, and advised the Bishop to give his consent thereto.

REPORT OF THE CHANCELLOR

I have the honor to submit herewith my second annual report as Chancellor of the Diocese as follows:

During the year I have been consulted by the Bishop and other officials, clergy and laymen of the diocese and have given opinions, advice and assistance from time to time. All of the matters referred to me need not be enumerated but include the following:

1. Information and opinions on matters relating to the canons were furnished to the Committee on Diocesan Boundaries.

2. Opinion rendered relative to voting by the lay representatives of organized missions for the election of a Bishop and when voting by orders and preparation of proposed change in the constitution and canons regarding same.

3. Rendering opinions relative to requirements of the constitution and canons for the election of a Bishop furnished to chairman of the committee to receive nominations.

The Rev. Robert Bruce Owens, who for a long time was a member of the Committee on Canons, gave to me for the use of the Chancellor, a copy of "CONSTITUTION AND CANONS OF THE PROTESTANT EPISCOPAL CHURCH IN THE UNITED STATES OF AMERICA, ANNOTATED" by The Rev. Edwin Augustine White, D.D. D.C.L., 1924—Edwin S. Gorham, Publisher, New York. We are grateful for this gift to the office of the Chancellor, same to be handed on by me to my successor.

Respectfully submitted,

FRANCIS O. CLARKSON, *Chancellor.*

THOMPSON ORPHANAGE

REPORT TO THE BOARD OF MANAGERS

During the past few years the Orphanage has benefited greatly from the general prosperity, receiving a much greater income from generous friends than was possible in former years. At the same time, and also due to this time of prosperity, most families were able to provide a means of support for their children. For the past year the Orphanage has begun to receive numerous calls for help for children from homes where broken war marriages, the death of the father, or various other troubles have disrupted the lives of the children. At the same time the Orphanage has greatly felt the lessening of support while the cost of maintaining the institution has remained high.

At the present time the Orphanage is caring for eighty-one children, six of whom have been admitted since the beginning of the year. It is believed that the long term plan of care offered by the Orphanage is far superior to a temporary plan or boarding home care. By careful investigation we try to determine whether a child will fit into group life and benefit by the training given here. The child who needs help the most is the one who receives first consideration. The Orphanage has no waiting list because we try to keep a place always available for the child who needs a home. We avoid crowding the institution with children whose parents are able to pay for their support and refer these cases to boarding schools or county boarding homes. If a child's home is re-established every effort is made to place him with his relatives.

The children we have cared for during 1948 are distributed among the three Dioceses as follows:

Diocese of E. C.—Quota	26	Diocese of W.N.C.—Quota	8
Total cared for	28	Total cared for	8
Discharged	3	Discharged	2
Admitted	5	Admitted	0
Now Here	25	Now Here	6
Diocese of N. C.—Quota	56	The State-Capacity	90
Total cared for	56	Total cared for	92
Discharged	12	Discharged	17
Admitted	2	Admitted	7
Now Here	44	Now Here	75

Most of the children who come to the Orphanage are retarded due to a lack of home supervision, absence from school, and in many cases malnutrition. By close cooperation with the teachers, supervised study halls, sufficient school supplies, and the help of the matrons, the school work of the children is above the average. One of our boys, Jim Benson, who is fifteen years old, won a

scholarship valued at \$1,250 to Phillips Exeter Academy for this school term. He won the citizenship award at his school for both the seventh and ninth grades and the Orphanage has had many good reports on his work and character.

The value of the training program at the Orphanage cannot be determined by the visible results alone, but must also take into consideration the contribution to the life of every boy and girl here by strengthening their character and building a firm basis upon which they can rely in facing the problems of adult life. The operation of the two Orphanage farms, in addition to a complete work and training program, provides a means of reducing the cost of food, a nutritious diet, and an assurance of better health for the children.

We now have a registered Jersey dairy herd, a registered Hereford beef herd, registered New Hampshire hogs, and a flock of laying New Hampshire hens. In stressing the use of registered livestock we hope to impress the children with the importance of modern methods of farming.

The value of an efficient staff is of utmost importance to the welfare of these children. We have been fortunate in being able to hold most of our staff during the preceding period of inflation. The supply of efficient institutional workers is very limited and it is hard to employ a matron with the many requirements which we stress, such as a sympathetic understanding of children, a dignified and reserved manner, an ability to guide and care for fifteen to twenty children on a twenty-four hour basis, meeting and solving all their various problems as a matter of course.

The Orphanage has closed the year 1948 with about ten thousand dollars less to begin a new year of work than it had in 1947. This fact serves to indicate how uncertain our income is. The Orphanage depends upon the Thanksgiving Offering as its chief means of support and it is important that our people know their support is vital to the life of the institution.

REPORT ON THE STATE OF THE CHURCH

In submitting a report on the State of the Church, the Committee wishes carefully to note that 15 parishes and missions have not made their statistical and financial reports to the Secretary of the Diocese at the time of writing two weeks before Convention. The following figures are given, therefore, with the comment that they are only as complete as is possible under the circumstances. For 1948 the following statistics are available:

Infant Baptisms	637
Adult Baptisms	105

Confirmations	864
Communicants	16,000
Church School pupils	4,828
Church School teachers	713
Bible Class members	1,464
Marriages	187
Burials	264

We note that in the statistics tabulated for the year previous, 1947, there are certain noticeable differences between them and the figures just given. However, we have not given them comparatively because of the fact that information available now is less complete than the information given for 1947. We do, however, feel that, partly owing to this fact, the general information shows some progress. Even according to available figures, we find the following increase of 19 Adult Baptisms, 90 Confirmations, 111 Communicants, and 5 Bible Class members. The available figures show a decrease in the number of Church School teachers and Church School pupils. However, it is the Committee's belief that, if the figures were as complete as those given for 1947, there would, at least, be reason to believe that we are holding our own. Marriages and Infant Baptisms have also shown a marked decrease of 72 in one case and 81 in the other. However, the Committee believes that this is a reflection of normal adjustment after the immediate postwar years when many new families were created.

It appears to the Committee that, on the basis of what can be learned at the present, there is reason for viewing the present situation of the Diocese of North Carolina in the light of sober optimism.

It occurs to the Committee that it might be of interest to the Convention to compare the figures of the Journal of 1922 with the present ones, since that year saw the election of a Bishop Coadjutor, as will 1949. The statistics are available in the Diocesan Journal of that year, but we would like, at least, to note a growth in Communicants from 8,974 to the present figure of 16,000.

In the past year we are pleased to report the addition of three new Negro clergy at work in the Diocese, as well as one in 1947, making a total of eight,—a considerable increase in the recent past.

In the field of College work, a resident student worker has been secured for St. Mary's House at Woman's College, and a Chaplain at St. Augustine's College. No student worker has been secured for either the University at Chapel Hill nor State College at Raleigh, and the work there is being carried on by the Rectors of the Chapel of the Cross, Chapel Hill, and the Good Shepherd Church, Raleigh. In addition, St. Paul's Parish, Winston-

Salem, is now planning and raising funds for a Chapel at New Wake Forest College, Winston-Salem.

Several parishes have undertaken building enterprises of major proportions which have been completed in the recent past, or are in process of construction. These include a church for Holy Trinity, Greensboro, a church and parish house for St. Andrew's, Greensboro, a parish house for St. Martin's, Charlotte, a parish house at St. Philip's, Durham, as well as rectories at Asheboro, Enfield, and Winston-Salem. A great many parishes have also been engaged in improvements of existing facilities.

In regard to the Mission Field, the Committee has noted a general tendency in the past to regard the work in missions and small churches in a discouraging light, one reporter going so far as to say that the Mission Field is dormant. While it is far from our purpose to think of such work with complacency, we still are of the opinion that more is to be gained if we can bring ourselves to regard the Mission Field as one of great potentiality. We find no reason to overlook the dedicated and devoted work of churchmen, both lay and clerical, in small churches and missions of this Diocese. We find every reason to urge unceasing attention to the work and possible work that may be done. There are six such fields without clergy at present, and the stipends in most such places are small. It is the Committee's belief that there will be a great spiritual and material gain if this Convention will concentrate on the potential strength which lies in these fields and which we believe may be realized if adequate support is given. Specifically, the Committee believes that the State of the Church may be best served if special attention is given to the increases in the budget allowing for enlarged support of the Diocesan Missionary endeavor.

In conclusion, the Committee is led to wonder if the condition of Parochial Reports, as we have studied them, reflects the State of the Church in the several parishes, with particular reference to business methods. The Committee and also the Secretary of the Diocese advise strongly that Parish Reports and Parish Records be attended to with more accuracy and promptness, particularly financial records.

For the Committee:

ROBERT E. COX

REPORT OF SAINT MARY'S SCHOOL AND JUNIOR COLLEGE

The 108th annual session of the school began September 27, 1948, and will close June 6, 1949. Opening was delayed two weeks due to the polio epidemic in North Carolina. Three hundred and nine students were registered from 16 states. A capacity enroll-

ment for the 1949-50 session is assured as registrations are well above average. A waiting list for 1949-50 was established in February.

A large amount of painting, redecorating, and repair work was done last summer. The program for the coming summer will be more extensive as most of the buildings must be painted on the outside. The trustees have authorized the following projects which have become necessary or will make operation of the plant more economical:

1. Purchase of a dish washer and a glass washer with auxiliary tables.
2. Heat controls for buildings.
3. Dormitory furniture.
4. Replacing of outside electrical wiring.
5. Cement the basement floor of Smedes Hall.
6. Installation of new water intake for heating plant.
7. Pave walkway on east side of front campus.

The school dining room will be completely redecorated during the summer. The funds for this latter work have been raised by the alumnae during the last two years.

The cost of operation continued to rise and has not leveled off to any appreciable extent. Constant need for repair of old buildings and replacement of worn-out equipment has forced the school to practice rigid economy.

During the year 1949 the five owning dioceses are contributing a total of \$3,000 toward the support of the school. North Carolina is giving \$2,000 of this sum. More help of this nature is desperately needed if the school is to maintain its high position in the realm of education. Schools controlled by other denominations are receiving much more assistance from the churches that control them and are thus in a position to give better service and more extensive scholarship aid. The school gives a \$250 discount to the daughters of Episcopal clergymen who are enrolled as boarding students. For the 1949-50 session the school will allow discounts amounting to over \$3,000 for this purpose as 12 daughters of Episcopal clergymen are enrolled. There are two others on the waiting list who will be accepted if places become available for them. The help given by the Church thus is returned entirely this year in discounts to daughters of clergymen.

The Board of Trustees at the annual meeting held last November voted to close the Centennial Campaign and to begin a Living Endowment Fund. The alumnae and friends of the school will be asked to participate in this annual support of the school's program.

Plans for future development and improvement of academic standards and physical equipment are constantly under study.

Saint Mary's must maintain the high position it has held in the past to ensure its continued service to the generations to come.

REPORT OF THE WOMAN'S AUXILIARY 1948-49

This report gives a picture of the work of the Woman's Auxiliary of the Diocese at the end of a 3 year unit of work. With new plans evolved at a Triennial Meeting this Fall, with newly elected Diocesan officers, there will be fresh invigorating viewpoints and different emphases for the coming three years.

At our recent Annual Meeting, April 27-28, we elected Mrs. Edwin F. Lucas of Greensboro as Diocesan president, Mrs. John Huddle of Chapel Hill as Vice-President, Mrs. Rufus Jones, Charlotte as Secretary of Christian Education, and Mrs. Thomas McMillan of Rocky Mount as our nominee for Representative on the Diocesan Council.

We are aware of the fact that unless we search out our shortcomings as diligently as we recount our advances we cut ourselves off from every opportunity for vigorous growth. We too often do our work without any relationship to the teaching and doctrine of the Church—either because we do not know what the Church teaches or because we are not conscious of the need for a relationship between the two. From an over-all viewpoint it would seem that we place an over-emphasis in our branches on earning money and an insufficient emphasis on the joy and sacramental significance of simple, quiet giving of our money. It remains for each branch to decide for itself whether or not this is true in its own life. There is a wholesome balance to be attained.

Christian Stewardship is a study subject prepared for the whole Church during the coming year, and in some fortunate congregations the men may join us in this study. In our Study of the Prayer Book this year the women showed an eagerness to learn fundamental facts of the doctrine and teaching of the Church, and it would seem to be good strategy for us to press an advantage and continue some study along this line next year. Japan will be the interdenominational subject for mission study and we look forward to a study of the events and action which will take place at the Triennial Meeting of the Woman's Auxiliary and the General Convention of the Church in San Francisco next September.

By a ruling of the Triennial Meeting of 1946 our Diocesan Auxiliary is entitled to send the '49 Meeting an additional delegate who comes from the Negro branches. This gives up 6 instead of the usual five representatives.

Our Diocesan membership has increased over 10% in the past year and we now have 3851 members. We ended the fiscal year

of 1948 with a surplus of \$2,473.61 which we joyfully spent at the recent Annual Meeting, leaving a balance of \$15.43! Our records show that the total Diocesan receipts during 1948 were \$18,454.75. For the third consecutive year we have voted to raise the total of our Diocesan budget by \$500.00. We have made a change in the budget as adopted for 1950 by taking out 3 items totaling \$1700.00 which we have for several years contributed to the Diocesan budget of the Church. We will use this sum in 1950 to pay the salary and travel expenses of a field worker who has been employed by us since September 1947 for work among the Negro branches. We believe that this project has shown good results in the increased strength of the Negro branches. Signs of their growth are demonstrated in their financial contributions to our work, the number and quality of their programs of Christian Education and the growth of leadership among their members.

For a 1948 and '49 Feast of the Purification Offering we gave a Special Fund of \$1422.00 as a memorial to Miss Laura Clark, a missionary from this Diocese who died in China last November. The fund will be used for the medical training in this country of Miss Grace Chen, daughter of Bishop Chen of Anking, China.

Up to this date in the triennium we have a United Thank Offering of \$40,001.00 to which we will add one more Ingathering, September 11, before the Triennial Meeting. It is reasonable therefore to expect that we will have a total United Thanking Offering of approximately \$48,000.00 to present at the great presentation service in San Francisco on September 29. This service will be an early celebration of the Holy Communion and we would be grateful to the clergy of the Diocese if they would have Corporate celebrations of the Holy Communion in our churches on this day. We know that the prayers that have been offered as our money was placed in small blue boxes throughout the 3 years have a power that no one can measure.

On the first Friday of last Advent we observed a Quiet Day of Prayer and Meditation in each one of the 9 districts. It was a new experience for most of us—we gladly accepted a Rule of Silence for the observance. The attendance was small, but the response of the women who took part in the devotions was sincerely appreciative and they will surely bring others to share this spiritual feast if given the opportunity again. We are indebted to the clergy for encouraging this effort, particularly to those who conducted the devotions.

Are we aware of our opportunities and responsibilities? They were presented to us forcefully at our Annual Meeting by Bishop Henry when he charged that each one of us should bring one person to confirmation within the next 365 days. This was a solemn charge and solemnly received. We pray his words fell on good

ground. Our Woman's Auxiliary is primarily evangelistic. We purpose to bring souls to Christ and to do it as God's will for us.

MARION ALSTON BOURNE

REPORT OF THE TRUSTEES, UNIVERSITY OF THE SOUTH, SEWANEE,
TENN.

Again enrollment at the University of the South broke all existing records with 546 students in the College, 57 students in the Theological Seminary and 240 cadets at the Sewanee Military Academy. College students were drawn from 34 States, Theologues from 13 States. Of the 8 students in the Seminary and the Graduate School of Theology from North Carolina, 4 are from the Diocese of North Carolina.

The untimely death of the Vice Chancellor and President, Dr. Alexander Guerry, on October 19, 1948 will be felt with poignant grief by Sewanee's friends for years to come. Your Trustees cannot extoll the magnificence of such a Christian educator in a few words if it required three full pages of the Chattanooga Times on the morning of October 20th. During his 10 years at Sewanee the physical assets of the University increased from \$4,650,000.00 to \$7,000,000.00, and the University Fund of \$1,000,000.00 was increased to \$2,250,000.00. The enrollment has more than doubled, the University is operating without deficit and the physical plant is in the best condition in its history. The Alumni Drive for \$5,000,000.00 Endowment and Building Fund has been renamed The Alex Guerry Memorial Fund and has reached the total of \$1,200,000.00 exclusive of the \$300,000.00 grant from the General Board of Education of New York.

This Diocese along with 21 other Dioceses in the Southeast owns the University. Besides operating the Sewanee Military Academy it also owns a farm, a dairy, a laundry, movie theater, hospital, supply store, printing press, sewage disposal system, miles of roads, a saw mill, and an extensive repair and maintenance establishment. Today the Emerald Hodgson Hospital is the largest accredited institution in the 140 miles plateau area between Nashville and Chattanooga. It hospitalized 1500 patients and handled 7,000 out-patients with an operating deficit due entirely to the large volume of charity work which varies from 30% to 70% of the total number of patients treated. In addition to this deficit the tuition fees for sons of Ministers aggregated \$16,000.00 last year. As you know, sons of Ministers do not pay tuition fees at Sewanee. Neither do the 57 Theological students pay tuition fees. Hence the necessity for continued Church support.

Diocesan receipts for the year 1948 amounted to \$42,089.39. The Diocese of North Carolina contributed \$2,645.03 including

\$645.03 received from Parishes. Your Trustees are committed to bring the following matter before the Diocese. The Board of Trustees agreed to request the 22 owning Diocese of Sewanee for a total contribution of \$50,000.00 per year. The share assigned to the Diocese of North Carolina is \$2,960.00 or approximately 18c per communicant per year. By the actions of Bishop Penick and this Diocese in the past you have been among the first to acknowledge your financial and spiritual responsibility to support the University of the South as a free Christian Educational Institution. It is the unanimous request of your elected Trustees that favorable consideration be given by acknowledgment of the fair and reasonable share allotted this Diocese. In passing we would comment that the Diocese of Florida, Louisiana, Upper South Carolina, Tennessee have exceeded their proportionate share in amounts ranging from 21% to 97%.

The Reverend Robert F. Gibson, Jr., Dean of the Theological School, will leave shortly to assume his duties as Suffragan Bishop of Virginia. Search for a new Dean is now underway and is expected to be announced shortly.

We reported last year of the \$28,000.00 gift from the Rockefeller Foundation for support of the Sewanee Review, the Nation's oldest literary critical quarterly. The literary publication *L'Athenee* published at Seriang, Belgium, stated in October 1948, "The Sewanee Review is a periodical of the highest rank, worthy of its place in our regard alongside the best French and British Publications. It is truly a pity that the American Information Services do not show more of an inclination to make us acquainted with other such remarkable productions of trans-Atlantic intellectual life."

The Board of trustees in Special session on May 5, 1949 elected as the new Vice Chancellor and President Dr. Boyleston Green, a native of Columbia, S. C., a Graduate of the University of S. C. with B.A. and M.A. Degrees, and from Yale University with a Ph.D. Dr. Green holds the present position as President of Emerson College, Boston. Dr. Green is the first Vice Chancellor in the history of The University who is not a Sewanee graduate, however, he is eminently qualified to hold the position recently described as one of the most important posts in American education. To paraphrase Mathew Arnold, "The purpose of education is not to make an intelligent being more intelligent, but rather to make reason and the will of God prevail."

Respectfully submitted,

REPORT OF THE PRESIDENT OF ST. AUGUSTINE'S COLLEGE

On May 30, 1949, the eighty second consecutive academic session St. Augustine's College will come to a close.

Within these four score odd years many changes have taken place in staff and student body, in the curriculum and in the physical plant. There has been no change, however, in the principles on which the College was founded, nor in the purposes of the program of education which it offers. The preparation of Christian leaders for the teaching profession and the ministry, and for other comparable vocational fields are still the major objectives of St. Augustine's efforts.

During this year, a total of 462 students have been registered in the College. They have come from 24 states, the District of Columbia, and 6 of the Carribean Islands. Two out of each ten have come from the Northern states, and half of the total come from the State of North Carolina.

They aspire to be teachers, physicians, social workers, businessmen, nurses, musicians, librarians, ministers and directors of programs in the field of health and recreation.

Fourteen young men have chosen the ministry as a vocation and receive special attention from the College Chaplain.

We have arrived at a formula for compulsory chapel attendance which is evidently acceptable to the vast majority of the students. In spite of the fact that many denominations are represented in the student body, the attendance upon the brief daily chapel service and the regular Sunday morning prayer and sermon is excellent, and from all indications, satisfies a deep spiritual need.

The Staff represents many fine interests and abilities.

The curriculum is in need of some expansion to take in account the need for rural leaders which has been emphasized repeatedly by the Presiding Bishop of the Church. There is also the need for enriching the present offerings in the physical and biological sciences, and the fine arts, business, and health and physical education, to meet the demands of the present student body.

The provision of short refresher courses for our ministers in service offers a rich possibility for the future.

The College is grateful to the Diocese for its annual appropriation in a day when costs of goods and services are higher than ever before.

The need for an enlarged plant to care for the present student body, for more teachers, and for higher salaries becomes more acute as publicly supported institutions receive even larger appropriations. The present high standards of St. Augustine's cannot be maintained without increased financial support.

The benign and sympathetic guidance to the Administration of the College from our Bishop and Chairman of the Board of

Trustees, and the friendly cooperation and support of the clerical and lay members of the Diocese are of inestimable value to St. Augustine's College in these days of bewildering change.

Respectfully submitted,
HAROLD L. TRIGG, *President*

REPORT OF THE BOARD OF EXAMINING CHAPLAINS

Since the last meeting of the Board the Rev. M. George Henry resigned as member of the Board and the Rev. Ievson B. Noland was appointed by the Bishop to take his place. The Board has met twice since the last Convention.

Hendry Thompson Rodman, Deacon, was examined in the subjects in which he was found deficient at the previous meeting, and being found satisfactorily prepared, was recommended to the Bishop for ordination to the Priesthood. Theodore Hall Partrick III, and Levering Bartine Sherman, Candidates for Holy Orders, were examined in the subjects prescribed by Canon 29 Sec. 1 (a). Both passed in all subjects and were recommended to the Bishop for ordination to the Diaconate. William Peter Katt, Candidate for Holy Orders, a former minister of the Presbyterian Church, was examined in the subjects prescribed in Canon 32 Sec. 3 (a). Mr. Katt passed satisfactorily in all subjects and was recommended for ordination to the Diaconate.

On Feb. 7, 1949 the Chairman of the Board attended a meeting of the Provincial Board of Examining Chaplains at Mont-eagle, Tenn. as the representative of this diocese on the Provincial Board.

At the direction of the Bishop the Chairman of the Board has supervised the studies of William Peter Katt and Christopher Columbus Gray, Candidates for Holy Orders.

REPORT OF THE HISTORIOGRAPHER

My major work during the past year has been the preparation of an article for the Confederate issue of the Historical Magazine of the Protestant Episcopal Church. The article is entitled "The Literature of the Church in the Confederate States." It was published in the December, 1948 number of the Historical Magazine.

Several requests for information on the history of the Church in this state have been answered.

Respectfully submitted,

REPORT OF THE DEAF MISSION WORK IN THE DIOCESE OF NORTH CAROLINA

During the past year there have been a total of 139 services for the deaf held with a total attendance of 4,709 persons. These

services consisted of 105 Morning and Evening Prayer services, 20 celebrations of the Holy Communion, 7 Baptisms, 3 funerals, and 1 of Holy Matrimony. Three candidates for Confirmation were presented.

In addition to serving the deaf as a minister, I have been constantly called upon to serve them through counseling, interpreting, assisting in securement of employment, and many other ways peculiar to deaf people. I have made many talks to different organizations of the church about the work among the Deaf.

I would like at this time to thank the many parishes, missions, and individuals who have so kindly contributed to the Rectory Fund for the Missionary to the Deaf. I am happy to report the funds for the rectory have been made available and the plans are in the hands of contractors to make bids for the construction. It seems the rectory will be completed in time for occupancy by early fall. I feel special thanks are due to the Rev. C. Alfred Cole for his personal interest in conducting the campaign for the funds which is making this possible.

In behalf of the Deaf of our Diocese, I wish to express our deepest appreciation to the Bishop, the Parishes and Missions, and both the clergy and lay-people for their many courtesies, cooperation, and support, without which this work would not be possible.

Respectfully submitted,

JAMES R. FORTUNE, *Missionary to the Deaf*

REPORT OF THE LAYMEN'S ASSOCIATION

I hereby submit as the Laymen's Association report to the Diocesan Convention my report to the Association as retiring President at the annual meeting, February 13, 1949, at Haw River, N. C., as requested by Mr. Wm. D. Barrett, the new President of the Association, who is unable to be present.

It has been gratifying to serve the past two years at President of our Laymen's Association and to continue to get encouraging reports of Laymen's organization and activity throughout our Diocese. I believe that we Laymen in the Diocese of North Carolina in keeping with the trend throughout our Church both by new organizations where none existed and reactivating the organizations in existence are showing definite and encouraging signs of real interest in Laymen's work. I believe that we are more conscious now than we have been in some years of both the responsibility and the great opportunity for service that we have to our Church.

Many of you were present at last year's annual meeting at St. Mary's, High Point. The Rev. Frederick A. McDonald, New York,

of the Presiding Bishop's Committee on Layman's Work, was the speaker of the day. The interest and enthusiasm shown there was most encouraging to me as President of our Association.

Many of you also attended the annual Laymen's Conference at Vade Mecum in late June of last year, and I am sure that those who were present agree with me that it was a most worthwhile meeting. Mr. Arthur Crownover, Jr., President of the Episcopal Men of Tennessee, was one of the featured speakers of that Conference, with our Ted Gannaway, Provincial Chairman, giving us as usual a great deal in instruction, advice, and counsel. Bishop Penick added greatly to the Conference with his talk to us and his holding of services for us at the Conference. Mr. W. D. Barrett of St. Mary's, High Point, gave a most interesting talk on Laymen's Work, which was so well received that it was unanimously moved that it be printed and sent throughout our Diocese as well as carried in the Carolina Churchman. These instructions, as you know, were carried out. Mr. Robert D. Jordan, National Director of Promotion for our Church, gave a very interesting talk on and presentation of the National Radio Program of the Church. All members present at the Vade Mecum Conference agreed that it was so worth while that we simply must get more of our Laymen to attend, there being 70 in attendance, the largest yet held. The Conference will meet again in June this year under the leadership of the incoming officers of the Association. I strongly urge your interest and attendance.

It was my privilege and pleasure to attend the Provincial Laymen's Conference at Sewanee in late June of last year. This Conference was presided over by Mr. W. Ted Gannaway, and I wished at the time that more Laymen from this Diocese could have been present. It was both encouraging and inspiring, and I urge as many of you as possible to go to the Provincial Conference at Sewanee in early June of this year.

We gave consideration to area Laymen's meetings last fall, but decided not to repeat those of the year preceding. Instead we asked we be allowed to take part in the Department of Promotion's regional meeting in the fall, to which request the Department of Promotion gladly agreed. It was our thought that we could serve the Department of Promotion by calling strongly on the Laymen in attendance to measure fully up to our responsibility in giving the necessary financial support for both parochial and Diocesan expenses, and at the same time that we could urge increased Laymen's organization and activity throughout the Diocese. Mr. W. D. Barrett of High Point kindly accepted the assignment of speaking to these regional Department of Promotion meetings, and he measured up to that responsibility in an excellent way.

We Laymen should appreciate fully the significance of Bishop Penick's emphasizing Laymen's work at our Diocesan Convention, which was held at St. Peter's Church, Charlotte, in May. Your President was given the privilege of making a report to the Convention. General John C. H. Lee, Executive Vice-President of the Brotherhood of St. Andrew, was invited and he delivered an inspiring appeal to the laymen and clergy.

Our Provincial Chairman, Mr. Gannaway, listed the following splendid objectives for Laymen's work in 1948:

"1. EVERY MALE COMMUNICANT AN INSTRUCTED AND ACTIVE LAY WORKER IN HIS PARISH OR MISSION."

"2. AN EFFECTIVE EVANGELICAL PROGRAM AT WORK AND VIGOROUSLY SUPPORTED BY ALL LAYMEN IN EACH PARISH OR MISSION.

"3. THE WHOLEHEARTED SUPPORT BY CONSECRATED LAYMEN OF EVERY PHASE OF CHURCH ACTIVITY AS PLANNED AND CONDUCTED BY THE RECTOR AND VESTRY OF EACH PARISH.

"4. A SPIRITUAL REAWAKENING AND REDEDICATION ON THE PART OF EACH LAYMAN BEGINNING WITH REGULAR CHURCH ATTENDANCE ON THE PART OF ALL LAYMEN IN EVERY PARISH AND MISSION."

"To accomplish these objectives the following schedule is suggested:

"First: An active laymen's organization of whatever form is most practical and acceptable in every parish and mission.

"Second: A responsible keyman properly qualified and instructed in every parish and mission in every diocese.

"Third: A special and approved program of lay activity in each parish and mission."

I hope very much that these were earnestly striven for throughout our Diocese.

The offering this year at the Men's Advent Corporate Communion throughout the Diocese was requested for construction of class rooms at Vade Mecum, with the understanding that the following year it would be for improvements at Camp Delany. Mr. E. B. Dixon of the Security National Bank, Diocesan Treasurer, reports that \$480.73 was been sent in to him in response for Vade Mecum.

I am sure that you share with me the feeling of inadequacy of our efforts as Laymen when measuring against the potentialities of service that we have to our Church. I earnestly urge that each one of us individually and collectively strive harder than ever in the future to better meet this responsibility.

In closing please let me record my appreciation of the honor and privilege of serving as your President and my thanks for the enthusiastic help and support of fellow officers, the Executive Committee and membership of the Association.

Respectfully submitted,
WM. H. RUFFIN

REPORT OF PENSION FUND

Your Pension Fund Committee respectfully submits its annual report as follows:

1. As of April 30, 1949, only one clergyman in the entire Diocese was in arrears for any part of his 1948 assessment.

2. As of April 30, 1949, only seven (7) clergymen in the Diocese were in arrears for any part of their 1949 assessments. Most of these arrearages, however, are, for practical purposes, current and in all probability will be taken care of during the present calendar year. The combined total of these arrearages and accrued interest amounts to one hundred eighty dollars eighty-four cents (\$180.84) as of April 30, 1949.

There is appended to this report a statement issued by the Church Pension Fund on policies established by it concerning the question of services by beneficiaries. The Pension Fund Committee of this Diocese has been particularly requested to present this statement to this convention.

Respectfully submitted,
ALLEN LANGSTON, *Chairman of*
Pension Fund Committee of the
Diocese of North Carolina

REPORT OF THE GOOD SAMARITAN HOSPITAL

The year 1948 marked the sixtieth anniversary of the Good Samaritan Hospital. During the year contracts were let for the construction of an adequate home for nurses, to be completed early in 1949, which will release sixty-five beds for patients.

All hospital rooms were painted during the year, Castle lights installed in the operating rooms and nursery to keep down infection and new floors laid in the Isolation Department.

The hospital shared in the fight against infantile paralysis by setting up a temporary Polio Unit and caring for twenty-five polio cases from Mecklenburg and surrounding counties.

We wish to thank the friends of the hospital for their gifts and continued interest, which we cherish and value highly. Especially would we like to thank the Episcopal churches of Charlotte, and the Duke Endowment, without whose help we could not have carried on this work for the sick and suffering.

Our statistical report is as follows:

4,666 patients for	35,084 days
2,811 Full Pay Patients for	19,139 days
226 Part Pay Patients for	2,980 days

1948 REPORT VADE MECUM CAMPS AND CONFERENCES

Attached is audit for 1948 season by Wilson, Maddison & Co. (C.P.A.) At the end of the 1947 season I had them make a study of the record keeping system. They agreed that the old system was not adequate and suggested revisions which have been followed. Independent verification of bills has never been customary and they felt it not indicated and an unnecessary expense as all disbursements can be verified by endorsed and canceled checks. Receipts are self-supporting and self-explanatory.

Conferences reached an all time high with 292 full time, 32 part time and 14 one day visitors totaling 338 as compared with 228 in 1947. I believe that all camps would have been full except for polio epidemic; Camp Penick Junior was full. Camp Cheshire Junior and Senior did not open, and Camp Penick Senior which closed at the end of the first week because of polio was half full. Closing in the middle of the season—and in the middle of a camp—resulted in much unusual expense in addition to refund of registration fees, telegrams, postage, etc. The staff—including cooks—were paid in full for the remaining half-season. About half of the staff stayed on as authorized by the Committee, and did some very productive work on the place, particularly on the Chapel in securing rock available free at the time which would have been very expensive later. This involved only the cost of food and saved a lot of money.

\$1,109.25 was refunded to campers who took advantage of the Committee's offer to refund registration fees. Fees that can still be requested total \$930. A good many parents authorized retention of fees not included above. At the beginning of season balance was \$1567.06 (November 2, 1947 that is), and at time of this audit (9-27-48) it was \$1489.03 of which \$116.68 is to be paid to the Classroom fund leaving \$1372.35. \$200. was repaid on an old loan from the Farm Account, but \$500. still remains. Thus if we had not paid the \$200. on the loan the balance would be about the same as at the end of last year, and this represents an amount sufficient to take care of normal post-season and pre-season bills which occur each year such as payment of bills which come in late such as lights, gas, etc. charge for audit, etc. totaling around \$300, purchase of needed equipment for next year, about \$150. so far, cost of paper, printing, publicity, postage,

travel, etc. preliminary miscellaneous supplies, clean-up, etc. These will run perhaps \$500. These figures do not take in the fact that normal replacements were not made in 1948 (because of closing) of athletic and kitchen equipment, etc., for example a diving board which is cracked and will cost about \$75. to \$100. It has been used a number of years. No reserve was established for such items, nor for a station wagon or office and other equipment. The wagon has survived 3 seasons and 2 wrecks according to my information, and a trade before used car values go off further might be a definite economy. Because of normal expenses money will not be available for this as early closing prevented accumulation of reserve for this purpose.

However, I feel we were fortunate. Full conference attendance with accurate allocation of expenses, increased registration fees which minimize loss from last minute cancellations and increased dining facilities along with various economics such as travel (as a result of new bus facilities) and laundry through the gift of a washing machine have helped. Those who gave registration fees also helped. (We still have \$930. exposed to request for refund but I hope not too many requests will be made).

In addition to a good bit of progress on the Chapel of Thanks and other improvements by the staff, there has been great improvement in the road from Winston-Salem as a result of the efforts of Mr. Willard Revelle. The paving of the road to Hanging Rock Park has brought pavement within 3 miles from the Danbury side. Arrangements have been made for a telephone connection to camp before the next season by the Lee Telephone Company of Martinsville without expense to the camp except for the usual monthly rental. This represents a considerable improvement over a previous estimate of \$3,000 to \$5,000 by another company.

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

Brethren of the Clergy and Laity:

I welcome you to the One Hundred and Thirty-fourth Annual Convention of the Diocese of North Carolina. We are fortunate to meet under the hospitable auspices of this magnificent parish. Situated in the heart of a great and growing city, St. Paul's has, within the last few years, moved to the top of all the parishes of the diocese in its communicant strength. This is the parish, you will remember, that entertained the interim meeting of the House of Bishops in the fall of 1947 with a graciousness and competence that will long be remembered by the members of that body. The increasing influence of St. Paul's is chiefly attributable, not to its size, but to an aggressive spirit that is alive to the major issues of a modern Church. The strong leadership emanating from this parish has undergirded the Church's Missionary Program and also some of the Church's most vital extras such as our Institutions, Christian Schools and Theological Education. It is a stimulating experience for our Convention to meet and move for a day in this energizing atmosphere, particularly in the immediate wake of the General Convention with its vision and acceptance of the overwhelming task and opportunity for the Christian Church in the perilous times of a changing world order.

NECROLOGY

Since the last Convention, one of our older clergymen has died. On October 18, 1949, the Reverend Royal Graham Shannonhouse, Priest, entered into rest. Mr. Shannonhouse was a native of Charlotte, North Carolina, a son of a prominent Church family of Mecklenburg County. He completed his college work at Chapel Hill in 1896, and then studied for the ministry at the General Theological Seminary, New York. He was ordained Deacon by Bishop Cheshire in 1899, and three years later was advanced to the Priesthood.

After spending a number of years in the undivided diocese of South Carolina and in Georgia, Mr. Shannonhouse came to North Carolina January 30, 1924, and became the Rector of St. Bartholomew's Church, Pittsboro. He served in this position until his death.

Mr. Shannonhouse will be gratefully remembered in this diocese for his missionary activities. He was tireless in his efforts to extend the Church. Under his leadership, St. Thomas' Mission, Sanford, undertook the construction of a beautiful brick church, at a time when a less courageous soul would not have dared to make such a venture. Later he began our first missionary work in Randolph County, and was instrumental in the erection of an attractive stone church at Asheboro.

A man of simple faith and quiet unpretentiousness, he had a contagious faith in the potentialities of small beginnings, humbly confident that as he "planted and watered," God would "give the increase."

SUMMARY OF OFFICIAL ACTS

Within the Diocese I made 106 visitations, celebrated the Holy Communion 40 times, and confirmed 760 persons. Bishop Henry confirmed 17 persons, making a total of 777. Of this number 53 were Negroes and 7 were members of the Deaf congregations.

I baptized 9 infants and 4 adults, officiated at 5 funerals, 6 weddings and 23 other services. I ordained 4 candidates for Holy Orders to the Diaconate, and advanced 6 deacons to the Priesthood. I licensed 103 Lay Readers, and delivered 112 sermons and addresses. I met with committees, departments, boards of trustees of institutions, 55 times, and held 131 conferences with individuals or groups.

I also dedicated the Bertha Leonard Marshall Nurses' Home of the Good Samaritan Hospital, Charlotte; officiated at the Ground-breaking Ceremony for the new Holy Trinity Church, Greensboro; organized the Church of the Resurrection, Henderson, into a mission of this Diocese; laid the cornerstone of St. Paul's Church, Thomasville; officiated at the first service in the Chapel of Thanks at Vade Mecum; laid the cornerstone of Holy Trinity Church, Greensboro; laid the cornerstone for a new Parish House for St. Paul's Church, Smithfield; accepted the resignation from the ministry of the Rev. Benjamin Thorp Brodie, Presbyter, and deposed him from the Priesthood of this Church; instituted the Rev.

Henry Haskell Rightor, Jr., as Rector of Christ Church, Charlotte; laid the corner stone of the Church of the Resurrection, Henderson; and consecrated St. Andrew's Chapel, Greensboro.

Outside the Diocese, I celebrated the Holy Communion once, conducted five other services, ordained one Candidate of this Diocese to the Diaconate, preached eight times and delivered two lectures, met with eight committees and held one conference. From September 21st to October 13th I was en route to the meeting of the General Convention held in San Francisco, where I attended all the sessions of the House of Bishops and the sessions of the House of Bishops and the House of Deputies meeting jointly. I returned to the Diocese on October 13th.

In the month of November, in All Saints' Chapel, Sewanee, I took part in the Installation of Dr. Boylston Green as the Tenth Vice-Chancellor of the University of the South. At St. John's Church, Jacksonville, Florida, I participated in the commemoration of the Twenty-fifth Anniversary of the Consecration of the Rt. Rev. Frank A. Juhan, D.D., Bishop of Florida.

HOME FOR THE CARE OF THE AGED

Last year this Convention considered the possibility of establishing a Church Home for the Care of the Aged in this Diocese. The subject was referred to a special committee for survey and study. Upon my request, this investigation was undertaken by the Department of Christian Social Relations of the Executive Council. Established homes for the aged in other parts of the country have been studied, and an earnest effort has been made to determine the need for such a home in this Diocese. A considerable degree of interest in this proposal has been manifested on the part of many individuals and groups, who feel as if the Church has a responsibility in this neglected area. The survey is still going on in a thorough way, but its findings at present are inconclusive. It is well that the many problems involved in the erection

of such an institution should be approached only after the most exhaustive investigation. I want to thank the Department for the serious work that has already been done on this proposal, and to express the hope that the Diocese will keep this project in mind as part of its long-range program.

THE UNIVERSITY OF THE SOUTH

Within the past year, changes of vital importance have been made in the official leadership of the University of the South. Last November, Dr. Boylston Green was instituted as the new Vice-Chancellor at Sewanee. He succeeds the late Dr. Alexander Guerry. In January of this year, one of our former clergy, the Reverend Francis Craighill Brown, was installed as the new Dean of the School of Theology. It would be hard to over-estimate the importance of these positions that these two distinguished leaders now occupy in the field of Christian Education. Dr. Green has assumed his office at a time when a utilitarian and materialistic age is questioning the merits of the liberal arts as compared with the practical value of a specialized training in a limited scientific field. Does a private denominational institution like Sewanee offer educational advantages of such distinction as to justify its appeal for the continued support of the Church? Is the School of Theology at Sewanee producing the type of ordained leadership that makes it practically essential for the well-being and progress of the Church? We answer both of these questions with confidence, in the affirmative, not because of our pride in the institution of which we are part owners, but because we believe that the development of religious and spiritual values must always go hand in hand with cultural knowledge and scientific skill.

Sewanee stands as a witness to our conviction that man is more than mind. He is also a child of God, and any scheme of education that disregards the spiritual origin and basis of human character and personality is lacking and out of balance. We welcome the new Vice-Chancellor,

Dr. Green, and the new Dean, Mr. Brown, to this Convention, and are glad of this opportunity to assure them of our trust in their ability to direct the affairs of the University of the South with competence and success.

THE EPISCOPAL LAYMEN'S ASSOCIATION

The first effort to organize the laymen of this Diocese was made in the fall of 1934. Since that date, the laymen of North Carolina have become increasingly conscious of their corporate power and influence. In the local church, these earnest men, numbering in the aggregate several thousand communicants, are members of different lay organizations, all of which function at the parish level with varying degrees of effectiveness. While these miscellaneous groups, such as parish clubs, Bible classes, Brotherhoods, Laymen's Leagues and Episcopal Laymen's Associations, have unquestionable merit, and should be continued for the good work they are doing, they are, nevertheless, unrelated and unaware of each other, and consequently lack the cohesion and power of a closely knit body of men organized at the Diocesan level.

Without discouraging or discontinuing local initiative and parochial objectives, have not the men of this Diocese accumulated enough experience in the last sixteen years to recognize the value of an integrated program that will be flexible enough for local adaptation, and at the same time bound together and engaged in a common program of serious proportions and importance. What we would never think of doing as several parochial units could reasonably be undertaken by a well-directed, unified body.

With the idea of relating our growing work to the Diocesan plan of action, I earnestly hope that this Convention will give favorable consideration to an amendment to the Canon, that will be proposed, that will provide for an increase in the membership of the Diocesan Executive Council to include a representative of the Episcopal Laymen's Association. This proposal, if adopted, will integrate the entire personnel of our Diocese, men, women

and young people, into a well-knit body, each group making its own distinct contribution to the one common program of the Church in North Carolina.

INCREASED EPISCOPAL SUPERVISION

At the Diocesan Convention of 1949, acting in accordance with the decision of the preceding Convention, an effort was made to elect a Bishop Coadjutor for this Diocese. After an all-day session, during which twenty-four ballots were taken, night came on, and with it the failure of the clerical and lay delegates to concur in the choice of any nominee. The Convention thereupon adjourned sine die. This action, in my judgment, and according to the opinion of several Canonists and parliamentarians whom I have consulted, was final, since it left no provision for the further consideration of this business, unless it should be re-introduced at some subsequent Convention. It is now my desire to renew this subject and to ask for its consideration by this Convention. My reasons for re-opening this issue are those that I offered at the Convention of 1948. At that time, as some of you may recall, I spoke of the expanding work of the Church in this Diocese, and of the opportunities for development in many phases of our Church life that wait upon the leadership that increased Episcopal supervision will provide. The passage of time has not reduced these opportunities, but has rather increased them. The need that was apparent two years ago has now become urgent. Time presses on, and doors of opportunity are closing, while the deep disappointment, if not reproach, rests upon us for our failure to take necessary action. I earnestly hope that this Convention will not defer an Episcopal election any longer than necessary. It will be possible to hold an election this year. Canonical consent to proceed with an election has already been obtained from the Bishops and Standing Committees of the Church. As there was no time limit attached to these approvals, they will not have to be sought and secured again. If an election should be held this fall as early as

September, the Canonical consent of the Bishops and Standing Committees to the Ordination and Consecration of the Bishop-elect could probably be secured by the end of December. If so, the new Bishop could be consecrated and enter upon his duties in January, 1951.

If this proposed course of action commends itself to your judgment, I would hope that a special Convention might be called, rather than an adjourned session of this one. The reason for this suggestion is that the parishes and missions of the Diocese are entitled to be notified whenever an Episcopal election is going to be held, and no such notice was given this spring before the lay delegates to this Convention were chosen. Furthermore, it might be advisable for this body to provide for a nominating committee with authority to present several names to the special Convention in September, if such should be called. This suggestion is offered in the light of our experience last year, when sentiment failed to crystallize sufficiently to issue in a concurrent vote. I ask for the appointment of a special committee today to consider the whole question of the election of a Bishop Coadjutor for this Diocese, with instructions to report their findings and recommendations to this Convention tomorrow in time for thorough discussion before adjournment.

The Committee approved the said purchase and advised the Bishop to give his consent thereto, but specified that the conveyance be made to the Wardens and Vestry of St. Mary's Church, High Point.

The Bishop presented a request of St. Paul's Church, Salisbury, asking for the consent of the Bishop, with the advice and approval of this Committee to the sale by said Church of a lot 125x100 feet, adjoining the Methodist Church on Chestnut Street, Salisbury, for \$3,000.00 cash. REPORT OF DIOCESAN EXECUTIVE COUNCIL

The Executive Council has held the usual four meetings during the past year, the dates being June 30th and September 15th in 1949, and January 15th and April 13th in 1950. The members were assigned by the chairman, Bishop Penick, to the following departments: FINANCE: Messrs. Arthur L. Tyler, Chairman, Ralph H. Bouligny, W. L. London, and Samuel N. Clark. MISSIONS: The Rev. James S. Cox, Chairman, Dr. John W. Black, Mr. James Webb. CHRISTIAN EDUCATION: The Rev. Messrs. Clarence R. Haden, Jr., Chairman, Robert J. Johnson, D. D., and Mrs. Edwin F. Lucas. SOCIAL RELATIONS: The Rev. C. Alfred Cole, Chairman, Mrs. Landon Hill, Messrs. Allen Langston and Graham H. Andrews. PROMOTION: Rev. David W. Yates, Chairman, Mrs. Thomas McMillan, and Mr. Eric Norfleet. YOUTH: The Rev. Robert L. Crandall, Chairman, Rev. Messrs. W. Moultrie Moore, Jr., and Iveson B. Noland. COLLEGE WORK: The Rev. Carl F. Herman, Chairman, Rev. Lewis F. Schenck. Associate members

were elected to all of these departments from outside the membership of the Council.

Necessary changes were made at the June meeting in the budgets adopted by the last Diocesan convention. All expenditures for the office of Bishop Coadjutor were deleted from the Episcopal Maintenance Fund budget, reducing it from \$34,357.27 to \$22,640.60. Exercising the authority given to it by the last convention, the Council increased the budget of the Church's Program Fund by changing the appropriation for the National Church's Program from \$27,500.00 to \$34,015.00, as requested by the National Council.

The Executive Council resolved to recommend for adoption by this convention a minimum salary standard for married missionary priests in the diocese of \$3,000.00 per year with rectory or rectory allowance.

The basis of assessments of parishes and missions for the Episcopal Maintenance Fund of 1950 was seven per cent of 1948 current operating expenses. The quotas for the Church's Program Fund were arrived at by averaging three factors: (1) \$4.50 per communicant for parishes, \$2.50 for organized missions, and 25¢ for unorganized missions; (2) fifty per cent of current operating expenses for the last year known, being 1948; and (3) the average amount given to the Church's Program Fund in the last three years. In the fall every-member canvass the parishes and missions accepted quotas totaling \$106,205.87 toward the Church's Program budget of \$110,596.30 to be raised by quotas, and assessments amounting to \$25,288.31 toward the Episcopal Maintenance budget of \$24,440.60.

The Department of Christian Social Relations with the Rev. C. Alfred Cole as chairman is continuing its study of the need for a home for the aged. A special committee of the department with Mr. John H. Cutter as chairman sent a letter to all clergymen seeking to find the immediate need and future need from each parish and mission. Certain facts have been gathered from other homes throughout the Episcopal Church. Until all of the material is gathered, correlated, and analyzed the Department does not feel that it should make any recommendation to the Executive Council, which was asked by the last Diocesan convention to study the matter. As soon as the study is completed by the Department of Christian Social Relations, it will report to the Executive Council, giving recommendations, and the Council will then report to the Diocesan convention.

The Executive Council wishes to offer two resolutions:

1. Whereas the records of the treasurer of the Diocese over a period of years have consistently reflected a current deficit amounting at times to as much as \$7,000.00 during the spring

and summer months, caused by failure of many parishes and missions to pay their pledges *MONTHLY* as required by canon law, be it resolved, that all parish and mission treasurers remit one-twelfth of their Church's Program quotas every thirty days in order that our missionary work may operate on a current basis.

2. Be it resolved, that the consideration of 1951 budgets for the Episcopal Maintenance and Church's Program Fund budgets be made the special order of business for 10:00 A. M. on Wednesday, May 3rd, these proposed budgets to be submitted to the convention by the Finance Department of the Executive Council.

Respectfully submitted,
DAVID W. YATES,
Secretary.

DIOCESE OF NORTH CAROLINA FINANCE COMMITTEE

Mr. Arthur L. Tyler, *Chairman*

Diocese of North Carolina Finance Committee
Rocky Mount, North Carolina

Dear Sir:

Pursuant to our engagement, we have made an examination of the financial statements submitted by the Custodian of the Trustees of the Diocese of North Carolina, Francis J. Murdoch Memorial Society of the Propagation of the Ministry, Security National Bank, Custodian, Greensboro, North Carolina, for the year ended December 31, 1949, and submit herewith our report, consisting of two exhibits, three schedules and the following comments.

SCOPE OF AUDIT

Our examination was confined to a review of the statement of the year's transactions submitted by the Custodian, and further confirmation was not obtained in respect of securities and cash on deposit.

The accuracy of income from securities was verified; we scrutinized the income from other sources, and it appeared to be in order. Verification of disbursements was not made beyond the annual statement of the Custodian.

RECOMMENDATIONS

In view of the fact that no action appears to have been taken on the following recommendations made in previous audit reports they are again brought to your attention:

1. No interest has been received by the Murdoch Memorial Society since January 15, 1942, from the Trustees on their note of \$425.00 (Schedule 2), and according to the Custodian no demand is to be made for payment of interest or principal until further instructed by the Trustees. It is recommended that appropriate steps be taken either to place the note upon an income-producing basis or to effect collection so that the money can be reinvested in income-producing securities.
2. From correspondence in the files of the Custodian, it appears that Andrew D. Milstead does not intend to pay his \$2,000.00 note (Schedule 3). We suggest that steps be taken to collect this note or, if uncollectible, that it be charged off.

It is further recommended that efforts be made to effect

collection of loans to former students who have not been ordained or, if uncollectible, that they be written off.

GENERAL

It will be noted that student loans, shown on Statement of Assets and Liabilities, Exhibit "A," in the Income Account are offset by a 100 per cent reserve. The notes are shown in the Income Account in accordance with the will creating the trust which provides that "... only the income shall be used for the training and education of young men for the ministry of the said Protestant Episcopal Church," and the reserve has been provided pursuant to the Trustees' policy of canceling the notes when a student enters the ministry.

THE FRANCIS J. MURDOCH MEMORIAL SOCIETY REPORT—1949

One of the major concerns of the late Rev. Francis Johnstone Murdoch, D. D., was to encourage young men to study for the sacred ministry. Not only did Dr. Murdoch furnish encouragement, he also furnished training and financial assistance. As a memorial to him his sister, Miss Margaret Murdoch, established a trust fund, the income from which is designated for the education of candidates for the ministry.

The Francis J. Murdoch Memorial Society is happy to report that five of the young men aided by this fund have now been ordained to the Priesthood, and in accordance with the custom of the Society, their notes have been cancelled during 1949. For the current year, loans of \$200.00 each have been made to the following:

George N. Forzly
Thomas Crockett Aycock
George I. R. McMahon
John M. Barr

We note three items in the auditor's report that require attention and we recommend that they be referred to the trustees of the Diocese with a request for action.

The Society feels that it is the sacred duty of every layman in this Diocese to encourage our best young men to offer themselves for the sacred ministry. The tremendous clergy shortage is, we believe, one of the principal reasons why we have not been able to do more for the extension of God's Kingdom. Young men need not only encouragement to study for the ministry, they also need financial assistance. After the heavy financial burden of a college education, few men have the means to pay their way through seminary. They need and deserve financial assistance and encouragement from the Church. It is the hope of the Society that many laymen will feel called of God to make substantial contributions toward this cause which is such a major concern to the Church. This may be done through contributions to the Bishop's Purse, or gifts to the Murdoch Memorial Fund.

The number of candidates for the ministry is now unusually large; therefore, the need for additional funds is great.

REPORT OF THE COMMITTEE ON THE STATE OF THE CHURCH

In drawing its report to the convention on the state of the church, the committee would like to mention by title the full statistics from the annual reports. The secretary of the Diocese has these and will have them published in the Journal. Your committee would like to make several observations as a result of studying these statistics, recognizing that these figures could not tell the full story. On behalf of the secretary, we should like to once again admonish the clergy to complete their annual reports promptly and correctly as required by canon law; at the time of this writing there are eighteen reports still outstanding. It should also be noted concerning these reports that the financial sheets have not balanced in as much as one-third of them. Realizing that these are the only figures available to the National Church for their study and reports, it is all the more fitting that careful attention should be paid in their completion.

Your committee finds in the study of the available reports that even with the incomplete returns there is shown an increase in the communicant strength of seventy-five persons over those reported last year; in the church schools there is shown an increase of over two hundred pupils, though there is noted a decrease in Bible Class attendance.

Judging from the financial returns it is the thought of the committee that the church is enjoying the national prosperity. This higher per capita giving is reflected in perceptibly higher salaries for the clergy generally. Likewise, this is shown also in the material improvements noted almost universally. Physical improvements such as redecoration and renovation of existing property; the addition of necessary space by building; the erection of completely new structures such as those in Greensboro are noted throughout the Diocese. There is an heartening increase in the budgets of not only the National and Diocesan programs, but the parishes and missions as well.

The Department of Christian Education has commendably met the needs of our church schools with its advice and assistance on curriculum by means of conferences and schools for leaders. Special credit should go to Miss Eleanor Snyder, Advisor and the Chairman, Rev. Clarence R. Haden, Jr.

The completion of the chapel at Vade Mecum marks the increasing development of the laymen's movement in the Diocese. This action, the result of several years work by this group, grew out of the increased attendance and interest at the several meetings held during the year. The committee finds real encouragement for the future of the church by this development of the laity.

In the evaluation of the spiritual estate of the Diocese, your committee feels that the church stands ready to meet an increasing

demand; with only a few vacancies among the churches the Church should be able to meet the searching religious demands of a troubled time. There has been a noticeable improvement in attendance at most services; there has been a greater interest generally in religion and church affairs. The more widespread usage of the Cycle of Prayer for all parishes and missions of the Diocese is to be encouraged to promote the spiritual unity. In particular should this prayer be for the development and expansion of the missionary areas.

REPORT OF THE MISSION WORK AMONG THE DEAF

For the year of 1949, the Missionary to the Deaf of the Diocese of North Carolina conducted a total of 118 services for the deaf with a total attendance of 4,949 persons. The breakdown shows a total of 88 services of Morning and Evening Prayer, 20 celebrations of the Holy Communion, 7 Baptisms, and 3 funerals. Seven candidates were presented to the Bishop for Confirmation. These services necessitated traveling approximately 25,000 miles. In addition I have addressed 7 Civic Clubs and 9 women's Auxiliary meetings about the work among the deaf.

Beginning in the fall of 1949, I added to my schedule a monthly visit to the North Carolina School for the Negro Deaf in Raleigh. These services, due to limited space, are conducted for the older students there. They are attentive, interested, and most appreciative.

The demand for assistance in counseling and interpreting continues to increase which permits more effective the work of the Church.

At the last Convention I reported the Diocese was about to begin construction of a rectory for the Missionary to the Deaf. It is with real pleasure that I now announce its recent completion and with heartfelt gratitude that my family and I are occupying it. Many of the parishes, Missions, Sunday Schools, Woman's Auxiliary, and individuals contributed to the rectory fund, my family joins me in again thanking you.

For the continued interest, support, and prayers of the Diocese for the work among the deaf, I express the sincere appreciation of the Deaf of the Diocese of North Carolina.

Respectfully submitted,
JAMES R. FORTUNE,
Missionary to the Deaf.

THOMPSON ORPHANAGE

REPORT TO THE BOARD OF MANAGERS

M. D. WHISNANT, *Superintendent*

February 10, 1950

For almost sixty-three years the Thompson Orphanage has given homeless children all over the state of North Carolina an opportunity to become useful, happy, self-supporting men and women. The successful men and women who were reared at the Thompson Orphanage owe most of their success to the members of the Episcopal Church in North Carolina and their constant loyalty to the home which they have established and which they maintain for homeless and destitute children.

During 1949 the Orphanage provided a home for ninety-six children. The following gives the division according to the three Dioceses:

Diocese of East Carolina		Diocese of Western North Carolina—Quota	
Quota	26	North Carolina—Quota	8
Total cared for	29	Total cared for	10
Discharged	3	Discharged	1
Admitted	4	Admitted	4
Here now	26	Now here	9
Diocese of North Carolina		State—Capacity	
Quota	56	Total cared for	96
Total cared for	57	Discharged	17
Discharged	13	Admitted	21
Admitted	13	Now here	79
Here now	44		

The school year ending in 1949 was the best one that has been experienced at the Orphanage with thirteen children making all "A," eighteen all "B," and twenty-two all "C." Out of a total of seventy-six children in public schools fifty-three made an average of "C" or better. Although our children attend the public schools our matrons conduct a study hall in their cottages each night and much of the credit for the children's good school work is due to the excellent help they receive from their matrons. Jim Benson, who attended Phillips Exeter last year, has again been awarded a scholarship for the school year of 1949-1950 and is making a fine record.

The farm training program was organized in 1942. The past seven years have brought many improvements and additions to the farm. The initial herd of eight registered Jersey cows has increased to a herd of twenty, with eight registered Jersey heifers being raised as replacements. Only three of the present herd were purchased; the others were raised here at the Orphanage.

The farm provides a method of training in which the children can find enjoyment and satisfaction in working with livestock and growing food.

The location of the Orphanage in the heart of Charlotte makes it difficult to plan a future training or improvement program. The superintendent has not requested that large appropriations of money be made for extensive improvements to the buildings due to the fact that the transfer of all farming operations to Cedarbrook Farm seems imminent.

In addition to the training program the farms provided a good source of income and food for the Orphanage. The produce at Cedarbrook was valued at \$8,312.43 and here it was \$8,808.99, making a total of \$17,121.42.

I would like to call your attention to the fact that the Thanksgiving Offering has declined greatly this year. This decline started in 1947. The following figures are given for a three year comparison:

Diocese of	1947	1948	1949
East Carolina	\$ 6,034.19	\$ 6,070.33	\$ 5,258.33
North Carolina	19,940.33	18,660.30	15,086.96
Western North Carolina	3,038.69	2,761.95	2,203.09
Totals	\$29,013.21	\$27,492.58	\$22,548.38

The appropriation from the Church's Program Fund of the Diocese of North Carolina has been cut in the amount of \$1,500.00 annually.

While our Endowment Fund has increased considerably this money cannot be used for current expenses and the interest from the Endowment does not offset the drop in the Thanksgiving Offering.

In order to maintain the Orphanage in a satisfactory manner the continued support of our people is vital.

REPORT OF THE CHANCELLOR

I have the honor to submit herewith my third annual report as Chancellor of the Diocese as follows:

During the year I have been consulted by the Bishop and other officials, clergy and laymen of the Diocese and have given opinions, advice and assistance from time to time. All of the matters referred to me need not be enumerated but include the following:

1. I have collaborated with Senator Christie Benet, of Columbia, South Carolina, and Bishop Penick with reference to the incorporation of Kanuga Conferences and I am advised that the proposed charter is to be submitted to this convention.

2. Opinion rendered the Bishop with reference to acquiring title at Vade Mecum for site of the Chapel of Thanks recently completed.

3. Clarification of the question of authority of the Diocesan Executive Council to appropriate surplus in the Episcopal Maintenance and the Church's Program Budgets.

4. Preparation of proposed amendment to Canon XVII relating to representation on the Diocesan Council by the Laymen's Association of the Diocese.

Respectfully submitted,
FRANCIS O. CLARKSON
Chancellor.

REPORT OF WOMAN'S AUXILIARY—1949-1950

Since the last Diocesan Convention 6 delegates, one from our minority group, from the Diocese of North Carolina, attended the Triennial Meeting of the Woman's Auxiliary in San Francisco which met concurrently with the General Convention. These delegates have appeared frequently at branch and district meetings, trying to bring to each member of the Auxiliary something of the inspiration of that great gathering. The theme of the Triennial, "Called Unto His Holy Fellowship" we have adopted as our own for this year, and used it at the annual meeting in High Point last month.

At that time we elected Mrs. J. P. Armstrong of High Point as Treasurer, Mrs. William P. Steele of Raleigh as United Thank Offering Custodian and Mrs. Allen Surratt of Newsome as our choice for Representative on the Diocesan Executive Council. There was an attendance of approximately 300 at this meeting.

The membership of our organization has increased 10% since last year, the total number now being 4,046. The financial picture is good. The records show that the total Diocesan receipts during 1949 were over \$21,000 (and, of course, there were many other items which do not show because they did not go "through channels"). The budget now amounting to \$9,500.00 has been raised \$500.00 for 4 consecutive years, and will be raised another \$1,500.00 in 1951, this by vote of the delegates at the annual meeting. There was a surplus of \$2,809.03 at the end of 1949, and a large portion of this we voted to give to several Diocesan missions. Our Epiphany Day offering of \$255.90 will be used for the Seminary Scholarship Fund, and that of the Feast of Purification which amounted to \$282.47, for furnishings for the new home of the Missionary to the Deaf in Durham.

The year of Study and Action for the Woman's Auxiliary runs from September to June. During the summer months there are Auxiliary and Adult Conferences at Vade Mecum and Kanuga where we are enabled to get information and inspiration concerning all phases of our work.

Our study course last fall on Christian Stewardship was widespread and beneficial; and we like to think that it contributed in some measure to the success of the Every Member Canvas in the Diocese. Our studies have included courses on the Bible, Japan, and Cooperation for a Christian Nation. And, of course, each branch has additional study groups within itself.

The Christian Social Relations Department has sent many boxes overseas—to Jerusalem and to Japan, where the need is great; and the Supply Department has contributed generously to an Indian mission in South Dakota and to the destitute in Puerto Rico. For the first time this department has assumed the responsibility of supplying St. Agnes and Good Samaritan Hospitals with all necessary linens and blankets. Over 400 dozen articles—sheets, pillow cases, towels, layettes and bedspreads—and more than 100 all wool blankets have been sent to these institutions from this department of the Woman's Auxiliary.

Under the leadership of the Missionary Correspondent we are becoming more aware of our missionaries in the field. She sees to it that we remember their birthdays and acts as a liaison officer between them and us, getting out a monthly bulletin for our mutual benefit and information. The gifts to them from our women at Christmas amounted to \$516.88.

Our other departments include Personnel (or Christian Vocations) whose function it is to influence and lead others, particularly the young people, into church work as their life's work; the Youth Department which cooperates with the Diocesan Department all along the line; and the Church Periodical Club whose duties are varied and manifold. The Auxiliary also has a member on the North Carolina Legislative Council who keeps us informed of the bills before the Legislature, bills of which we, as educated Church women, should know.

The work in our Negro branches is expanding and strengthening. \$1,700.00 of our budget is used for salary and travel allowance for a field worker in this district.

On the Golden Alms Basin in San Francisco our United Thank Offering Custodian placed the contents of our Blue Boxes for the past three years. The total from the diocese was \$47,046.24, this sum ranking ninth among the 103 Dioceses and missionary districts of our Church, and represented our prayers of thanks for God's goodness and mercy to the women of the Diocese. I'm sure you all know that the total of *all* the blue boxes was 2 million dollars.

On the first Friday in Advent a Quiet Day of Prayer and Meditation was observed in 11 places in the Diocese. Though the attendance was disappointingly small, those who did go were deeply appreciative of the benefits received and urge the continuance of this kind of a preparation for Christmas. We owe a debt of gratitude to the members of the clergy who conducted these services.

Their willing response to the many requests made of them by the women of the Auxiliary sets an example we all would do well to follow.

MABEL S. LUCAS,
President of the Woman's Auxiliary.

REPORT OF THE PENSION FUND COMMITTEE

1. As of April 30, 1950, only one clergyman in the entire Diocese was in arrears for any part of his 1949 assessment.

2. As of April 30, 1950, pension fund payments for all clergymen in the Diocese for the current year have been paid.

3. There are, however, two old assessments running back as far, in one case, as 1942, amounting in the aggregate to \$337.93; there are two non-parochial assessments which in one case runs back to 1917, amounting to \$638.60. One clergyman carries a non-parochial assessment not due in this Diocese in the amount of \$124.79.

Respectfully submitted,
ALLEN LANGSTON

of the Diocese of North Carolina*

REPORT OF SAINT MARY'S SCHOOL AND JUNIOR COLLEGE

The 1949-50 session opened September 12, 1949. Three hundred and fifteen students were registered from 20 states and two foreign countries.

The orientation program initiated during the 1947-48 session was extended last fall to include broader testing of all students. These tests now include special English, foreign language, and mathematics tests in addition to those of a broader nature. This program gives the faculty information about student aptitude and weakness, and promotes better teaching.

During the year 1950 the five owning Dioceses are contributing a total of \$4,100 to the support of the school. North Carolina increased the item in its budget from \$2,000 given in 1949 to \$3,000 for 1950. During the academic year 1949-50 the school will return most of this money in clergy discounts to the daughters of Episcopal clergymen who are attending Saint Mary's.

Out of its budget for 1950 the Woman's Auxiliary of the Diocese of North Carolina has established a scholarship valued at \$300. This scholarship will be available for use in September. The trustees are greatly encouraged by this interest and cooperation.

Much work has been done in the last several years on the physical plant. Plans have been approved by the trustees for a continuation of this improvement during the summer of 1950.

A new building is badly needed to accommodate the growing science department and to provide more classroom space. It is hoped that the members of this convention will continue to present the needs of the school to those people who are able to help solve these financial problems.

A number of gifts have been received this year. New lights were installed in the chapel and dedicated at the Easter service. A new stained glass window will be installed by commencement time. Both of these gifts are memorials. Crystal chandeliers, a gift from Mrs. A. B. Stoney—a member of the Board of Trustees from Western North Carolina—will be hung in the parlor this summer.

Enrollment continues to remain at a capacity level. It is imperative that there be no decline in enrollment as the school lives very largely on student fees. I cannot urge you too strongly to recommend the school to your friends for their daughters. It is also our hope that the needs of the school will be before you constantly and that you as individuals will help place the school on a firm financial basis.

Saint Mary's has an enviable position in the field of education in the South. Sound academic training has always been its aim, but without the excellent Christian training it gives also it would have no special distinction.

RICHARD G. STONE
REPORT OF THE HISTORIOGRAPHER

My work for the past year has been almost entirely confined to assisting in the organization of the campaign for the Restoration of St. John's Church, Williamsboro. A small folder has been prepared sketching briefly the history of the church and outlining what is needed to be done. The campaign is now officially underway. I wish to take this opportunity to urge everyone in the Diocese to assist in the restoration of this our last surviving colonial church in the Diocese of North Carolina. It is gratifying to report that on the eve of the campaign a little over \$3,000 has been given without solicitation.

REPORT OF ST. AUGUSTINE'S COLLEGE

To: The Right Reverend Edwin A. Penick, D. D., and Members of the Diocesan Convention.

It is my privilege to express to you the gratitude of the President, Staff, and students of St. Augustine's College for your confidence, encouragement and support during the past year as well as throughout the 83 years of life, in which the college has grown and prospered with the strength of your guidance and approval.

St. Augustine's can truly boast of glorious tradition. The great spirits who secured a charter for the College on July 19, 1867, gave it permanence in three great principles—unity, courage, and faith in humanity.

Many institutions founded in that tragic era had the support of only the northern branch of a church. A glance at the names of members of our first Board of Trustees reveals some truly great personalities of North Carolina—the Rt. Rev. Thomas Atkinson, 3rd Bishop of this Diocese; the Rev. R. S. Mason, Rector of Christ Church, Raleigh; Rev. Joseph Blunt Cheshire, Sr., Rector of Calvary Church, Tarboro; Rev. Aldert Smedes, Founder and Rector of St. Mary's School; Rev. E. M. Forbes, Rector of Christ's Church, New Bern; General William R. Cox; Dr. Kemp P. Battle, President of the University of North Carolina; Dr. A. J. DeRossett of Wilmington; Mr. Richard Smith, of Scotland Neck; Mr. John Wilkes of Charlotte; and Dr. J. Brinton Smith who resigned his position as Secretary and field agent of the Freedman's Commission (one of the three departments of the Board's Missions of the Protestant Episcopal Church) to become the first executive head of Saint Augustine's. The bulk of the initial funds came from the estate of Charles Avery of Pittsburgh, Pennsylvania. From the beginning the College was the Missionary effort of a United Church.

The distinguished North Carolinians who composed the first Board of Trustees had the Christian courage to face the realities of critical times, and to meet the challenge with an educational institution which has produced great leaders—Bishop Henry B. Delany, Bishop Bravid W. Harris, Dr. Simon G. Atkins, Dr. Edson E. Blackman and a host of others—who have relieved the tensions born of internecine strife and the responsibility for Christianising and educating the new freedmen.

Bishop Atkinson expressed his own faith and that of the Board in the Negro's capacity not only to learn but also to teach others when he said: "In order that the education of the Freedmen at the South shall be general and effective, it must, to a great extent; be conducted by teachers of their own color." ". . . our resource

must be to provide and to qualify young men and women of color, who shall be able to teach others also."

The Unity of a great Church.

Courage to face the reality of the troublous times in which they lived, and to do something tangible in the solution of a major problem.

Faith in capacity of brothers of color to learn and to teach others to become good citizens.

These three are the pillars on which St. Augustine's was founded. They give us stability, guidance and confidence in our efforts to justify the faith and courage of the founders.

There are enrolled in the college this year 492 students.

48% are male

52% are from North Carolina

83% are from Southern States

10% are foreign students

They come from 23 states, the District of Columbia, 3 countries in Africa, and four of the British West Indies.

They will become ministers, physicians and dentists, nurses, social workers, health workers, teachers, musicians, office-workers and business men.

Four of our graduates entered theological seminaries in September 1949. Three others are ready to enter in the Fall. Still others are underclassmen in the college.

It is hoped that we can provide short refresher courses for in-service ministers in due time. This can be done at St. Augustine's for ministers of this region more economically than elsewhere.

One-fourth of our students work to help themselves. There is an African from Sierre Leone who was caught on the high seas when the British pound was devaluated. We have succeeded in securing some help for him. He will need more next year. He is a brilliant student.

There is a blind girl who is a consistent honor student and a talented singer.

There is a girl from a large poor family. She has superior ability and in spite of lack of funds she earns her way by work in the college laundry and maintains a high standard of scholastic achievement.

These are a mere sample of the many deserving personalities in our student body which exemplify the courage and faith of the founders, and the yearnings in the breasts of Negro youth to prepare themselves for a life of productive effort.

We have been without a chaplain this year, but have been able to maintain the traditional spiritual life of the college through the able ministrations of the Rev. George A. Fisher, Rector of St. Ambrose Parish, Raleigh, and the generosity of the Vestry of that

church in permitting us to share his services during this interim.

St. Augustine's, like the other 35 private and church-related accredited colleges for Negroes, needs funds for capital outlay and maintenance if it is to survive in competition with the publicly supported institutions which are currently in high favor.

The staff and students of St. Augustine's are striving daily to justify this 83 year investment in an institution designed to help a people help themselves. With your continued aid and confidence, they will succeed.

Respectfully submitted,
HAROLD L. TRIGG

REPORT OF THE GOOD SAMARITAN HOSPITAL FOR 1949

The year 1949 marked the sixty-first anniversary of the Good Samaritan Hospital.

The year was very profitable to the institution. The Bertha Leonard Marshall Nurses' Home, capacity 80 beds, was completed, which released 75 additional beds for patients in the hospital—35 more beds for surgery and 40 beds for pediatrics.

The X-ray Department was renovated and a new X-ray machine installed, which provided the hospital with the latest equipment. This was the only hospital in the state doing high-voltage radiography at that time. During the renovation of the X-ray Department, a fire escape and fire doors were installed in the hospital to meet the requirements of the Charlotte Fire Department. New cafeteria equipment was purchased and the hospital painted inside and outside.

During the year 1949, the hospital was given full written approval by the American College of Surgeons.

We wish to thank the Duke Endowment, whose generous help made the above improvements possible, and the Episcopal churches of Charlotte Woman's Auxiliary for their generous help and continued interest in the growth of the Good Samaritan Hospital.

Our statistical report is as follows:

4,064 patients for	35,202 days
3,152 full pay patients for	20,323 days
166 part pay patients for	3,069 days
1,981 free patients for	17,750 days
Receipts from patients	\$148,824.70
Receipts from The Duke Endowment	15,354.00
Receipts from others	125,380.75

REPORT OF EXAMINING CHAPLAINS

George Stackley Hurst and John Sargent Martin, Candidates for Holy Orders, were examined for Deacon's orders on June 20th and 21st, 1949. Examiners were the Rev. Messrs. F. Craighill Brown, Iveson B. Noland, and David W. Yates. The examinations were in writing on the first day and oral the second day. Mr. Hurst was found to have satisfactorily passed his examination and was recommended for ordination to the Diaconate. Mr. Martin was found unsatisfactory. (Since that time Mr. Martin has passed his examinations in the Missionary District of Alaska and has been ordained Deacon by Bishop Gordon.)

On November 10th and 11th, 1949, the Rev. Messrs. Theodore Hall Partrick, Levering Bartine Sherman, and George Stackley Hurst, Deacons, were examined for Priest's Orders. The examiners were the Rev. Messrs. Iveson B. Noland, Clarence R. Haden, Jr., I. Harding Hughes, and David W. Yates. The examinations were partly written and partly oral. All three candidates were found to have passed satisfactorily their examination and were recommended for ordination to the Priesthood.

A majority of the examining chaplains voted that in accordance with the provisions of Canon 32 entitled, "Of Examination for Admission to Holy Orders in Special Cases," the Rev. William Peter Katt, Deacon, would not be given a full examination by the board of examining chaplains but would be examined by the Bishop and two Presbyters in subjects specified by the Canon. The ground for this action was that the Rev. Mr. Katt had previously served as a minister in another body of Christians.

Respectfully submitted,

REPORT OF THE LAYMEN'S ASSOCIATION

I hereby submit as the Laymen's Association report of the Diocesan Convention, my report to the Association as acting President on February 12th, 1950, at Raleigh, North Carolina, on behalf of Mr. William D. Barrett, President, who is unable to be present.

In June 1949 the annual Conference of the Laymen's Association was held at Vade Mecum, North Carolina, which was well attended by our members. The program presented was one of intense interest and most enlightening, particularly with reference to the work capable of being done by the men of the Church.

Probably the most significant event of the Conference was the fact that the first service to be held in the Chapel of Thanks was conducted therein by Bishop Penick on June 18th, 1949. Not only was the service inspirational within itself, but all persons in attendance were keenly aware of the personal pride which accompanies successful conclusion of a worthwhile undertaking.

On Sunday morning, March 23rd, 1949, at the old church, Chapel of the Cross, Chapel Hill, North Carolina, the Laymen of the Diocese attended service, at which time Bishop Penick officiated and gave a report on the General Convention of our Church, which had been held in San Francisco. As far as is known, this service was the only one of its type held in the South wherein men of the Church attended on a Diocesan basis. Our attendance was excellent, approximately two hundred men participating in the service.

On Sunday, February 12th, 1950, the annual Convention was held at the Church of the Good Shepherd, Raleigh, North Carolina. Our principal speaker was Bishop Thomas Wright of the Diocese of Eastern North Carolina. At this time the Association adopted a resolution recommending that the Canons of the Church be amended to include the Laymen's Association as a part of the Church's program and as such to be represented on the Executive Council of the Church, and that the President of the Association be proposed to the Diocesan Convention for election to the Council as the Association representative.

Mr. Francis O. Clarkson submitted on behalf of the Committee a report concerning the Chapel of Thanks at Vade Mecum, which report is considered of such importance that it is set forth herein in full:

"REPORT OF THE VADE MECUM CHAPEL OF
THANKS BUILDING
FUND

To the Officers and Members of the Laymen's Association of the Diocese of North Carolina:

Your Building Fund Committee, charged with the collection of funds to pay for the Chapel of Thanks at Vade Mecum, reports as follows:

That the Chapel has been completed and the first service held by Bishop Penick during the Laymen's Conference, June 18th, 1949. It is a beautiful stone structure and the construction is complete, although it has not been completely furnished. Pictures of the Chapel have appeared in the newspapers of the state and on the cover of THE LIVING CHURCH of July 17, 1949, and all who have seen it have expressed their satisfaction at its workmanship and beauty. We are grateful to all who have had a part in contributing to it and in its construction, especially to R. K. Stewart and Son, the contractors, who have done a fine job at a very low cost.

When the idea was promulgated about ten years ago it was considered that the Chapel would cost about \$5,000.00. With the increase of building costs and labor it was further estimated that it would cost \$8,500.00. However, the plans did not call for a sacristy, and the Building Committee and the Vade Mecum Committee considered that the Chapel would be incomplete without this addition, so it was added, and it seems now from the best estimates that we can get that the total cost of the Chapel is in the neighborhood of \$13,165.69.

The Security National Bank, as Treasurer of the Diocese, had on hand as of December 31st, 1949, the sum of \$1,360.09, given for pews and furnishings.

So far as your committee knows, the Vade Mecum Committee has paid all bills for labor and materials and construction. Not having enough money to pay the contractor the Executive Council authorized at its meeting January 18th, 1950, the payment of the balance due the contractor in the sum of \$2,767.60, by a loan from the Episcopal Maintenance Reserve Fund of the Diocese, and this has been done.

Therefore, as the account now stands it is as follows:
Amount due the Episcopal Maintenance Reserve

Fund of the Diocese loan to pay balance to contractor		\$2,767.60
CREDITS AS FOLLOWS:		
Balance in Security National Bank,		
Treas.	\$503.14	
Received Dec. 10, 1949, from Bishop Penick	100.00	
Rec'd. 1-6-50 from Cleve Thayer, Ashboro	50.00	653.14

BALANCE TO BE REPAID \$2,114.46

Your committee makes this report with the hope that the Laymen's Association will take immediate steps to secure the balance of \$2,114.46.

We are proud of the Chapel and it will be a lasting monument to the devotion of the Laymen of the Diocese, besides furnishing a beautiful place of worship for the various conferences and camps and forming further a basis for the establishment of an organized mission of the Church in Stokes County at Vade Mecum.

We have been informed by Bishop Penick that the Winston-Salem Foundation has agreed to make a deed for the tract of land upon which the Chapel stands, to the Trustees of the Diocese, so that when this balance is repaid and the debt cleared the Chapel will be consecrated by the Bishop.

Respectfully submitted,
HOBART STEELE
FRANCIS O. CLARKSON,
Committee."

Following this report the Association, through its members, pledged sufficient funds to complete the Chapel.

I think that the completion of this Chapel constitutes an outstanding achievement on the part of the men of the Church and is a matter in which each and everyone takes merited pride, with particular emphasis upon the outstanding work of the Committee, Mr. Hobart T. Steele of Burlington, North Carolina, and Mr. Francis O. Clarkson of Charlotte, North Carolina, together with the persons mentioned in the Committee's report.

The following persons were elected as officers of the Association for the year 1950:

W. Clary Holt, President, Burlington, N. C.
Francis O. Clarkson, 1st Vice-President, Charlotte, N. C.
R. E. Clements, 2nd Vice-President, Henderson, N. C.
George London, Secretary, Raleigh, N. C.
George Irwin, Treasurer, Winston-Salem, N. C.

It is the sincere hope that our Laymen's Association will continue in the active work of our Church, with particular emphasis upon the opportunity open to all men.

Respectfully submitted,
W. CLARY HOLT,
Acting President.

June 24-26—YPSL Conference—Mr. Jack Spong, Director.

June 27-July 1—Leadership Training—Rev. C. Alfred Cole, Director.

The 1949 Camps and Conferences season was successful from the point of view of numbers in attendance and leadership provided. The lowering of the minimum age limit in boy's camps to nine years was well accepted throughout the Diocese. Directors were well chosen and the new policy of having a clergyman as director of each camp with women associates for the girls' camps proved a worthy innovation.

The conferences varied in attendance. More laymen came to Vade Mecum during this season than at any other previous season.

The completion of the Chapel of Thanks brought joy to all who have labored for this work during the past ten years. We want to express our gratitude to Mr. L. R. Stewart, contractor of High Point, who was in charge of the actual construction of the Chapel, and to Graves and Toy, architects, Charlotte, N. C., who designed the Chapel.

Mr. E. M. McEachern, business manager of Vade Mecum for the past three years, resigned his position as of December 31, 1949.

We are grateful to Mr. McEachern for his years of labor on behalf of Vade Mecum.

Respectfully submitted,
THOMAS J. C. SMYTH

REPORT OF CAMP DELANY
FOR 1949

The 1949 season opened at Camp Delany June 18 and closed July 16th. The program included a two weeks' period for boys and a two weeks' period for girls. There were forty persons in camp.

The camp has been handicapped since its opening due to the lack of facilities and the Polio Epidemic. It had the low rating of 45 per cent.

The first step toward permanent equipment was made last year in the construction of a shower house and modern toilet facilities. This made camping far pleasanter. The status of the camp was raised from 45% to 75%.

The following suggestions were made at the close of the Camp year:

- 1—That an artificial lake be constructed and ground cleared for an athletic field at a cost of \$1,000.
- 2—That in order to familiarize the adults with camp life and further popularize the camps that a week-end be called by the president of the Woman's Auxiliary and a similar meeting be planned for the Laymen's League.
- 3—That a Frigidaire for sale by a resident of the Neuse section be inspected and if found in good condition be purchased.
- 4—That the three buildings on the camp site be repaired for use.
- 5—That a campaign be launched to raise \$1,500 to take care of the cost of renovations and that the Negro churches and Missions be asked to raise a proportionate quote for same.

I am happy to report that all of the suggestions with the exception of one have been realized. A five-acre artificial lake has just been completed and an athletic field prepared at a cost of \$1,100. \$1,200 was allowed for this project.

One house was repaired and enlarged by using the best material salvaged from another one that was too delapidated to be repaired. The old barn has been converted into an attractive chapel that will seat 100 people. \$1,000 was allocated for these improvements but this sum was inadequate to complete the work. To furnish electric lights for these three buildings it will cost \$163. This money is not in sight.

The Negro District of the Woman's Auxiliary will hold a week-end meeting June the 3rd.

It was decided at an Executive Council meeting to accept the gift of a Frigidaire given by the Vestry of St. Thomas' Church, Reidsville.

A campaign is on to raise funds for the benefit of Camp Delany.

We are looking forward to our best season in 1950 . . . the season begins June 10 and ends July 8th.

Respectfully submitted,

ROBERT J. JOHNSON

REPORT OF THE TRUSTEES OF THE UNIVERSITY OF THE SOUTH,
SEWANEE, TENN.

In a most beautiful and impressive service on November 4, 1949, at All Saints' Chapel, Sewanee, Tenn., Dr. Boyleston Green was installed as tenth Vice-Chancellor and President of the University of the South. Bishop Penick, President of the Province of Sewanee, made the principal and inspired address. Those who have met or who have had any contact with Dr. Green are thoroughly impressed by his sincerity, his vitality, his intelligence, and his qualities of a Christian gentleman.

On January 25, 1950, the Very Rev. F. Craighill Brown, former Rector of Emmanuel Church, Southern Pines, became Dean of the School of Theology of the University of the South. Bishop Penick, Vice-President of the House of Bishops, was installation Preacher. We have heard from students, Professors, and University officials alike that North Carolina's most distinguished contribution to Sewanee's "official family" is doing an excellent job.

Student enrollment at the University of the South has been maintained at 512 in the College and 62 in the Theological Seminary and 242 cadets at the Sewanee Military Academy. College students were drawn from 34 States and four foreign countries while Theologs were from 18 States and 22 Dioceses. Of the 22 North Carolina students in the University five are in the Seminary and 17 in the college. The 62 students in the Seminary constitute a new enrollment record.

Sewanee's endowment now exceeds \$2,500,000.00. The Alumni Drive for \$5,000,000.00 Endowment and Buildings Funds which is now termed the Guerry Memorial Campaign, is in excess of \$1,500,000.00, including \$150,000.00 grant from the General Board of Education of New York.

The Living Endowment Fund supplies necessary capital for operating expenditures. This Diocese along with 21 other Dioceses in the Southeast, owns the University of the South. Besides operating the Sewanee Military Academy it also owns a farm, a dairy, a laundry, movie theater, hospital, supply store, printing press, a water works, a sewage disposal system, miles of roads, a saw mill, and an extensive repair and maintenance establishment. For example the Emerald Hodgson Hospital is the largest accredited institution in the 140 mile plateau area between Nashville and Chattanooga. Annually it hospitalizes 1,500 patients and handles 7,000 out-patients with an operating deficit due entirely to the large volume of charity work which varies from 30% to 70% of the total number of patients treated. Without the aid of the Living Endowment Fund, which includes Church support, the University would operate with a deficit in excess of \$150,000.00. As you know, sons of Ministers do not pay tuition fees at Sewanee, neither do

the 62 Theological Students and, as a matter of fact, over 30% or in excess of 150 students are receiving some form of aid from the University this year. Thus is seen the necessity for continued Church support.

Diocesan receipts for the year 1949 amounted to \$49,538.08. The Diocese of North Carolina contributed \$2,790.50 including \$690.50 received from seven Parishes; our quota of \$2,960.00 was therefore not met. The Theological Education Sunday Offering for the School of Theology amounted to \$2,386.43. It is the sincere belief of your Trustees that this can be overcome if more Parishes will put Sewanee in their budget.

Sewanee's 6,500 living Alumni, located in all 48 states and in over 30 foreign countries, contributed during 1949 in excess of \$219,000.00 to the Guerry Memorial Campaign. Mrs. Alfred I. duPont, Sewanee's most generous friend, of Jacksonville, Fla., contributed \$140,000.00, stating that her reason for so doing is "A firm belief in Christian education to which end it is necessary to have the ablest and most consecrated faculty."

Of particular scholastic note is the announcement of the George F. Baker scholarships to be awarded for the first time to Freshmen entering in September 1950 who show conspicuous promise of leadership. The sum of \$50,000.00 has been given by the Baker Trust for education of Baker Scholars. This gift was made only after a most exhaustive investigation of schools throughout the nation which were thought to offer the greatest possible advantages to students with unusual capacities. You will be interested to hear the names of the four large schools and the five small schools besides Sewanee which were selected. They were Harvard, Stanford, Rochester, Vanderbilt, and Davidson, Swarthmore, Kenyon, Carlton and Oberlin. It is a source of gratification to the Episcopal Church throughout the South to know that its sole commonly owned Institution of higher learning was ranked in the first ten of the nation by such a foundation as the Baker Trust.

Two other bequests were announced which will not be available to our University for some years. One of these for about \$300,000.00 was left to the University by the Chairman of the Board of the Third National Bank of Nashville, Tenn., a member of the Presbyterian Church, Mr. Nathan A. Crockett. In conversation with friends before he died Mr. Crockett said that he judged Institutions by the men they produced. His will leaving Sewanee practically all of his estate after certain life interests have been discharged is eloquent testimony from a distinguished and unbiased citizen in a position to know Sewanee well. Still another bequest named Sewanee and the Diocese of Tennessee for equal shares in the estate of Mr. Z. C. Patten, the Uncle of Mrs. Alexander Guerry.

This amount, when it comes to the University, will total about \$500,000.00. These bequests emphasize something which no good

Churchman should overlook—the importance of considering ways in which estates may be left to work for the increasing influence of Christian Institutions to the glory of God and the enrichment of his Kingdom here.

An event at Sewanee which in importance may take its place beside the establishing of the Sewanee Review in 1892 is the opening on June 26th, 1950, of the Cumberland Forest Festival of Music. The unique enterprise will bring six nationally recognized artist-teachers to the Mountain headed by Dr. Roy Harris, America's outstanding living composer. Joining with Sewanee is the George Peabody College for Teachers of Nashville. The Cumberland Forest Festival will emphasize the string instruments, combining class room and private teaching with public performance. Programs will be broadcast over the NBC Network on Saturday afternoons during the months of July and August.

Of highest importance in conducting the affairs of an Institution such as Sewanee is the caliber of its top executive. Thus we commend the words of Dr. Boyleston Green spoken before the Board of Trustees in June 1949:

"In accepting the Vice-Chancellorship of the University of the South I am deeply sensible of the great honor that you have bestowed upon me and equally conscious of the great trust that will be mine. In humility of heart I pledge you my best efforts in continuing and expanding the work of Sewanee. My natural diffidence is supported only by the confidence that in this great work your help and guidance will ever sustain me. Earnestly and sincerely I pray that strength may be given me for this work, and that my capacities may prove equal to the opportunities presented."

REPORT ON THE LENTEN OFFERING

The Lenten Offering to date amounts to \$5,604.33.

There are quite a number of parishes and missions still to be heard from, some of which have given partial reports and others have not as yet reported at all on the offering.

Parishes which send their offerings directly to mission fields and do not report an offering to the Diocese are indeed doing their good work through this means but it would be an encouragement to the Diocese at least to know the amount of these offerings.

The total amount to date is considerably more than we were able to report at the Convention last year.

3) *Commission on Survey:*

We move the Convention that the Bishop or Bishop Coadjutor be authorized to appoint a Commission on Survey for the Diocese of North Carolina: and that this Commission study the Report of the proposed Diocesan Survey and be prepared to promote the effectual carrying out of the Report's recommendations.

Mr. Temple moved the appointment of committees on the armed forces, music, and diocesan survey. These motions were seconded and carried.

Mr. H. T. Cosby read the report of the committee on the Bishop's Address as the same related to theological education.

a) Because the Bishop of the Diocese will have to pay bills in the amount of \$10,000.00 in September for the education of Candidates for the Ministry from this Diocese: we move that a Special Offering for this purpose be taken in every Parish and Mission in the Diocese on Trinity Sunday next.

Mr. Cosby moved that a special offering be taken on Trinity Sunday, May 20th, in an attempt to raise \$10,000 needed by September 1st to pay the bills of men studying for Holy Orders. This motion was seconded, and open to discussion.

The Reverend C. Alfred Cole offered as a substitute motion that the Bishop or Bishop Coadjutor apportion out the sum of \$10,000 among the parishes and missions of the diocese, payable by September first. The basis of such apportionment is to be Church's Program Assessment. This motion was seconded. There was considerable discussion, during which it was clarified that any apportionment made upon a parish or mission for this purpose would be merely a suggested amount and not an assessment.

The Reverend Ray Holder moved that this matter be made a special order of business at 11 A.M. Wednesday. This motion was seconded and much discussion followed. The motion was defeated.

The Convention then voted on the substitute motion which had been made by the Reverend Mr. Cole. This motion carried on a standing vote of 126 to 25 .

The Reverend Gray Temple moved that the Bishop be requested to appoint a special committee to work out a plan for the equitable distribution of the responsibility of providing funds for the education of candidates for the ministry over the parishes and missions of the diocese; and that this plan of distribution should be on a permanent basis. This motion was seconded and carried.

The Committee on new parishes made a supplemental report stating that St. Peter's Church, Charlotte had requested that its parochial mission, the Chapel of Hope, Charlotte be transferred to diocesan mission status. The Reverend Howard S. Hartzell, chairman of this committee moved favorable action on this report. The motion was seconded. The Reverend Robert L. Crandall, rector of St. Peter's Church, Charlotte addressed the convention on the historical relationship of the Chapel of Hope and St. Peter's Church. The motion was unanimously carried.

The Reverend Henry H. Rightor read the report of the committee on canons. (See page 114). He moved the adoption of changes recommended in each instance. These motions were all seconded and adopted unanimously.

It was moved that the canon regarding the filling of vacancies on the executive council be reconsidered. This motion was seconded and carried. This matter was again referred to the committee on canons.

The Convention recessed at 10:10 P.M.

SECOND DAY—WEDNESDAY

At 7:30 A.M. the Holy Communion was celebrated by the Bishop of the Diocese, assisted by the Bishop Coadjutor and the rector of Holy Trinity Church, Greensboro. The offering at this service was given to the Bible and Common Prayer Book Society of the Episcopal Church.

At 9:35 A.M. the Bishop called the convention to order and appointed the following canonical committees: On the State of the Church, The Reverend Edwin B. Jeffress, Jr., the Reverend Richard C. Patton, A. T. White, Springs McCoy, and W. L. Long, Jr.; On New Parishes, the Reverend Robert L. Crandall, the Reverend T. Hall Partrick, Gilbert Clinard, W. L. London, W. H. Yarborough; On the Pension Fund, Messrs. John B. London, A. L. Foster, Jr., Don Matheson.

The Reverend Gray Temple brought up the new Science Building for St. Mary's School. He requested that permission be given to Dr. Richard Stone, the president of St. Mary's School, to address convention. Following Dr. Stone's address, Mr. Temple moved that the Convention approve the project of the new Science building

at St. Mary's School and endorse the project of a fund raising campaign for this purpose. This motion was seconded and carried. Chancellor J. W. Harrelson addressed the convention on the importance of the new science building.

The Reverend I. Stuart McElroy of the American Bible Society addressed the convention on the work of that society. He emphasized the function of the society in helping missionaries distribute Bibles. He pointed out that Episcopalians gave the American Bible Society only one half a cent per member for the year 1950. This means that Episcopalians are not paying their own way so far as the American Bible Society is concerned.

Mr. E. B. Dixon of the Security National Bank in Raleigh presented the Treasurer's report by title, and made remarks concerning it. (See page 115). He urged the regular payment of Diocesan obligations.

The Reverend I. Harding Hughes moved that this diocese send fraternal greetings to the diocese of Western North Carolina, in session at Hendersonville. This motion was seconded, and carried unanimously.

Mr. Ben R. Roberts presented the proposed budget for 1952. The Church's Program Fund was first considered, item by item. It was adopted section by section, and then adopted as a whole. (See page 119). The vote in each instance was unanimous. During the presentation of the Budget, Bishop Penick explained the 100% increase in the Provincial Church Program as due to our participation in a radio program. The Reverend Thomas J. C. Smyth spoke on the item for diocesan missions and church extension. The Reverend John W. Drake, Jr. and the Reverend L. Bartine Sherman spoke on behalf of the Department of College Work.

The Bishop asked the Reverend I. Harding Hughes to take the chair during the discussion of the Episcopal Maintenance Fund. Mr. Ben R. Roberts presented the budget and explained each item.

Mr. Malcolm McKinne moved an increase of \$300 to the secretary of Bishop Penick. This motion was seconded, but was defeated.

The Reverend Thomas J. C. Smyth moved that the secretary's salary be increased to \$1,200, thus providing a \$600 pension for the secretary emeritus and a \$600 stipend for the secretary. This motion was seconded and carried.

All other items on the proposed budget were adopted seriatim and then again as a total budget.

It was moved to reconsider the Reverend Mr. Smyth's motion regarding the salary of the secretary. This was seconded and carried.

It was moved that item 1 d secretary remain as appears on the proposed budget for 1952: namely, stipend of secretary \$600; printing, postage, and supplies \$50.00; and that item 1 e be added to read thus: secretary emeritus, pension, \$600. This motion was seconded and carried. (See page 117).

Bishop Penick returned to preside over the convention. The Reverend C. Alfred Cole invited the 1952 Diocesan Convention to meet at St. Martin's Church, Charlotte. This invitation was accepted by a unanimous vote of convention.

The election of Diocesan officers was next considered.

The Secretary moved that the rules be suspended and that John Southerland, Negro layman, be unanimously elected to the Executive Council. This motion was seconded and passed unanimously. The assistant secretary cast the unanimous ballot of this convention for Mr. Southerland. The canon specifies that at least one Negro layman and one Negro clergyman must serve on the Executive Council. The Secretary moved that the same procedure be followed in the election of the Security National Bank, Raleigh, as treasurer of the diocese and the Right Reverend Edwin A. Penick, D.D., A. L. Purrington, and Joseph B. Cheshire as trustees of the diocese. This was done, and they were so elected.

The Reverend Henry H. Rightor, Jr., moved that the three clergymen receiving the greatest number of votes be elected to the Executive Council for three years, and the clergy receiving the 4th and 5th largest number of votes be elected to fill unexpired terms on the council. This motion was seconded by the Reverend Carl F. Herman and carried unanimously.

Mr. Clary Holt moved that the rules be suspended and that Mr. Francis O. Clarkson, the choice of the layman's association, be elected to the Executive Council for one year, and that the Presiding Officer of the Convention cast a unanimous ballot for Mr. Clarkson. This motion was seconded and carried.

The Reverend David W. Yates moved that Mr. John Southerland, who had already been elected to the Executive Council by unanimous vote, be considered as elected for three years, and that the two laymen receiving the greatest number of votes on the

ballot be elected for three years, and the layman receiving the third largest number of votes be elected for one year. This motion was seconded and carried unanimously.

The Reverend Gray Temple moved that the Secretary cast the unanimous ballot of this Convention for Messrs. T. C. Heyward, Jr. and T. O. Jeffress to serve as trustees of the University of the South. This motion was seconded and carried unanimously.

The Reverend I. Harding Hughes moved that the Reverend Edwin B. Jeffress, Mr. W. L. Mauney, and Mrs. James McKenzie be unanimously elected as trustees of Kanuga. This motion was seconded.

The Reverend Gray Temple moved as a substitute motion that the Secretary cast the unanimous ballot of this Convention for Mr. W. L. Mauney and Mrs. James McKenzie as trustees of Kanuga. This motion was seconded and carried.

The Convention proceeded to vote by ballot and the Chair appointed the following tellers: The Reverend Messrs. Thomas C. Aycock and James D. Beckwith; and Messrs. Martin N. Shaw, James J. Kiser, John W. Carter, and T. Settle Avery.

The Reverend David W. Yates moved that the six clergy and six laymen receiving the highest number of votes be elected as delegates to the Provincial Synod and others be elected as alternate delegates, and that the Bishop be empowered to appoint delegates if necessary. This motion was seconded and passed.

Dr. Richard Stone moved that the Bishop appoint a committee to consider a system of rotation in office for members of the Standing Committee. This motion was seconded and passed.

The Reverend William P. Price called the attention of Convention to the committee on armed services and invited the members of Convention to see the display of materials in the vestibule of the church. He also invited delegates to take any supplies needed.

The Reverend I. Harding Hughes moved that the greetings of this convention be sent to the Reverend Messrs. Robert Bruce Owens, Morrison Bethea, Henry Norwood Bourne, and Robert Ewell Roe. This motion was seconded and carried unanimously.

The Reverend I. Harding Hughes moved that "since we have fallen far short in giving due publicity through the secular press to

our annual Conventions and to other Diocesan gatherings of importance that should become better known among the general public as well as among our own membership; therefore be it resolved:

First, that we have a Director of Publicity whose function will be to be on the alert for such news, gathering and distributing it as far ahead of time as is feasible;

Secondly, that this person be appointed by the Bishop annually;

Thirdly, that such a Director be allowed to select key persons throughout the diocese to help him in gathering news;

Fourthly, that the Director and his assistants become a division of the Department of Promotion."

This motion was seconded and carried.

The Right Reverend Richard H. Baker, D.D., Bishop Coadjutor, read noon day prayers.

Mr. Kemp D. Battle presented the following report on the Trustees report:

The Committee to which was referred the report of the Trustees of the Diocese reports that it has considered said report and recommends that the report be received and that the actions therein recounted, and the recommendations therein made, be approved by the Convention with the following exceptions:

1. The committee met with a majority of the Trustees, the Bishop being otherwise engaged, to hear a statement from a delegate from St. Matthew's Church, Hillsboro, concerning the recommendation of the Trustees that the Diocese make formal re-entry, for condition broken, of the two acres of land, a part of the site of St. Mary's Church, Orange County, which in 1917 was conveyed to the Board of Education of said county so long as used for school purposes only. We were informed that the entire delegation from St. Matthew's is apprehensive that the proposed re-entry, even if followed by a new contract permitting use of the property for community recreational purposes, will be ill received by the Board of Education and the community and will accomplish no good result. After full discussion it was decided, the majority of the trustees as stated concurring, to propose to the convention the following resolution:

RESOLVED: That the Convention authorize the Trustees of the Diocese to enter into an agreement with the Board of Education of Orange County by which the purpose of the conveyance in 1917 to said Board of 2 acres of the site of St. Mary's Church be broadened to include use of said property for community recreation, or

other community purpose desired by said Board, it being a part of said agreement that said Board shall keep in reasonably good condition the grounds surrounding the church edifice located on the balance of the site which was retained at the time of said conveyance.

2. The committee met with a majority of the Trustees, as above explained, to hear a statement by the Reverend F. B. Drane, rector of St. Paul's Church, Monroe, concerning the proposed disposition of the fund realized from fire insurance proceeds and sale of lot of a former mission in Union County, covered by oral report of the Trustees but not written in the report. The fund approximates \$860. In connection therewith, we considered also the recommendation of the Trustees, as requested by the Executive Council, that a permanent "mission capital improvement fund" be established. After full discussion, it was decided, a majority of the Trustees concurring, to submit to Convention the following resolution:

RESOLVED: (1) That the third paragraph of the plan for a "mission capital improvement fund" be amended by inserting in the first line, after the word "property" the following: "or from insurance contracts thereon." (2) That the funds now in the hands of the Trustees derived from insurance upon the former edifice of St. Timothy's Mission in Union County and the sale of the site thereof be turned into said permanent fund, subject to the payment therefrom of any claims against the same established to the satisfaction of the Trustees.

This committee made a superficial examination of the list of investments made by the Trustees from the trust funds in their hands and found no reason to doubt that all investments have been prudently and wisely made. However, as an added safeguard, we recommend the following:

RESOLVED: That the Trustees of the Diocese be authorized to set aside annually such portion as they deem wise of the net income of invested trust funds to establish and accumulate a Reserve Contingency Fund and to make good therefrom, as far as may be, any capital losses realized from the sale or liquidation of investments made from such trust funds.

Respectfully submitted,
A. J. Maupin
Henry C. Bourne
Kemp D. Battle

Mr. Battle moved the adoption of the resolutions. This motion was seconded and carried.

Mr. Charles A. Tucker spoke briefly concerning the proposed diocesan flag.

Mr. T. C. Heywood, Jr., presented the report of the University of the South by title. (See page 123).

The chair appointed and asked confirmation for the following as the Board of Examining Chaplains: the Reverend Messrs. David W. Yates, I. Harding Hughes, W. Moultrie Moore, Jr., C. Alfred Cole, Gray Temple, and Joseph W. O'Brien. They were duly confirmed by convention.

The Reverend Joseph W. O'Brien presented the following report of the Committee on Institutions:

The committee on the Report of the Institutions has examined the following reports:

1. The report on St. Augustine's College
2. The report on the Kanuga Conference's property
3. The report on Vade Mecum
4. The report on St. Mary's College

The committee wishes to call attention to a specific request made in the report of St. Mary's School and Junior College by Dr. Richard G. Stone. It is as follows:

"Last year in my report the pressing need for additional space to accommodate the growing science department was pointed out. The Board of Trustees has taken steps to correct this problem and has secured plans for a building to be erected as soon as funds are available. Request for authority to initiate a fund-raising campaign will be presented to this convention. It is hoped that this project may be brought to a successful conclusion during the year 1952."

Your committee resolves that the permission and support of this Convention be given the Board of Trustees of St. Mary's School and Junior College to initiate a fund-raising campaign for the purpose of erecting a science building.

However, before action is taken upon the motion, we suggest that Dr. Richard Stone be given the opportunity to speak regarding this matter.

The committee wishes to call attention to the critical nature of the property of Kanuga as presented in that report. We recognize the severity of the problem facing Kanuga. At the same time we strongly feel that our primary support should be given to our own Diocesan Camp, Vade Mecum.

We realize that, in times past, Kanuga has been an invaluable inspiration throughout the Province and greatly influential in the establishment of Diocesan camps. Unfortunately, the Kanuga Camps and Conferences and the Vade Mecum Camps and Conferences are quite similar. We feel that the future of Kanuga

must be in the direction of graduate camps and conferences which will not be in direct competition with camps and conferences on a Diocesan level.

Respectfully submitted:

Rev. Joseph W. O'Brien

Mr. M. E. Pierson

Mr. B. T. Beal

The Reverend Henry H. Rightor gave a supplementary report of the Committee on Canons. This motion was seconded, and some discussion followed:

The Reverend John Paul Carter offered as a substitute motion that Canon 17, Section 4, be amended by inserting after the first sentence a new sentence to read as follows: "The Executive Council shall have the power to fill vacancies in its membership until the next annual meeting of the convention." The motion was seconded and carried.

The Reverend Henry H. Rightor, Jr. presented a report of the Committee on Canons recommending unfavorable action on a proposed change of Article 9, Section 3, to change the words "communicants of the age of twenty-one years" to "communicants of the age of sixteen years." The motion was seconded and carried, thus authorizing no change in this article of the Constitution.

It was moved to reconsider this motion, but this was defeated.

It was moved to change the wording of this article of the Constitution under discussion from "communicants of the age of 21 years" to "communicants of 18 years." This motion was seconded.

After some discussion, a substitute motion was made referring this whole matter again to the Committee on Canons. The substitute motion was seconded and carried.

The Reverend William P. Price submitted the report of the Committee on Miscellaneous Reports. He moved the adoption of the resolutions contained in this report. The motion was seconded and carried.

tion the holding of an annual conference on the ministry for such Youth as are interested in the ministry as a vocation.

(2) It was recommended in this report that the Diocese take suitable action to increase the Murdoch Memorial Fund with the intention of enabling the Society to assist more men who are studying for the ministry.

APPENDIX A

ADDRESS AND JOURNAL OF THE BISHOP

Address of the Bishop

BRETHREN OF THE CLERGY AND LAITY:

I welcome you to the 135th Annual Convention of the Diocese of North Carolina. I feel that we are fortunate in meeting under the hospitable auspices of the churches of Greensboro, and particularly as guests of Holy Trinity Parish. We rejoice with the Rector and members of this congregation upon the recent completion of this new church building after years of patient waiting and careful planning. The dignified architectural design, suggesting both grace and strength, together with a striking richness of furnishings and treatment in color, combines to produce a sense of the soberness and joyousness of the spirit of worship in a Christian Church. With such complete and attractive facilities, set in the heart of a rapidly expanding city, we confidently predict for this devoted congregation a new era of inward spiritual growth and wholesome influence on the public life of this city, and beyond.

NECROLOGY

We record with a sense of personal loss the death of the Reverend DeSaussure Parker Moore, on September 14, 1950. Mr. Moore was born in Sumter, S. C., in 1892. After studying at Clemson College he engaged in the dairy business for several years. He was trained for the ministry at the Virginia Theological Seminary, and was ordained Deacon in 1929. He became Priest in 1930.

For thirteen years he served as Priest in Charge of Grace Church, Weldon, St. Mark's Church, Halifax, and the Church of the Saviour, Jackson. After leaving this diocese in 1942 he had three short rectorships in Virginia, Georgia and South Carolina, and then returned to his first charge in the Weldon field, where his hosts of friends were happy to welcome him back.

I have never known any minister who was more generally beloved by "all sorts and conditions of men." During the hour of his funeral, the stores in Weldon were closed as a tribute of respect. The secret of his popularity and far-reaching influence lay, not in his possession of any brilliant gifts, but in a simple love for ordinary people, combined with a sincere desire to minister to them in homely, unpretentious ways. He had a pastor's heart, a shepherd's care for his flock, the humility of a child, a tender sympathetic friendliness that regarded the world as his neighbor.

SUMMARY OF OFFICIAL ACTS

Within the Diocese I have made 132 visitations, celebrated the Holy Communion 32 times and confirmed 880 persons. Bishop Wright confirmed 11, making a total of 891, being an all-time high record for this diocese. Of this number 39 were Negroes and 6 were members of Deaf congregations.

I baptized 39 persons, officiated at 3 funerals, 1 wedding and 42 other services. I ordained 2 Candidates to the Diaconate and advanced 1 Deacon to the Priesthood. I licensed 90 Lay Readers, preached or made addresses 146 times, attended 70 Board of Trustees or other group meetings, and held 180 conferences with individuals.

I dedicated the new Rectory at Enfield, and formally opened Holy Trinity Church building, Greensboro, for worship on Easter Day. I organized St. Michael's Mission, Raleigh; St. Timothy's Mission, Winston-Salem; St. Matthew's Mission, Mooresville; St. Andrew's Mission and Calvary Chapel, Tarboro.

I dedicated new parish houses at St. Paul's, Smithfield; Trinity, Statesville, and the Chapel of Hope, Charlotte, and consecrated the Chapel of Thanks at Vade Mecum. I instituted the Reverend Ralph H. Kimball as Rector of Trinity Church, Statesville. I laid the corner stone of the new Hall of Science at St. Augustine's College, Raleigh. I presided at the special session of the Diocesan Convention held at St. Mary's School, Raleigh, September 14th.

Outside the diocese, I celebrated the Holy Communion once, officiated at one wedding and three other services, preached 10 times and attended 5 Trustee meetings. I presided over the meeting of the Synod of the Fourth Province held in Tampa last October.

THE BISHOP COADJUTOR

The most important event in the history of North Carolina over a period of many years was the election last September of a Bishop Coadjutor for this Diocese. The Special Convention at which this election was held was approached with prayerful anticipation, and greatly assisted by the thorough-going report of a competent committee on nominations. When, on the 7th ballot, the choice of the Convention fell upon the Rev. Richard Henry Baker, D.D., of Baltimore, we felt that the Holy Spirit, in answer to our prayers, had directed and ruled our hearts and wills.

This Episcopal election, the first since 1922, was consummated on the 25th of January at a memorable service in the Church of the Good Shepherd, Raleigh, when Dr. Baker became a Bishop in the Church of God. The wisdom of his selection by this body has already been evidenced by the vigorous manner with which he has immediately assumed his new duties and responsibilities, and by the warm esteem with which he is already regarded by the people of this Diocese. For the time being, Bishop Baker is actively engaged in visiting the parishes and missions, making friends everywhere, and acquainting himself with local problems and opportunities. I should like to express to the clergy and laity of this Diocese my sincere appreciation for their wise and generous provision for a Bishop Coadjutor, and my gratitude to God for His hallowing and protecting presence in the councils of our Church.

THEOLOGICAL EDUCATION

Of the many serious problems that confront the Church, none is more vital to its welfare than that of clerical supply. The success of any institution is closely related to the effectiveness of its personnel. This is especially true of the Church, that depends upon the leadership of well-trained clergy. It is now a matter of common knowledge that in the last fifty years the communicant strength of the Episcopal Church in this country has trebled. But in the same

period of time, the number of clergy has remained at approximately the same figure. The three hundred percent growth in our Church population, while the number of ordained men has remained practically unchanged, has had a number of unfortunate results.

First, the drift of the clergy has been towards the larger and richer parishes that have an advantage in competing for the limited clerical supply. Secondly, the churches in small towns and rural areas have difficulty in securing and holding talented leadership.

The frequent and prolonged vacancies in these fields are discouraging to consistent growth. New opportunities for Church expansion in residential sections of large cities or in mushrooming industrial developments are often forfeited while the search for a minister goes on and on.

This situation has prevailed for years, not only in the Episcopal Church, but throughout the Protestant world, and also in the Roman communion. Since the war, however, this condition has begun to improve. History records that, invariably, war and its attendant suffering produce a serious generation of men whose thoughts turn towards the ministry. Since 1946, when those who had been in the armed services took off their uniforms, there has been an unprecedented trend towards the ministerial profession. The seminaries have been crowded with lines of applicants waiting to be admitted. The Diocese of North Carolina reflects this general tendency. We have more men studying for the ministry today than ever before in our history. The number of ordinations in 1951 will set an all-time record. Next year, the record will be as good or better, unless there is a national emergency. Gratifying as this improvement may be, it creates a serious problem, that is, one of financing the theological education of the Candidates for Holy Orders from this diocese.

At one time, the seminaries awarded scholarships in sufficient numbers and amounts to pay the expenses of our theological students. As the costs of institutional maintenance have increased in recent years, this scholarship aid has diminished to a minimum. Between 1946 and 1951, the students who were veterans of World War II have been receiving substantial help from the government. These so-called G.I. benefits have now terminated. No further assistance from that source may be expected. The resulting problem that now faces the Diocese is the cost of theological training for

over twenty candidates. In some instances, the students have independent sources of income. Even when this is taken into consideration, the number of men who will need financial assistance, at an average of \$500.00 a year each, remains at about twenty. This is a healthy problem which we welcome because it denotes progress in the life of our Church. At the same time, it is new and will therefore require unprecedented ways and means for its solution. I ask that this Convention take such steps as its judgment may direct to meet this question of financing of our ministerial candidates.

DIOCESAN COMMISSIONS

In anticipation of new activities that are about to begin in this Diocese, and new responsibilities that may devolve upon us in the near future, I ask for the approval of this Convention to the appointment by the Bishop or Bishop Coadjutor of the three following Commissions:

1. On the Armed Services, to organize and promote the work of our Church among the communicants who may be called from our parishes and missions into the Armed Services, and to minister, as need may arise, to those who are stationed at training centers within the borders of this Diocese.
2. On Music, to educate the clergy and laity of this diocese in the use of good music as an important element of public worship.
3. On a Diocesan Survey to be conducted by the Unit of Research and Field Study of the National Council, the purpose of which is to discover new fields of opportunity for the future expansion of our Church.

ST. MARY'S SCHOOL

At a meeting of the Board of Trustees of St. Mary's School and Junior College held in Raleigh last week, a resolution was adopted, without opposition, to project a movement, under professional direction, to secure funds for the erection of a new science building. It is hoped that construction will be completed in time for the opening of the academic year of 1952. This action was taken by the Trustees after the most careful and thorough-going studies and deliberations extending over many months. Expert surveys conducted as long ago as 1941 have agreed that the major need of St.

Mary's School is some adequate provision for the teaching of modern science. This project will be presented to this Convention by representatives of the School at a later session. I commend it now to your attention with the hope that this Convention will give its hearty endorsement to this effort in behalf of our oldest institution.

ST. JOHN'S CHURCH, WILLIAMSBORO

For many years, one of the most important items in our Diocesan calendar of unfinished business has been the restoration of St. John's Church, Williamsboro. This is the only colonial church building in the Diocese of North Carolina that remains substantially as it was built in 1757.

The organization of St. John's Parish coincided with that of Granville County by action of the General Assembly of 1746. Out of this parish have come from generation to generation some of North Carolina's most distinguished citizens. The church that nourished and molded the character of these leaders of public life is now fallen into a state of disrepair that is serious enough to condemn its use as a place of worship. However, the materials of original brick and wood have survived the ravages of time and neglect to such a remarkable extent that the building could be restored for a comparatively modest sum.

A splendid committee, of which Dr. Lawrence F. London of Chapel Hill is the Chairman, has been working patiently for years, counseling with authorities on colonial architecture, and endeavoring, with commendable success, to quicken an interest in this historical building.

As Bishop Ravenscroft served as Rector of St. John's Parish during the last two years of his life, from 1828 to 1830, it has been suggested that this restoration be made in grateful memory of the first Bishop of North Carolina. I commend this undertaking to the generosity of those who are mindful of our indebtedness to the past, and sensible of those intangible riches we now enjoy because noble men and women of an historic yesterday bore witness in their generation to the sufficiency of the Christian faith, who, "being dead, yet speak."

REPORT OF DIOCESAN EXECUTIVE COUNCIL

The Executive Council of the Diocese has met four times in the past year, in June, September, January, and May. The members are divided into seven departments, to each of which are elected associate members who are not on the Council. These departments of the Council's work are finance, missions, education, promotion, social relations, youth, and college work.

The work of the Department of Christian Education was revised this year under the following eight divisions: children's division, Negro work, Vade Mecum, Diocesan book store, adult division, visual aids, evangelism, and parish schools.

Under the Department of Christian Social Relations committees have been appointed on the armed forces, on alcoholics and Alcoholics Anonymous, and on a home for the aged.

The Council approved in principle the conducting of a survey of the Diocese in 1952 by the National Council officer, Dr. Moore, and set aside \$4,000.00 from unexpended balances in the 1950 Church's Program Fund for this purpose.

The Trustees of the Diocese were asked by the Council to draft and present to this convention a plan for setting up a capital improvements fund for Diocesan missions.

It was decided that any building program concerning Diocesan missions should be approved by the Trustees of the Diocese with the advice of the Department of Missions before a contract is signed.

The finance department was asked to inform the churches of the Diocese that have been delinquent in paying their Diocesan assessments for three consecutive years that according to the Diocesan constitution and canons their representatives can not vote in the Diocesan convention until such sums are paid.

At the meeting of April 19, 1951, proposed budgets for the Episcopal Maintenance Fund and for the Church's Program Fund were drawn up for presentation to this convention.

Respectfully submitted,
DAVID W. YATES, *Secretary*
Diocesan Executive Council

The Trustees received an inquiry from Mr. Layfield of Raleigh with reference to the Karrer property on South McDowell Street, Raleigh, standing in the name of the Trustees.

The Trustees received with thanks and appreciation a deed from Mr. W. C. Harward and wife to the Trustees to be held for the benefit of the Protestant Episcopal Church in Sanford. A proposed agreement with respect of the reconveyance of the lot or the refunding of the fair value thereof in case they should not be used for church purposes, was not concurred in by the Trustees, it being understood that such agreement, if executed, would be the personal obligation of the signers thereof and not binding either on the Trustees of the Diocese or the Mission Committee of the church as such.

The Trustees authorized the investment of \$1189 in the J. Locke Erwin Trust in the Control Account of the Trustees of the Diocese.

The Trustees authorized the investment of approximately \$21,000 in certain designated securities by the Custodian.

May 22, 1950—

The Trustees accepted a deed conveying a tract of land in Stokes County, fronting 103.7 feet on a graded soil road and having a depth on the north side of 149 feet and on the south side of 179 feet, from Wachovia Bank & Trust Company, Trustee for the Winston-Salem Foundation. The deed contains a reversion to Wachovia Bank & Trust Company, Trustee, if the land should cease to be used for religious purposes. The Chapel of Thanks at Vade Mecum is located on said property.

The Trustees were authorized by resolution to file with the Bishop a petition for consecration of the Chapel of Thanks, Vade Mecum.

The Trustees transmitted to the Treasurer of St. James Mission, Kanapolis, the sum of \$1500, the proceeds of the sale of the property of the Church of the Ascension in China Grove, as authorized and directed by the last Convention of the Diocese.

August 8, 1950—

The Trustees signed a deed conveying certain property to the City of Charlotte for the purpose of sidewalks for a consideration of \$6800, to be

collected by Thompson Orphanage, the property conveyed being Orphanage property.

The Trustees authorized a loan of \$2,000 secured by deed of trust to C. J. Jones and wife on Lots 32 and 33 of the J. T. Broughton property in Garner.

October 4, 1950—

The Trustees received from Eric Norfleet, Esquire, Jackson, N. C., a check in the sum of \$5,000, bequest under the will of Miss Edmonia C. Wilkins, deceased. The check was deposited with the Treasurer of the Diocese.

The Trustees authorized the Treasurer of the Diocese to pay to the Trustees of St. Mark's Mission, Mecklenburg County, the net income from a trust established for said Mission under the will of Dr. Thomas M. McCoy.

The Trustees received a copy of a resolution of the City of Durham requiring the Trustees to pave Dunstan Street from Pine to Fayetteville Street, laying a proper sidewalk on the north side.

The Trustees authorized the signature of a deed to 123 feet of land facing the west side of Chestnut Street in Salisbury upon receiving the approval of the Standing Committee, the Bishop, and the vestry of St. Paul's Church, the sale price being \$50 per front foot.

The Trustees declined to assume responsibility for the upkeep of the Thorp graveyard property adjacent to St. Paul's Episcopal Church, Granville County, the land charged with the burden of such upkeep having been conveyed to members of the Thorp family under authority of the Convention of the Diocese held in 1917.

The minute book of the Trustees, for greater detail, is available for examination by the Convention or a Committee thereof.

The Trustees attach hereto a report of audit by W. M. Russ & Company of Raleigh, N. C. of "The Diocese of North Carolina Trusts, Security National Bank, Custodian" and an audit by W. M. Russ & Company of Raleigh of the Murdoch Memorial Fund.

The treasurer of the Diocese and the custodian of the securities of the Trustees of the Diocese is present at the convention and the accounts of the Trustees as made up by said custodian are also available for consideration.

The Trustees have received a request from interested churchmen and other people in Orange County that the Trustees waive the provisions of a deed made in 1917 by the Trustees of the Diocese to approximately 2 acres of St. Mary's Church property, Orange County, by the terms of which deed the 2 acres revert to the Trustees of the Diocese upon the failure of the Board of Education of Orange County to use said 2 acres for school purposes. The Trustees are informed that the property is not now used for school purposes and that the proposal is to use the property for a community recreation center. The Trustees concur that this is a proper use for the property and for the benefit of the community. The Trustees are

of the opinion that they do not have the authority, without consideration, to release a right which the Diocese has, and therefore refer the matter to the Convention for instruction and proper authority. The Trustees are of the opinion that the Convention should authorize the re-entry of the Trustees on said 2-acre tract of land in order to re-vest the title to the same in the Trustees of the Diocese in accordance with the provisions of the deed made by the Trustees of the Diocese in 1917, and that the Trustees of the Diocese should be authorized to contract with the Board of Education of Orange County for the use of said 2 acres and the buildings located thereon for community recreational purposes as long as the property is kept properly insured, is maintained in good condition, and is used for such recreational purposes.

REPORT OF THE CHANCELLOR

I have the honor to submit herewith my fourth annual report as Chancellor of the Diocese of North Carolina as follows:

During the year I have been consulted by the Bishop and other officials, clergy and laymen of the Diocese and have given opinions, advice and assistance from time to time. All of the matters referred to me need not be enumerated, but include the following:

1. In the absence of the Rev. James M. Cox, who has left the Diocese of North Carolina, I have, upon appointment of the Bishop, acted as Chairman of the Committee on Canons.
2. In connection with the Special Convention held to elect a Bishop Coadjutor, I consulted with the Bishop and gave a number of rulings with regard to the election and the holding of the Special Convention.
3. Information has been furnished to Chancellor Dilworth of West Texas regarding the operation in this Diocese of the new Canons on Marriage and Divorce. This information is for the use of the Joint Commission appointed by General Convention to "Report Recommendations as to Amendments to Canons on Holy Matrimony."
4. Conference with Bishop Penick and opinion relative to General Canon 36, a case arising under this Canon now being under consideration.

Respectfully submitted,

REPORT OF SAINT MARY'S SCHOOL AND JUNIOR COLLEGE

The 1950-51 session opened September 18, 1950. Two hundred and ninety-seven students were registered from nineteen states and three foreign countries.

Inflation resulting from the Korean war has made operation costs rise. Careful management has enabled the school to avoid losses that appeared inevitable at the beginning of the academic year. During the year 1951 the owning Dioceses will contribute a total of \$4,500 to the support of the school. In September 1950 the Executive Council of the Diocese of North Carolina authorized the president to petition the parishes to insert a small item in the local budgets for support of Saint Mary's in 1951. A number of parishes have done so and eleven have already paid their pledges.

A special Diocesan convention met at Saint Mary's on September 14, 1950, for the purpose of electing a Bishop Coadjutor. The Rt. Rev. Richard H. Baker, D.D., was elected at that convention. On January 25, 1951, following the consecration of Bishop Baker, the school gave a reception in the parlor of Smedes Hall for approximately seven hundred people who attended the service or visited Raleigh to participate in the ceremonies.

Last year in my report the pressing need for additional space to accommodate the growing science department was pointed out. The Board of Trustees has taken steps to correct this problem and has secured plans for

a building to be erected as soon as funds are available. Request for authority to initiate a fund-raising campaign will be presented to this convention. It is hoped that this project may be brought to a successful conclusion during the year 1952.

Respectfully submitted,
RICHARD G. STONE, *President*

REPORT OF WOMAN'S AUXILIARY

I know the official welcomes have long since been said, but as a member of Holy Trinity Church I'd like to add that the distaff membership also is delighted to have you with us. It is a privilege which we haven't enjoyed in over 25 years and one to which we have eagerly looked forward for 12 months. We hope you'll like us well enough to come again before another 25 years have elapsed.

I am happy to report a large numerical growth in the Woman's Auxiliary. The President's report of May 1948 estimated the total membership as 3,500. Today there are over 4,500 members of our organization in 109 branches in 9 districts.

The financial picture is good too. Though our budget for 1950 was only \$9,500, a careful reading of the branch report blanks shows that the women gave through their various special offerings and including their budget, over \$74,000. The widespread interests of the women as evidenced by the recipients of these "specials" is very gratifying. At our annual meeting in Durham last month a large part of our surplus funds for 1950, amounting to \$2,716.84, was given to several Diocesan missions. Other sums will go to the Presiding Bishop's Fund for World Relief, Building Fund at Sewanee and other worthy and needy causes.

At this meeting attended by almost 400 delegates and guests and by many more of the clergy than usual (I'm proud to say) we heard addresses by The Rt. Rev. Edwin A. Penick, The Rt. Rev. Richard H. Baker and The Rt. Rev. M. George Henry, Bishop of Western North Carolina. There were the usual reports, both from our department heads and our Diocesan institutions, and a beautiful concert by the St. Mary's Glee Club. There were talks on college work by Mr. John Carter, who is student worker at State College, and Miss Peggy Cameron, a senior at Woman's College, Greensboro, and addresses by Mrs. E. L. Hillman of Durham, President of North Carolina Council of Church Women, and Mrs. T. R. Husk, representing the American Leprosy Missions. Mrs. U. T. Holmes, Jr., of Chapel Hill was made the president-elect, Mrs. R. E. Quinn, Jr., of Durham was elected Supply Secretary, and Mrs. John R. Purser, Jr., of Charlotte, Christian Social Relations Secretary; and delegates to the Provincial meeting in October were chosen.

The Woman's Auxiliary Conference at Vade Mecum last June was highly successful. There was a record attendance of 84 and the cabins were so crowded that one of our board members slept on a mattress on the floor.

The Adult Conference at Kanuga was attended by 17 of our members, and 15 of us were present for the Conference of College Workers at St. Augustine's.

Attendance at these conferences enabled us to obtain information and inspiration concerning all phases of our work.

I believe we have been helped, too, by having some of our members on every department of the diocese except the finance department. The women have gradually nosed their way into all phases of the work. Serving thus has broadened our vision and lifted our eyes beyond the confines of our own parish groups.

During our past nine months of study and action the branches have studied the subjects recommended by the Christian Education Department, viz., The Holy Scriptures, Chapters in Church History, The Near East and The Christian Community.

Through the Christian Social Relations Department boxes of much-needed clothes have gone to Korea, Jerusalem and Japan, and some of the needs of the Tuttle Community Center in Raleigh have been filled. The Supply Department continues to do a stupendous work in furnishing St. Agnes and Good Samaritan Hospitals with linens. And clothes are sent from this department to Thompson Orphanage and to St. Barnabas Hospital in Osake, Japan. The number of items sent to the hospitals alone reached the staggering total of 3,312.

Under the leadership of our Missionary Correspondent we are becoming more aware of our missionaries in the field. She sees to it that we remember their birthdays and she acts as a liaison officer between them and us, getting out a monthly bulletin for our mutual benefit and information. The cash gifts to them from our women at Christmas amounted to over \$500.

Our other departments include Personnel, the function of which is to influence and lead others, particularly the young people, into Church work as their life's work; the Youth Department, which cooperates with the Diocesan department all along the line; and the Church Periodical Club which supplies our missions and missionaries with books and magazines. The Auxiliary is represented on the North Carolina Legislative Council and, therefore, is kept informed of the bills before the Legislature—bills of which we, as educated Church women, should know.

The work of our Negro branches is expanding and strengthening. \$1,700 of our budget is used for salary and travel allowances for a field worker in this district.

It is obvious from the reports of each branch that there is a decided growth in the number of prayer groups among our members, and that almost half of them attend Bible classes.

The attendance at The Quiet Day of Prayer and Meditation observed in all nine districts early in Advent was larger this year, though there is room for much increase in the members participating in this very beneficial service.

This report would not be complete without a recognition of the un-failing response and invaluable aid so cheerfully given by the clergy and the laymen in this diocese. Without your prompt willing help in any matter that arises, it would be difficult for the Woman's Auxiliary to function at all. We are deeply grateful to you for all you have done in the past, and humbly beg the same fruitful cooperation for the future.

MABEL S. LUCAS, *President*

REPORT OF ST. AUGUSTINE'S COLLEGE

St. Augustine's is always grateful for the inspiration, the encouragement and support that comes from the esteemed Bishop and the members of the Diocese of North Carolina. The College Staff and students are aware of what the Diocese expects of St. Augustine's in the area of producing good citizens and community leaders.

It is, therefore, with pleasure that this brief report is submitted to you concerning the academic year which will end on May 28, 1951.

The enrollment of full College students for the year has been 459. They came from 23 States, two countries of Africa and three of the West Indian Islands. They are in the main good students. They represent the highest ranks in their High School classes. They have performed creditably in their chosen areas and in the extra-curricular activities of the Institution which are a vital part of the total personality development.

Of the 459, 269, or well over half have come from North Carolina. Northern Colleges and Universities are opening their doors to the local Negro student now as never before and we will probably get fewer students from Northern States. It is evident that we shall have to rely more and more on the States of the South to provide our student body.

The fire which occurred in the Thomas Building on November 26, 1950, was responsible for our not reaching the limit of 500 in the enrollment. All of the students who had applied to enter for the second semester had to be turned away.

Graduating classes are becoming larger. The 1951 Class will number at least 90. This means there will be more room for Freshmen in the Fall. Each year from one to four male students enter Theological Seminaries from St. Augustine's.

One of our four African students completed his work in January, 1951, and went to Chicago to work where he was admitted to the University in full standing. He had already been accepted for admission to Harvard in the Fall but immigration rules made it necessary for him to enter some school at once.

We have one male student who has already been accepted to Boston University's School of Law for the 1951-52 academic year.

The ratio of male students in the total enrollment ranks relatively high for this year. We have had 233 girls and 226 boys. 168 of the boys and 176 of the girls have boarded on the campus. This means that 115 of our students live in the City.

The principal pressures in the life of St. Augustine's during the current year have been (1) Buildings and (2) the pressure of the War upon students both male and female.

In November the third floor of the Thomas Building which housed 74 girls and 2 members of the Staff was destroyed completely. It was a dormer built in 1912. The water poured into the building prevented the fire from going to the second floor but did much damage to the floors and walls. We received a sufficient amount of insurance from this building to put it back into good repairs as a two story building with 40 rooms and accommodations for 76 girls and one directress. This will be ready for occupancy in the Fall of 1951.

Following this disaster the National Council and American Church Institute for Negroes donated \$13,000.00 to put the former Industrial Building into commission as a men's residence hall to accommodate 46 men and a proctor.

By-far the most important item of construction has been the Penick Hall of Science which was begun in June of 1950 and which will be complete except for furniture by May 28, 1951. The contract for this building was let in June of 1950 and received the advantage of pre-War prices. It has been estimated that we would have had to pay at least one-third more for its construction if it had gone under contract a month later. It is of steel, brick and cinder blocks. It will have every modern convenience including an amphitheater which will seat 100 persons and which will be used for lectures, demonstrations and audio-visual education. There are a total of ten rooms.

You will recall that the Institution received from the Reconstruction and Advance Fund \$88,000.00. Later we received \$25,000.00 from the General Education Board and certain monies from the American Church Institute for Negroes. It was through the kind efforts of Bishop Penick, who is Chairman of our Board, that the balance of this money has been secured.

The total cost will be \$170,000.00 for construction and \$40,000.00 for furniture. We hope to dedicate this building on September 27, 1951 and take the liberty now to invite every member of the Diocesan Convention to be present at these services at 9:30 on the morning of the 27th.

The pressure of global war activities on a student body are immeasurable. Our male students have lived in constant expectation of being drafted either during the year or at its close. The effect on the girls of the student body has been just as intense. Their male relatives have been going in the armed services. Some of them have gone to Korea for active duty. The uncertainty and insecurity in which the male members of the student body have been placed has had its effect also on the girls of the college.

It is hoped that another year will find this National and International situation cleared up to the extent that such tension will be relieved permanently.

The College Staff and students crave the continuance of your Prayers and tangible goodwill.

Respectfully submitted

THE FRANCIS J. MURDOCH MEMORIAL SOCIETY REPORT - 1950

The Francis J. Murdoch Memorial Society for the Propagation of the Ministry wishes to report that during 1950 the following loans were made:

John M. Barr	\$ 200.00
Robert Grumbine	200.00
George I. R. McMahan	200.00
Lemuel G. Roberson	400.00
Peter C. Robinson	200.00
Bruce D. Sapp	200.00

TOTAL	\$1,400.00
-------	------------

The Trustees of the Diocese now have under consideration several recommendations made by the Auditors. It is expected that they will make a report on these recommendations to the Convention.

Again the Society would like to remind the Convention of the responsibility of all clergy and laymen to encourage young men to study for the Ministry. We urge that the subject "The Call to the Ministry" be presented in each Parish and Mission during each year. An excellent time to do this would be on Theological Education Sunday. As a further means to encourage the Vocation to the Ministry, we recommend that the Department of Christian Education or the Youth Department arrange for a conference on the Ministry to be held at Vade Mecum or some other suitable place.

We note with gratification that the number of candidates for the Ministry from this Diocese in 1950 was the largest in many years. In our rapidly growing Diocese this number will increase steadily. This means that there will be increased demands for financial assistance. Since no substantial contributions have been made to the Murdoch Memorial Society in many years, it will be impossible for the Society to render additional assistance. We therefore recommend that the Diocese take suitable action to increase the Murdoch Memorial Fund.

John William Carter was found satisfactory in Christian Ethics and Moral Theology, in Liturgics, and in Practical Theology, but was found unsatisfactory in Holy Scripture, Church History, and Theology. On May 1-2, 1951, Mark Alan Boesser, John MacReadie Barr, Alexander Fraser, Christopher Columbus Gray, Robert Grumbine, Charles Inglesby Penick, and Peter Chase Robinson, all Candidates for Holy Orders, were examined by the Rev. The conferences varied in attendance. The Woman's Auxiliary Conference was the largest in attendance of the entire season.

The construction work carried out last year on the highway connecting the Danbury road and highway 66 will be completed by the opening of the season. This will facilitate the transportation to and from Vade Mecum.

Mr. Peter C. Robinson, business manager of Vade Mecum for the 1950 season, returned to the General Theological Seminary last September to complete his work there. We are grateful to Mr. Robinson for his successful work on behalf of Vade Mecum.

REPORT OF CAMP DELANY AND CAMP POLLARD - 1950

It is a privilege to express our appreciation to the Diocese for its effort to afford an opportunity to the Negro youth of the Diocese to enjoy a month of fellowship in conferences and camping experiences in the great out of doors.

Since the last meeting of the convention we have enjoyed the use of a lake that was finished last spring, a chapel, and leaders quarters. These added facilities make it possible for us to offer a better program for our young people.

Last summer 30 campers took advantage of what the camp had to offer. There were 10 leaders and 6 helpers making a total of 50 persons in camp. We have been operating far below capacity enrollment but expect to improve this in 1951.

The clergy, Woman's Auxiliary, and the Layman's League have promised to work for a larger camp this summer.

We received from all sources for operation of both camps \$1065.34. The cost of operation was \$1046.80, leaving a balance of \$18.54.

The spirit of both camps was better than that of any camp since the first camp at this site in 1946. We attribute this to the added attractions especially the lake for swimming.

The Chapel was used for daily celebrations of the Holy Communion and for classes in Prayer Book and Bible.

Campers came from Charlotte, Raleigh, Winston-Salem, Salisbury, Durham, Tarboro, Oxford, Henderson and Wilson.

The Diocese of East Carolina has asked to be allowed to send some of their young people to the camps this summer. The request has been granted with the understanding that our young people be given the first chance to register. After the first of June East Carolina will be allowed to send the necessary number to fill the camp.

Program for the summer— Camp Delany for Boys will open June 16 and will close June 30. Camp Pollard will open the 30th of June and will close July 14.

Three one day conferences have been planned— The Layman's League, Thursday, June 21, the Y.P.S.L. June 30, and the Woman's Auxiliary Sunday, July 8.

The camp needs immediately— 75 chairs for general use, 20 pews for the chapel, a frigidaire and wiring and the installation of lights in the chapel, shower house and Leader's quarters. Last year the Hayes Electric Co. estimated the cost of wiring at \$163.00. There were no funds available at the time to complete the work. The frigidaire and wiring are very necessary and important items.

REPORT ON KANUGA

I am pleased to give you a report on Kanuga Conferences property, and I will try to make it as brief as possible.

In 1940, I was appointed on the Property and Finance Committee consisting of three. At that time, Kanuga owed approximately \$30,000.

I have served on the Board of Managers, Board of Trustees and Executive Committee since that time, which has given me a chance to get a good idea of conditions under which Kanuga has operated.

We did very well up to the first year of the infantile paralysis epidemic. However, we were not able to keep the property in good shape due to lack of funds. Since the infantile paralysis epidemic, Kanuga has not been able to pay its way, causing the board to borrow money.

During my eleven years working with the board, we have never had over three Dioceses showing the proper interest and part of the time only two. As you know, this property is owned jointly by the five Dioceses in North and South Carolina. Louisiana is only a participating Diocese with no rights to the property.

According to the last audit, the value of the property is set up at \$290,-649.23, which to me is very valuable, but unless all Dioceses work together, I feel confident that the property is going to be lost, as it cannot be carried on indefinitely under the present conditions.

The buildings are badly in need of repair as well as some new equipment to make it more attractive for delegates and guests.

While Kanuga needs financial aid, it needs also the support of Bishops in all five Dioceses and through them, the support of clergy and laity.

From my observation, this is a splendid camp with wonderful setting and could be made very valuable to the Episcopal Church. As a matter of information, St. Martin's Church used to send 30 to 35 of its members to Adult Conference. They all came back enthused and able to do much better work. To show you the lack of enthusiasm now, our Diocese and

East Carolina together only had 27 at the Adult Conference a couple of years ago.

It is my understanding that Kanuga has never been mentioned at our Diocese Conventions. Therefore, I would like to go on record as stating that something must be done immediately or lose the property.

Yours very truly,

W. L. MAUNEY

REPORT OF THE MISSION WORK AMONG THE DEAF

For the year of 1950, the Missionary to the Deaf in the Diocese of North Carolina conducted a total of 108 services for the deaf attended by 5,137 persons. There were 64 services of Morning and Evening Prayer, 33 celebrations of the Holy Communion, 2 Baptisms, and 2 funerals. Six candidates were presented for Confirmation. There were 15 talks given to Woman's Auxiliary groups and civic organizations, and an appearance on a nation-wide radio program.

In an effort to better equip myself to serve the Diocese and the deaf, I attended the Graduate School of Theology at Sewanee last summer and hope to return for two additional summers.

For the continued interest, support and prayers of the Diocese for the work among the deaf, I express the sincere appreciation of the Deaf.

Respectfully submitted,

JAMES R. FORTUNE

REPORT OF THE HISTORIOGRAPHER

To the Convention of the Diocese of North Carolina.

The work of the Historiographer for the past year has consisted almost entirely of answering inquiries from within and outside the Diocese, concerning various points relating to the history of the Church in North Carolina.

The campaign for funds to restore St. John's Church, Williamsboro, continues. To date, about \$6,000 has been contributed and pledged. It is hoped that during the coming year the restoration fund will be sufficiently increased to begin work on the Church.

Respectfully submitted,

LAWRENCE F. LONDON

REPORT OF LAYMAN'S ASSOCIATION

The year 1950 was a significant one in the work of our Association. In May the Diocesan Convention approved an amendment to the canons whereby the President of your Association became a member of the Diocesan Executive Council. By this action our Association now takes its place alongside the other units of the Diocese and we are thus in a position to work as an integral unit of our Church united and integrated.

In June our Annual Conference was held at Vade Mecum where with well deserved pride we participated in the consecration of the "Chapel of

Thanks." This small church is not only a beautiful edifice but now stands as the central building for the future work of Vade Mecum and is indeed a fitting monument to the efforts of the Laymen of our Church, having, as you know, been built through their voluntary contributions. Our Conference was also outstanding in view of the fact that the largest number of men in its history attended, there being 62 present for the entire program and a maximum of 72 at one time or another.

During the summer we formulated overall programs of study for use by the various organizations throughout the Diocese. These suggestions were for use during the entire year and gave our organizations an opportunity to have continuity at their meetings.

Also, plans were devised for the solution of our financial responsibilities. Our individual clubs or groups were encouraged to hold special Laymen's services, preferably a corporate Communion on the first Sunday in Advent, with the offering at this service to be used by the Association for its administrative expenses. Thank Offering Boxes were distributed and are to be collected each year prior to the Vade Mecum Conference, with the proceeds therefrom to be used for projects of a Diocesan-wide basis similar to construction of the Chapel of Thanks. It is thus hoped that through this program our Association will be relieved of constant appeals for money, and yet, through the generous participation of everyone, the work of our Church may be advanced.

In October our Association cooperated with the Diocesan Department of Promotion in sponsoring four District Meetings, and it is with considerable pride that I report these meetings were attended by approximately 550 of our men, the largest number in attendance in the history of our Association.

While our activities have not been numerous, our efforts have been concentrated upon matters of extreme importance, and I am pleased to close by saying that our men are indeed united and the basis for future active work has been well laid. I have nothing but confidence for our future activities.

REPORT OF THOMPSON ORPHANAGE

As directors of this institution all of you want to know what is being done here, how many children we have, how they get along here and at school, how many applications we refuse or accept, and why. I'm sure you are also vitally interested in the financial condition of the Orphanage—whether or not our budget is guiding our spending, whether or not our income is sufficient to meet our needs. I will try to tell you everything you want to know but I wish it were possible to tell you of the really important things.

If I could measure the shades of color in a child's cheeks, then I could tell you how so many little children have blossomed under the good care given here at the Orphanage. The fresh vegetables, milk, eggs, meats, and

even the candy and cake seem to make each child gain a little more color and weight each day until they become normal children.

Good food is not the most important factor however—it is a rewarding sight to see a little brother and sister, who have been completely rejected and cruelly treated by a step-mother, learn to laugh and talk without expecting to be punished for the slightest misdeeds.

A safe and warm bed means a great deal to most of our children. Most of us feel that a bed is an ordinary thing—to be taken for granted. A number of our children never knew where their bed might be from one night to the next or whether they would have one. Many had to share their bed and insufficient cover with three or four others—sometimes with strangers.

Yes, a clean, warm, comfortable bed is a blessing to our children. They have a very strong feeling about their beds and object if they must be moved. For this reason we move them just as little as possible after they come to us for we know they need to feel one spot belongs to them and usually this feeling centers in their beds.

Another thing most of us take so much as a matter of course is warmth. Not long ago a little boy just arriving said, "It's so warm in here. I like to be warm and I never get warm enough in winter." The great majority of our children come from homes where heating is a real problem in winter. Usually one room of the home is heated with a fireplace or heater and a great part of the time there is never enough money for fuel to keep that one room warm.

Attractive clothes are important to children and though it seems illogical, the boys like nice clothes just as much as girls. They feel they must be appropriately dressed each day and always enjoy going on shopping trips to buy their clothes. They usually make several trips to look and then Mrs. Whisnant goes along on the last one to approve their choices and pay for their clothes. We feel that choosing their own clothes and comparing the prices is invaluable in learning how to handle money.

Every night after supper each cottage group assembles in their study hall for homework. The matrons are available to help with any problems and often assign special work to children when they fall below average in any subject. Almost none of our children have ever had help outside school—in fact they have seldom been required to study outside the classroom. Children who were considered almost hopeless as far as school was concerned have overcome their difficulties and finished high school and even college. We have one boy who was so far behind in school he had to enter the army before graduating. He studied enough for a high school diploma in the army and after his discharge he entered college and is making an excellent record.

A little boy recently wrote his mother, "We have a good time. Our matron is good. She lets us go to the show and gives us candy. I hope you are having a good time too." This deserted mother had tried for nine years to keep her children with her and finally decided to place them at Thompson Orphanage in order that they might have the necessities of life.

She was very much afraid they would be unhappy but I feel that she will be a happier mother when this letter reaches her and she knows her son has a good and happy home.

With many records of success for our children—there are a discouraging number of failures. We are learning more every day how to avoid mistakes in dealing with our children. We are learning to look upon their various attitudes and behaviour with tolerance and understanding. We are learning not to expect the reward of spoken gratitude from the children but to find satisfaction in seeing growing confidence, a sense of security, and happiness in their faces.

During 1950 the Episcopal Church in North Carolina cared for the following children:

The financial report is given in detail to all of you in printed form. I'd like to mention the fact that we began the year with \$32,156.48 - received, \$84,697.01 - spent \$76,423.13 - and had a balance of \$40,430.36 at the end of the year.

During the past few years the Orphanage has gained materially and has given care to many homeless children. It has been handicapped in carrying out a training program because of the fact that the City of Charlotte and the State of North Carolina have found it necessary to build three wide streets and a sewage disposal line through the property which is used for farming. These streets have divided the land to such an extent that it is almost impossible to use it for cultivated crops.

In looking to the future the Orphanage has purchased additional farm property out in the county, lying adjacent to that already owned by the Orphanage. This property brings the total acreage to 299 acres. Recently the road through the farm was paved and a fine modern consolidated high school has just been completed within two miles of the farm. Plans are also being made for a new grammar school in that vicinity so we feel the location of the farm property is a very good one.

The Orphanage does not operate as an isolated and self-contained institution. It operates each day and each year in the minds and hearts and through the prayers of the people who keep its work alive. If the people of the church completely stopped all their support for just one year, the

Orphanage would begin a decline immediately. Without the day by day devotion, loyalty, and generous support of the people of the church, the Thompson Orphanage cannot accomplish its appointed work.

As director of this institution, it is a comfort to me to know that I have the assistance and support of the Executive Committee and Board of Managers who share the responsibilities of the institution.

We feel secure in the love of our people, knowing each generation is brought up to know of the Orphanage and to support its work. We can never say enough to thank the thousands of good people for their help, but we hope they will find a reward in remembering that they are giving homeless children an opportunity to grow into good men and women who have had a happy childhood.

REPORT OF COMMITTEE ON CANONS

The last Diocesan Convention provided for the reprinting of the Diocesan Constitution and Canons. However, there were a number of matters under consideration and it was suggested that the Canons not be reprinted until certain changes were passed on by this Convention.

It takes two Conventions to change the Constitution. However, I submit for consideration the following proposed changes in the Constitution:

1. Amend Article II, Section 3 by striking out the words "one month" and substituting therefor the following words: "once a week for four weeks."
2. Amend Article III, Section 3 by striking out at the end of the section the following words: "officers of the General Missionary Board of the Church" and in lieu thereof the following: "or to any officers or members of the staff of the National Council."
3. Amend Article IX, Section 6 by striking out the words "Episcopal and Contingent Fund" and inserting in lieu thereof the words "Episcopal Maintenance Fund."
4. Amend Article XII, Section 1 by inserting between the words "Clergy" and "entitled" in the third line, the words "present and" so that the third line will read as follows: "all the Clergy present and entitled to vote in the Convention."

The following are suggested changes to the Canons and should be acted on at this Convention in order that the Canons as amended may be printed:

A. CANON VIII, Section 1 to be amended by striking out the last line, namely, "one Clergyman and two Laymen" and inserting in lieu thereof the words "three Laymen."

B. CANON XIII to be amended by striking out Section 1 thereof and inserting in lieu thereof the following: Section 1. It shall be the duty of every Clergyman of the Diocese to take an annual offering from every congregation served by him for the Thompson Orphanage and Training Institution on Thanksgiving Day.

REPORT OF THE TRUSTEES, UNIVERSITY OF THE SOUTH,
SEWANEE, TENN.

The student enrollment at the University of the South has reached for the scholastic year 1950-51 a total of 524 in the College and 75 in the Theological Seminary and 245 cadets at the Sewanee Military Academy. College students were drawn from 30 States and two foreign countries while Theologs were from 19 States and 25 Dioceses. Of the 23 North Carolina students in the University 7 are at the Seminary and 16 in the College. The 75 students in the Seminary constitute a new enrollment record.

Due to the serious international situation and the unsettled draft status of college students the college enrollment dropped by the beginning of second semester to 400 students. In this connection Dr. Boyston Green, Vice Chancellor, has just recently announced that the University is one of 62 Colleges in the Nation awarded Air Force ROTC Units. The award is a real distinction to the University for over 450 institutions applied for the 60 units. This unit will definitely be installed by the beginning of the Fall term and verbal assurance has been made that it may be expected by June 13th, the beginning of the Sewanee Summer School session. It is hoped that this important factor will alleviate if not eliminate student enrollment problems.

Sewanee's endowment now exceeds \$3,000,000.00. The Alumni Drive for \$5,000,000.00 Endowment and Building Funds which is now termed the Guerry Memorial Campaign, has increased over \$500,000.00 in the last year and as of March 20, 1951 stood at a figure of \$2,050,371.00.

The Living Endowment Fund supplies necessary capital for operating expenditures. This Diocese along with 21 other Dioceses in the Southeast own the University of the South. Besides operating the Sewanee Military Academy it also owns a farm, a dairy, a laundry, movie theater, hospital, supply store, printing press, a water works, a sewage disposal system, miles of roads, a saw mill, and an extensive repair and maintenance establishment. For example the Emerald Hodgson Hospital is the largest accredited institution in the 140 mile plateau area between Nashville and Chattanooga. Annually it hospitalizes 1500 patients and handles 7,000 out-patients with an operating deficit due entirely to the large volume of charity work which varies from 30% to 70% of the total number of patients treated. Without the aid of the Living Endowment Fund, which includes Church support, the University would operate with a deficit in excess of \$150,000.00. As you know, sons of Ministers do not pay tuition fees at Sewanee. Over 30% or in excess of 150 students are receiving some form of aid from the University this year. Thus is seen the necessity for continued Church support.

Diocesan receipt for the year 1950 amounted to \$47,850.79. The Diocese of North Carolina contributed \$2,755.00 including \$755.00 received from Parishes. We have failed to meet our quota obligation due only to the fact that quota information was not available to our Executive Council

in time for inclusion in the budget for submission to the Convention. The 1952 quota is \$4,350.00, which has been included in our budget as submitted to this convention.

In addition to the above, Theological Education Sunday in 1950 brought a total of \$14,314.33 to the Seminary at Sewanee. The Diocese of North Carolina accounted for \$2,737.07 of this sum, a heavy portion of which came from Emmanuel Church at Southern Pines, the former Parish of Dean F. Craighill Brown.

A new Chancellor was elected at the last Trustee Meeting at Sewanee from among the Bishops of the owning Dioceses. The Right Rev. R. Bland Mitchell, D.D., Bishop of the Diocese of Arkansas, was elected for a period of six years.

It is noteworthy that the Baccalaureate Sermon will be preached for the 1951 Commencement on June 10th by our own Coadjutor Bishop Baker.

Among the many noteworthy distinctions occurring at Sewanee this year was the repeated award from the Adjutant General of the United States Army that the Sewanee Military Academy retained its Honor Rating. The Sewanee Purple, student newspaper, received a rating of Excellent by the Associated Collegiate Press. The University Choir has recorded an album of Sacred Music which is obtainable through the Department of Music at Sewanee.

In closing we would take the liberty of quoting from the Vice Chancellor's report submitted by Dr. Green to the Trustees Meeting on June 9, 1950; he points out with pride that:

"One of our professors, Dr. Robert Grant of the Theological School, has received a Guggenheim Fellowship for European study. Also our graduates have made an enviable record. Each of the six seniors wishing to enter medical school has been admitted to the school he chose first. An unsolicited letter to our Dean from the Dean of the Harvard Law School telling of the excellent work done there by a Sewanee graduate and requesting that our Dean send more like him to Harvard. This spring the General Education Board granted for the first time twenty fellowships to graduates of colleges such as ours; Sewanee, of all the colleges who submitted applicants, was the only institution to which three scholarships were awarded. And in addition, word has just come to us that two Sewanee graduates have been awarded Fulbright Scholarships for foreign study next year. Surely we can be justly proud."

COMMITTEE ON STATE OF THE CHURCH
DIOCESE OF NORTH CAROLINA

May 8, 1951

The Committee notes from the Statistics published on Page 176 of the Journal of the 1950 Convention of this Diocese the following advances:

There were three more clergy, two more deacons made, five more priests ordained in 1949 than the year before.

There were fewer clergymen lost by transfer and one less clergyman died than in the previous year.

There were two more candidates and postulants and thirteen more lay readers.

The total number of communicants increased by 70 and Church School enrollment was up by 439.

In giving the total exceeded the year before by \$123,697.67. In this period current expense went up as might be expected but only moderately so—the amount being \$32,000. And total disbursements went up only \$43,000.

The value of church property increased by nearly \$800,000. The insurance on church property increased by \$1,092,000.

On the other side:

Indebtedness increased by \$72,800. The number of baptisms, confirmations, and marriages decreased slightly. The total number of baptised persons decreased 110. And while 777 persons were confirmed the total number of communicants increased by only 70. This gives a loss for the year of 707 persons of which 202 can be accounted for by deaths. It is possible that 505 were transferred out of the Diocese. There were no figures given for transfers either to or from the Diocese.

The Committee realizes that statistics do not tell the whole story. This is a diocese rich in leadership and opportunity. We can look for ever increasing gains in all phases of our diocesan life. The figures seem to show we are not going forward as rapidly in membership as in financial strength.

It has been suggested to this committee that this Diocese needs a more vital concern for reaching out into new fields of endeavor, some challenging plan for self support to be offered to aided parishes and missions, a course on simple and uniform methods of accounting for church treasurers.

The Committee hopes that increased Episcopal supervision will allow more time to be spent on the individual parish or mission, will encourage a new concern for the unchurched, and will show the way into fields not now covered by our church.

Journal of Proceedings

A Special Convention of the Diocese of North Carolina met at St. Mary's College Chapel, Raleigh, North Carolina on September 14, 1950.

At 10:30 A.M. The Right Reverend Edwin A. Penick, D.D., LL.D., celebrated the Holy Communion, assisted by the Reverend James M. Dick and the Reverend I. Harding Hughes.

At 11:40 A.M. the convention was called to order by Bishop Penick. The Reverend Ralph H. Kimball was appointed acting secretary by the Bishop.

Bishop Penick announced that he had just received word of the death of the Reverend deSaussure Parker Moore, a priest of the diocese. The Bishop offered appropriate prayers.

There was a roll call of the clergy, parishes, and missions. The chair announced a quorum present in both orders.

Dr. Richard Stone, the president of St. Mary's College, was introduced and welcomed the convention to St. Mary's.

It was moved to adjourn at 1 P.M. for lunch. The motion was carried.

The chair appointed a Committee on Credentials consisting of the following: The Reverend David W. Yates, the Reverend Carl F. Herman, and Mr. W. Clary Holt.

The Bishop introduced the Reverend Robert W. Turner, formerly a priest of this Diocese and now canonically resident in the Missionary District of Panama.

The Bishop introduced to the convention two new priests who have come to this Diocese since the last convention. They were the Reverend Robert F. Thomas, rector of the Church of the Holy Comforter, Burlington and the Reverend Wendell M. Pasco, chaplain of St. Augustine's College, Raleigh.

The Bishop read the action of the 134th Diocesan Convention of May 2 and 3, 1950 in calling the special convention.

The Bishop then read the Constitution of the Diocese, article 2, section 3, relative to advertising the meeting of the convention. He further stated that this convention had been advertised during the 30 days of June in the Raleigh News and Observer, the Charlotte Observer, and the Greensboro Daily News.

The Bishop announced that the canonical consents for the election of a bishop coadjutor were obtained by the standing committee in 1948, and that they were still valid.

Mr. Francis O. Clarkson, chancellor of the Diocese, explained the rules of voting in this convention. He moved that the rules of order as appearing in the diocesan canons be adopted at this convention. The motion was seconded and carried. Mr. Clarkson also moved that the convention proceed to elect a bishop coadjutor. This motion was seconded and carried unanimously.

The Bishop then read his consent to the election of a bishop coadjutor:

"In accordance with the provisions of Canon 39, Section 2 (a), I hereby give my consent to the election of a Bishop Coadjutor for the Diocese of North Carolina, and I assign to the Bishop Coadjutor, when ordained and consecrated, an equal share with me in all official visits to the Parishes, Missions, and Institutions of the Diocese. This assignment is made with the understanding that the duties and responsibilities of the Bishop Coadjutor may be extended from time to time as the need of the Church may require, or as necessity may direct."

The Reverend David W. Yates read the following report of the Credentials Committee, which was adopted:

"The Credentials Committee reports that the credentials of the following delegates or alternates are in order, and recommends that they be duly certified as delegates or alternates from their respective parishes or missions:

St. Mary's, High Point—Frederick M. Metcalfe, alternate.

All Saints', Roanoke Rapids—Willie J. Long, delegate.

St. Paul's, Salisbury—F. W. Bridges, Fred W. Pinkston, delegates.

Calvary, Wadesboro—W. R. McConnell, James A. Leak, Fred Sparger, delegates; R. T. B. Little, alternate.

St. Timothy's, Wilson—E. G. Joyner, Paul B. Bisette, Jr., alternates.

St. Ambrose, Raleigh—L. H. Roberts, alternate.

St. Thomas', Reidsville—William T. Ferneyhough, alternate.

Epiphany, Leaksville—J. B. Lamar, M. N. Shaw, Delmas Robertson, delegates.

St. Mark's, Wilson—Crevound Moses, delegate.

St. Albans', Littleton—Roger Moore, delegate; Frank Foster, alternate."

The Bishop announced that the Reverend R. Lansing Hicks, who is canonically resident in this Diocese and is a professor at the

theological seminary at the University of the South, would have a vote in the convention.

Mr. Ralph H. Bouligny gave the report of the nominating committee placing in nomination the following clergy: Clarence R. Haden, Jr., Gray Temple, Richard H. Baker, D.D., Iveson B. Noland, and Paul D. Wilbur. Mr. Bouligny also read the following statement regarding those nominated:

"Your nominating committee which was elected by the last regular Diocesan convention was instructed to present to this special convention the names of three or more men who in their opinion were best qualified for the office of Bishop Coadjutor. This, in essence, was the resolution adopted.

This serious undertaking was begun a short time after the adjournment of the regular convention and has progressed steadily up to three weeks ago at which time the final report of the Committee was given to the printer.

Many meetings of the whole committee were held—also, many special meetings, as well as special trips which were taken by individuals and groups for the purpose of making investigations. Letters were written by members of the Committee and others, where they would serve the purpose. These have been most useful to the Committee in coming to its conclusions.

You have before you the final result of this work in printed form. In this report, your committee presents for your consideration five men—all capable and worthy; any of whom could probably fill the office of Bishop Coadjutor acceptably. The two nominees from within the Diocese, you know well. You know their qualifications and what you have a right to expect from them. You have seen their work and with what results. Regarding those nominees from without the Diocese, the situation is different, and to some extent, it will be necessary for you to depend on the judgment of your committee; and it is this responsibility which we have felt so acutely that made the work so difficult.

Your committee has prayed for guidance in order to be prepared to present to you men whom you do not know but who could fill this high office with distinction—and this, it feels, it has done to the best of its ability.

In the case of the three men from outside the Diocese, we urge you to read critically what has been written about them. It is perfectly obvious that they are not all of the same type—each has a strength peculiar to him—but, in every case, it is the opinion of your committee that any one of them would work well in a team. Individualistic—of course! But not objectionably so. Please study what these men have done and are doing. There are several similarities however; as follows:

Their churchmanship seems to be like ours, according to the rectors on your committee. Where one of the nominees has been referred to as a "Low Churchman," please note that this designation is relative and depends purely on the churchmanship prevalent in the city from which the nominee comes.

They are all in vigorous health. They all have extremely attractive personalities. They all have had service with the Armed Forces. One could probably go on in more detail about their similarities or dissimilarities; but no useful purpose could be served by doing this. You have before you all the essential facts, and you have the pictures. In making these selections, the committee tried to find types of men who would fit into this Diocese and be of help to Bishop Penick in building toward a bright future, men who could and would work harmoniously with him.

Many prominent men who have appeared in recent elections in various Dioceses have not been included in this list. That does not mean that they were not considered. They were. It simply means that in the opinion of your committee, the nominees now offered meet our needs better.

You have had this report for approximately two weeks, and it was thought that the delegates and vestries would have ample opportunity to discuss it rather freely and completely so that when they came to this convention, they would be prepared either to agree or disagree with the committee's findings. It is entirely possible that you may not concur with the committee at all. Well then, if such is the case, we have only this to say: this report represents the committee's final and unanimous thinking.

Some nominations will be made from the floor, but it is hoped that purely complimentary nominations will be held to a minimum."

The floor was then opened to additional nominations. The Reverend Robert C. Masterton nominated the Reverend John Page Williams. The Reverend Edwin B. Jeffress, Jr. nominated the Reverend C. Alfred Cole. The Reverend H. T. Rodman nominated the Reverend Thomas J. C. Smyth. Mr. Lawrence W. Watt nominated the Reverend Daniel W. Allen.

Dr. M. S. Broun moved that nominations be closed. This motion was seconded and carried.

The Bishop further explained the rules of voting, defining the term majority as applying to this election and telling how divided votes may be counted. He also instructed all those voting to sign their ballots.

The Bishop appointed the following as tellers: the Reverend Charles Van Orden Covell and the Reverend Robert Findlay

Thomas for the clerical ballots; Messrs. Natt A. Gregory, F. S. Spruill, J. C. B. Ehringhaus, and Dr. S. B. Alexander for the lay ballots.

The Bishop announced that under the provisions of the canons the following Candidates for Holy Orders would be given a vote in the clerical order: Thomas Crockett Aycock, Peter Chase Robinson, and O'Kelley Whitaker.

The Convention adjourned for lunch at 12:55.

At 2 P.M. the Convention was again called to order. It was moved that the acting secretary send a message of sympathy to Mrs. deSaussure P. Moore. This motion was seconded and carried unanimously.

The chair granted to those presenting nominations from the floor a two minute period in which to present the facts regarding their candidates. This offer of time and opportunity to present facts was accepted by those making the nominations.

The Veni Creator Spiritus was said, after which the first ballot was taken. The clergy voted first and the parishes and missions second.

While the first ballot was being counted, the Bishop introduced to the convention the Reverend James D. Beckwith, the new priest in charge of St. Michael's Church, Raleigh.

The Reverend Jadi L. Martin spoke briefly on behalf of the Thompson Orphanage.

The Bishop introduced to the convention Mr. Frank Thompson of Cleveland, a faithful attendant at Diocesan conventions. The Bishop noted that Mr. Thompson was present in 1893 when Bishop Cheshire was elected.

The report of the tellers on the first ballot was announced. (The complete report of all ballots is given in a chart on the page directly following this account.) There was no majority, and a second ballot was taken. This was followed by a third and fourth ballot.

Following the fourth ballot the Reverend C. Preston Wiles moved that nominations be reopened. This motion was seconded, but was defeated.

The fifth and sixth ballots were taken. During the counting of the fifth ballot the Reverend Robert L. Crandall presented the following resolution, which was adopted unanimously:

"BE IT RESOLVED that this Special Convention of the Diocese of North Carolina, convening on September 14, 1950, express to Dr. Richard Stone, president of St. Mary's School and Junior College, the grateful appreciation of this body for the thoughtful preparations made, and the generous hospitality extended to this Convention on the occasion of the election of a Bishop Coadjutor for the Diocese of North Carolina."

The Reverend Thomas J. C. Smyth asked the convention to give a vote of appreciation to Peter Robinson for his fine work at Vade Mecum this summer. This was done.

The Reverend Henry H. Rightor, Jr. presented a resolution of appreciation for the work of the nominating committee. This resolution, which follows, was adopted:

"Whereas the Committee appointed by the Diocesan Convention of 1950 to nominate clergymen for the office of Bishop Coadjutor discharged its duties in a diligent, able, and consecrated manner; now therefore,

Be it resolved, that the delegates to this special convention rise to indicate their deep and sincere appreciation to the members of this committee, Messrs. R. H. Bouligny, Pembroke Nash, and William H. Ruffin; and the Reverend Messrs. I. Harding Hughes, Daniel W. Allen, and W. Moultrie Moore, Jr."

Following the fifth ballot the Reverend Gray Temple requested that those clergy, parishes, and missions voting for him vote for some other person.

Following the sixth ballot the Reverend William L. Gatling, Jr. moved that the convention reconsider the matter of reopening nominations. The motion was seconded, but was defeated.

On the seventh ballot the Reverend Richard H. Baker, D.D., rector of the Church of the Redeemer, Baltimore, Maryland was elected Bishop Coadjutor.

The Reverend Robert L. Crandall moved that the election of the Reverend Dr. Baker be made unanimous. The Chair ruled that such a motion was out of order and would necessitate a suspension of the constitution of the Diocese. The chair further pointed out that the Reverend Dr. Baker had been elected Bishop Coadjutor, but an eighth ballot would be required to make it unanimous or more nearly unanimous.

The Reverend Gray Temple moved that this convention register by a rising vote its unanimous expression of loyalty to the

Bishop Coadjutor elect and its determination to follow his leadership. The motion was carried unanimously.

The chair appointed those who had served as members of the Committee on Nominations as a committee to notify the Reverend Dr. Baker of his election.

The Reverend James M. Dick presented the following resolution, which was adopted:

"RESOLVED, that the convention authorize \$1,000.00, plus any unused balance previously assigned to the Nominating Committee for Bishop Coadjutor for:

1. The printing and mailing of all necessary credentials for the consent to the election and consecration of the newly elected bishop coadjutor from all bishops and standing committees;
2. To defray the necessary expenses in connection with the service of consecration.

This amount of money to come from the Episcopal Maintenance Reserve Fund."

The Bishop called the Convention to prayer. Following prayers read by the Bishop, the convention adjourned sine die.
